Roaring Fork Valley Len Shoemaker, 1973 **The Valley of Opportunity** Steven F. Mehls, 1982 This publication represents the latest Class I History to be written for the western slope of Colorado Our three districts in this region of Colorado now have histories specifically for them Such works provide a valuable and needed synthesis of history and literature for these areas and also gives our managers data that are used on a daily basis for land use decision making Multiple land use is a Bureau mission that is being met Oil and gas coal oil shale and other energy minerals not to mention rights of ways grazing programs recreation projects and land use planning are all supported by histories such as this Resource Management Plans and subsequent Environmental Impact Statements that are produced for the Bureau s Area Offices are the foundations for long term land use management The Glenwood Springs Colorado Resource Management Plan Environmental Impact Statement is a Bureau pilot document and serves as a management tool for the Glenwood Springs Resource Area This history Volley of Opportunity supports the Resource Management Plan In addition a history provides background and support for the upcoming Grand Junction Resource Area Management Plan Environmental Impact Statement The Volley of Opportunity has already been used for Oil Shale Environmental Statements and for the Federal Coal Leasing Program in the Grand Junction Colorado District Truly such histories are not only multiple use in scope but are also management tools that provide basic understanding for land use decisions Additionally this history represents an ongoing effort to provide the public reader with a work that is not only interesting but is also well researched In this way another sector is satisfied These histories are used by schools libraries universities and of course the general public Again multiple use is served Finally as the Volley of Opportunity was being prepared it happened that the City of Grand Junction s Centennial would occur in 1982 Coincidentally the Glenwood Springs Resource Management Plan will be published in November 1982 Since this history serves several purposes it is appropriate that it also is the Bureau s contribution to Grand Junction s Centennial celebration **General Technical Report RMRS** ,1998 **Historic Avalanches in the Northern Front Range and the Central and Northern Mountains of Colorado** M. Martinelli, Charles F. Leaf, 1999 Newspaper accounts of avalanche accidents from the 1860s through 1950 have been compiled summarized and discussed Many of the avalanches that caused fatalities came down rather small innocuous looking paths Land use planners can use historical avalanche information as a reminder of the power of snow avalanches and to assure rational development in the future
