The General and the Frogs Mirghani Hassan,2014-02-14 In a Sub Saharan African country vulnerable to the whims of its dyslexic and tyrannical ruler a young man named Abdulmoneim Ghoriesh enrolls in the countrys famed university laden with the scars of a recent family tragedy On his first night on campus as he falls asleep on the lawn Abdul has barely

nodded off before he is jolted awake by hundreds of frogs croaking in eerie unison And so begins Abduls satirical campus journey with five other desperately poor yet immensely motivated students collectively known as Les Misrables As the nation chokes under the haze of dictatorship campus residents must endure the theocratic chauvinism of a students union controlled by radical Islamists Trapped in the labyrinths of political repression religious dogmatism and the horrors of final exams the skeptical and talented Les Misrables cultivate an extraordinary capacity for transforming despair into dark and hilarious tall tales Amid the turbulent chaos of their existence the six survive an uprising against the dyslexic tyrant while achieving academic distinction Even so a gruesome murder of a friend casts insufferable sorrow at the end of a remarkable odyssey The General and the Frogs is a tale of the incredible power of humour and of the triumph of the human spirit at a time lived most dangerously **It's Your Call: The Complete Guide to Mobile Phones** Andrew Mennen,2005

Waltzing the Magpies Sam Pickering,2011-03-02 Praise for Sam Pickering The art of the essay as delivered by Mr Pickering is the art of the front porch ramble The New York Times Book Review Reading Pickering is like taking a walk with your oldest wittiest friend Smithsonian What a joy it is to mess around with Professor Sam Pickering The Chattanooga Times Pickering is a barefoot observer of the quotidian who revels in the spectacle and its gift for surprise prefers the rumpled to the starched has raised puttering and messing about to an art form and wrings from it more than a pennyworth of happiness and a life well lived Kirkus Reviews The movie Dead Poets Society is where most Americans first met Sam Pickering the University of Connecticut English professor Robin Williams plays the lead character loosely based on Pickering an idiosyncratic instructor who employs some over the top teaching methods to keep his subjects fresh and his students learning Fewer know that Pickering is the author of more than 16 books and nearly 200 articles or that he s inspired thousands of university students to think in new ways And while Williams may have captured Pickering s madcap classroom antics he didn t uncover the other side of the author Sam Pickering as one of our great American men of letters Like the music of Mozart the painting of Picasso or the poetry of Emily Dickinson you can spot Pickering s writing a mile away there s no mistaking the Pickering pen As an ample demonstration of the author s literary gifts Waltzing the Magpies is his unabashedly lush and Technicolor travelogue from Down Under On the face of it Waltzing is the chronicle of a sabbatical year spent with family in Australia Yet beneath the surface Pickering s big themes family nature seizing the moment move in a powerful current that frequently bursts out in moments of ecstatic revelation and intense sensual flourish Through it all Pickering weaves stories from his fictional Southern town of Carthage Tennessee especially when the goings of the outside world get rough Waltzing the Magpies is classic Pickering at the height of his literary powers and places him in the company of such great American essayists as E B White and James Thurber but with an irony and observational prowess that is pure Pickering **Tourism, Travel, and Blogging** Deepti Ruth Azariah,2016-11-10 Travel often inspires the creation of narratives about journeys and destinations more so with the increasing availability of online platforms applications for smartphones and tablets and various

other social media technologies This book examines travel blogs and their associated social media as a form of self presentation that negotiates the tensions between discourses of travel and tourism As such it addresses how contemporary travellers use online platforms to communicate their experiences of journeys and destinations and how the traveller tourist dichotomy finds expression in these narratives Addressing the need for more in depth analysis through a study of blogs this exploration of networked narratives of an individual s travel experience considers personal motivations self promotion and self presentation as key factors in the creation of both personal and commercial travel blogs As this text applies concepts such as self presentation and heteroglossia it will be of interest to both students and scholars of tourism new media sociology cultural studies and discourse studies

Foreign Fruit Katie Goh, 2025-05-06 Named A Best Debut Book of 2025 by Debutiful A sharp sweet memoir of change identity and hybridity I loved it Katherine May author of Wintering Per person oranges are the most consumed fruit in the world Across the world no matter how remote or cold or incongruous a climate is oranges will be there What stories could I unravel from the orange's long ribboning peel What new meanings could I find in its variousness as it moves from east to west and from familiar to foreign What begins as a curiosity into the origins of the orange soon

becomes a far reaching odyssey of citrus for Katie Goh Katie follows the complicated history of the orange from east to west and west to east from a luxury item of European kings and Chinese emperors to a modest fruit people take for granted This investigation parallels Katie s powerful search into her own heritage Growing up queer in a Chinese Malaysian Irish household in the north of Ireland Katie felt herself at odds with the culture and politics around her As a teenager Katie visits her ancestral home in Longyan China with her family to better understand her roots but doesn t find the easy digestible answers she hoped for In her mid twenties when her grandmother falls ill she ventures again to the land of her ancestors Malaysia where more questions of self and belonging are raised In her travels and reflections she navigates histories that she wants to understand but has never truly felt a part of Like the story of the orange Katie finds that simple and extractable explanations even about a seemingly simple fruit are impossible The story that unfolds is Katie s incredible endeavor to flesh out these contradictions to unpeel the layers of personhood a reflection on identity through the cipher of the orange Along the way the orange becomes so much more than just a fruit it emerges as a symbol a metaphor and a guide Foreign Fruit A Personal History of the Orange is a searching wide ranging seamless weaving of storytelling with research and a meditative deeply moving encounter with the orange and the self

Monthly Bulletin San Francisco Public Library,1919 **Travel and Talk, 1885-93-95** Hugh Reginald Haweis,1896 *Australia for Women* Susan Hawthorne,Renate Klein,1994 Australia is a land full of opportunities but where can you go to find the things that matter to women This book is a guide to the land as well as the diverse culture of women Women s culture in Australia goes back more than 40 000 years and is a rich mosaic of story art and music On the top of this has come the culture of the past 200 years from the British convicts from China from the Pacific from the newer waves of migration and from the women s movement This is reflected in literature theatre the visual arts music circuses and dance Rural and urban women describe the places they know and love they also describe their histories and show something of what lies behind a first impression Contributors featured include Oodgeroo Noonuccal Faith Bandler Portia Robinson Elizabeth Jolley Sara Dowse Janine Haines Dale Spender Ruby Langford Ginibi Kate Llewellyn and Finola Moorhead
