H. van Wijk-Bos, 2020-03-03 Ancient stories invoking contemporary questions and providing insight for an uncertain future The Road to Kingship is the second volume in the A People and a Land trilogy and presents a chapter by chapter interpretation of 1 2 Samuel based on the author s translation Johanna van Wijk Bos acquaints readers with familiar stories like David and Goliath while also introducing them to lesser known biblical personalities like Doeg the Edomite and the wily servant Ziba She offers guidance along the path taken by the Israelites during the rise of the united monarchy The books of Samuel unfold before us with multiple voices One voice endorses a spontaneous charismatic form of leadership alongside another that argues for hereditary kingship In listening to the different voices we will prefer some rather than others we may turn our

backs on texts that sing a melody we are no longer able to join As readers we enter into the text with our questions and in our very questioning tentatively find a way forward and draw closer to the presence of the Most Holy *The Road to Monticello* Kevin J. Hayes,2012-06-01 Thomas Jefferson was an avid book collector a voracious reader and a gifted writer a man who prided himself on his knowledge of classical and modern languages and whose marginal annotations include quotations from Euripides Herodotus and Milton And yet there has never been a literary life of our most literary president In *The Road to Monticello* Kevin J Hayes fills this important gap by offering a lively account of Jefferson s spiritual and intellectual development focusing on the books and ideas that exerted the most profound influence on him Moving chronologically through Jefferson s life Hayes reveals the full range and depth of Jefferson s literary passions from the popular small books sold by traveling chapmen such as *The History of Tom Thumb* which enthralled him as a child to his lifelong love of Aesop s Fables and Robinson Crusoe his engagement with Horace Ovid Virgil and other writers of classical antiquity and his deep affinity with the melancholy verse of Ossian the legendary third century Gaelic warrior poet Drawing on Jefferson s letters journals and commonplace books Hayes offers a wealth of new scholarship on the print culture of colonial America reveals an intimate portrait of Jefferson s activities beyond the political chamber and reconstructs the president s investigations in such different fields of knowledge as law history philosophy and natural science Most importantly Hayes uncovers the ideas and exchanges which informed the thinking of America s first great intellectual and shows how his lifelong pursuit of knowledge culminated in the formation of a public offering the academic village which became UVA and his more private retreat at Monticello Gracefully written and painstakingly researched *The Road to Monticello* provides an invaluable look at Jefferson s intellectual and literary life uncovering the roots of some of the most important and influential ideas that have informed American history **Road to Grace** Piper Davenport,2018-05-25 Grace Lundy s life has been tainted with horror and tragedy She s spent the past ten years building a fortress around her heart to avoid more pain In the process she s managed to push away those closest to her but the time has come for them to push back Billy Flea Jameson lives his life as a faithful soldier in the Dogs of Fire MC free of commitment and drama until Grace comes home from college The sexy as sin woman who walks into the clubhouse isn t the young girl who left for school and her appearance promises an end to his commitment free life But trouble brews when an innocent man is sent to prison and a rival club vies for territory As Flea works with his brothers to protect the club can he keep Grace from being caught in the crossfire **Road to Tomorrow** Piper Davenport,2021-01-10 Flash My father is the beloved president of the Dogs of Fire MC out of Portland Oregon and I am a faithful member of the club But I m torn between the love of my career and the responsibilities of my club What I hadn t expected was a long lost love to crash back into my life and turn it upside down Tate I have been in love with Flash Wallace since I was young but he broke my heart into a million pieces and seems to think he can waltz back into my life like nothing happened The problem is I want to believe all his pretty words and go back to the

way things were before our bond was broken Do I trust my head and keep my distance or go with my heart and let him back in

The Road to Nirvana Max Cioux, 2015-03-10 The Road to Nirvana is a coming of age story told through the now ancient eyes of Theodore Herald The manuscript shares a plethora of life lessons told through a series of engagingly charming vignettes intended to sweep the reader gently at first into the raging torrent of modern history to its inevitable though dramatic conclusion Embedded comfortably alongside this story is a viewpoint of appalling viciousness deceit and corruption as told by Jimmy DeMarco and his hoodlum in training The Count Consigned to the dustbin of history the town of Glory fights desperately for survival Evil paralyzes the populace Set in the fictional 1950s town of Glory Teds steady maturation is vastly accelerated when a series of brutal murders force him to choose between a trusted confidant and mentor or the status quo and the rampant racial prejudice that dominates the town The victims are discovered partially dismembered in shallow graves near his friends home by a survey crew for an improved road that links Glory with the neighboring town of Nirvana This is a cautionary tale that reminds us that the folly of youth may come back to haunt us It invokes the boyhood adventure of Tom Sawyer with the courtroom drama of Earl Stanley Gardner while recalling a simpler time It also recounts the ugliness of society before the term politically correct was a part of our daily lexicon Theodore Herald who is at best a devil may care youth and at worst a juvenile delinquent is suddenly thrust into the harsh spotlight of notoriety when he testifies on behalf of his friend The metamorphosis from gleeful purveyor of skullduggery to responsible adult is like flipping a light switch Unfortunately Teds credibility is called into question when his colorful past is revealed Lives hang in the balance as a deliciously twisted ending unfolds

On the Road to Freedom Janko Jesenský, 2023-11-30 Brother you have another pair of boots Jaroslav Ha ek said to me grabbing me by the sleeve How do you know Yesterday you were in army boots and today you ve got civilian ones on I d buy those army boots off you And in this way my high laced boots which I was given by the Austrian Red Cross way back in Beryozovka za Baikalom came into Ha ek s possession It was a silly thing to do Not because I should have known that I wouldn t get a kopeck out of Ha ek in exchange for them at bottom I did know that but as a former soldier I should have thought about reserves Life is a war and in this war sometimes boots become casualties Thus ruefully muses Janko Jesensk Slovak poet and politician in the pages of his On the Road to Freedom This book newly translated into English by Charles S Kraszewski is unique among the memoirs that came out of the First World War as it chronicles not desperate charges or trench warfare but the daily life of Austrian prisoners of war taken into Russian captivity at the very outset of the conflict Of course the reader will find more than one exciting passage in On the Road to Freedom from eyewitness accounts of the Soviet Revolution in Kiev and Saint Petersburg to the heroic and bloody route cut by the Czechoslovak Legions through Red Army forces as the former POWs make their way across Siberia to Vladivostok and the long steamboat journey home where they will aid in establishing the newly independent Republic of Czechoslovakia But the most engaging aspect of On the Road to Freedom and the poems that Jesensk composed during his Russian captivity a generous selection of which are appended to these memoirs is the palpable experience of the daily life of the POW far from home cold and hungry one of the ants who Roil the yard with mess plates in their hands Like hungry beasts for fish soup from the kitchen Besides their value as literary texts

Janko Jesenský's wartime writings in verse and prose are a welcome addition to the English library of early twentieth century history. They provide a fresh Slovak perspective on the Great War, the Russian Revolution, the establishment of the Czechoslovak state and the situation of the smaller Central European nations on the chessboard of politics dominated by great powers. This book was published with a financial support from SLOLIA Centre for Information on Literature in Bratislava.

Fluent Thoughts Hussein Farah, 2013-11-21 Take on a poetic journey with a bird that frees its self from the shackles of internal struggle, social pressure, success and its relations with the world. Self empowerment is the driving engine that mobilises us to achieve and acquire what we desire against all odds, whether its success, healthy relations, knowledge and all else. The journey of a bird will stimulate your spirituality mentally and it will inspire those who seek change and self growth.

Road to Passion Piper Davenport, 2019-12-04 18 for language and sexual content Logan Mack Reed loves women. Really loves women. He's an equal opportunity player, happy to oblige just about anyone looking for a good time, but when a beautiful red-headed pixie walks into his club, he finds himself unable to think of anyone but her. Darien Aherne and her sister have lost both of their parents but create a comfortable life for themselves. Darien, however, is sheltered and overly curious, which is a dangerous combination. When Darien breaks away from the protective bubble her sister has created, she finds herself falling for a man who could break her. When the chance of a lifetime pulls Darien into a provocative world, she has no experience in will she trust Mack enough to tell him all of her secrets? Will he be able to protect her even from herself?

On the Road to Emmaus Glenn W. Olsen, 2012-03-05 In distinctive voice and tone, cultural commentator Glenn W. Olsen presents his latest work on the place of Catholicism in American history. Here he clarifies the meaning of American modernity for Catholics and shows the conflicts and tensions confronting the religious person today.

The Road to Martyrs' Square Anne Marie Oliver, Paul F. Steinberg, 2006-04-27 Don't expect to find here the usual clichés about suicide bombers and what drives them. In this unique study, Anne Marie Oliver and Paul Steinberg render the story of two intertwining, often clashing journeys. The authors lived for six months with a Palestinian refugee family in Gaza at the beginning of the intifada and offer a gritty, poetic portrait of the time. They also provide an unrivalled documentary of the underground media they collected during the course of six years in the area. Although they could not have surmised as much at the beginning, they soon found themselves led through these media into the world of the suicide bomber. Their early study notably anticipated the spread of suicide missions years in advance. Dispensing with the platitudes and dogma that typify discourse on the Israeli-Palestinian conflict, the authors show that the suicide bomber is a complex, contradictory construction and can be explained neither in terms of cold efficacy nor sheer evil. This is the only book on the subject to illustrate the ecstatic, intoxicating aspects of suicide missions and provide extensive access to materials that have remained largely unseen in the West, despite the fact that they have served as indispensable tools in the construction and propagation of the suicide bomber. The book contains 86 illustrations drawn from the authors' archive as well as numerous conversations with leaders and followers of Hamas, including a rare

interview with a suicide bomber whose bomb failed to explode on an Israeli bus in Jerusalem Here is an important and timely work that will challenge the way we think about the intifada suicide bombers and the Israeli Palestinian conflict **Road to Absolution** Piper Davenport,2019-12-03 18 for language and sexual content Carter Ace Quinn has spent his life running from the rage caused by a broken heart After several tours in the Air Force and continued missions as a para jumper he spends his down time within the Dogs of Fire Motorcycle Club Cassidy Dennis is living with a choice she made years ago that lost her the love of her life but gained her something more precious However she misses her best friend and longs for the love they d been building When a chance meeting brings the two together will they put aside their hurts and forgive each other Will the jealousies of outsiders force the two apart [A Road to Christianity, Islam and Judaism](#) John R.
