Iran in the World Shahram Akbarzadeh,Dara Conduit,2016-04-08 This book evaluates President Hassan Rouhani s foreign policy during his first two years in office looking at the case studies of Armenia Azerbaijan the UAE Turkey and Syria as well as the Iran US relationship President Rouhani came to power in Iran in 2013 promising to reform the country s long contentious foreign policy His top priorities were rehabilitating the Iranian economy ending the nuclear dispute rebuilding relations with the US and mending ties with Iran s neighbors It is argued here that while President Rouhani has made progress in the Iran US relationship in nuclear negotiations and some bilateral relationships his broader success has been hampered by regional political developments and domestic competition Further it is contended that his future success will be guided by emerging regional tensions including whether Iran s neighbors will accept the terms of the nuclear agreement

The Life and Times of An American Baby Boomer Ricky Bellagamba,2022-02-13 Growing up in the baby boomer age was much simpler than growing up today We did things without the fear of getting hurt or dirty without helmets My story tells of the rise and fall of me I have mapped out my life with some of the shenanigans and havoc me and my brother created over a lifetime of drinking and drugging Surprisingly I think we both turned out pretty good in the long run This is also a story of the beginning to the present of how and why I became an alcoholic I m neither ashamed nor proud of my life only I know who I am However you can see the story unfold without BS Life as a child in the aEUR 50s and aEUR 60s was much similar with far less concerns than that of life today being a child I broke all the rules on my own terms and you can read how I did it My army career during the Vietnam conflict is a testament of how things were during that time of turmoil As the father of three sons and a daughter I have been able to watch how they survived without helmets My first publication in a newspaper was in 1965 at the age of eleven and a half years I started taking liberal arts courses at a local community college where I was awarded the Roy D Arcy Memorial Literature Award in
