Department of Bibliography, 1978      *The Publishers Weekly*, 1974      *Black April* George Veith, 2013-09-17 The defeat of South Vietnam was arguably America's worst foreign policy disaster of the 20th Century Yet a complete understanding of the endgame from the 27 January 1973 signing of the Paris Peace Accords to South Vietnam's surrender on 30 April 1975 has eluded us *Black April* addresses that deficit A culmination of exhaustive research in three distinct areas primary source documents from American archives North Vietnamese publications containing primary and secondary source material and dozens of articles and numerous interviews with key South Vietnamese participants this book represents one of the largest Vietnamese translation projects ever accomplished including almost one hundred rarely or never seen before North Vietnamese unit histories battle studies and memoirs Most important to celebrate the 30th Anniversary of South Vietnam's conquest the leaders in Hanoi released several compendiums of formerly highly classified cables and memorandum between the Politburo and its military commanders in the south This treasure trove of primary source materials provides the most complete insight into North Vietnamese decision making ever compiled While South Vietnamese deliberations remain less clear enough material exists to provide a decent overview Ultimately whatever errors occurred on the American and South Vietnamese side the simple fact remains that the country was conquered by a North Vietnamese military invasion despite written pledges by Hanoi's leadership against such action Hanoi's momentous choice to destroy the Paris Peace Accords and militarily end the war sent a generation of South Vietnamese into exile and exacerbated a societal trauma in America over our long Vietnam involvement that reverberates to this day How that transpired deserves deeper scrutiny
