*Robert A.M. Stern Architects* Robert A.M. Stern,2019-12-17 This comprehensive lavishly illustrated survey of the most recent work of Robert A M Stern Architects arguably the most versatile of the architects is an essential reference for architecture offices and libraries and an exceptionally handsome volume that will appeal to architecture aficionados Architect and architectural historian Robert A M Stern has garnered prestigious commissions across America and throughout the world including most recently the Museum of the American Revolution in Philadelphia residential towers in Manhattan Washington and Hangzhou China and major campus projects for the Kennedy School of Government at Harvard and Tsinghua University in Beijing Deeply committed to the principle of building in context Stern has no signature style Instead his work speaks to the urban fabric that surrounds it yielding a portfolio that is at once historically sensitive and responsive to contemporary life **Robert A. M. Stern** Robert A.M. Stern (Architekt, Schriftsteller),1981 *Robert A. M. Stern* Robert A.M. Stern,Paul Goldberger,2009-12 This monograph the fifth volume since Stern opened his practice in 1969 explores his commitment to an architecture that reinterprets the past to serve contemporary life *Robert A.M. Stern* Robert

A. M. Stern, 1991 Robert Stern's work as an architect is indivisible from his abiding concern with history and historical style and he is seen as one of the originators and key theorists of post modernism The 33 projects featured here reveal the range of influences which have informed Stern's buildings *Designs for Learning* Robert A.M. Stern, Graham S. Wyatt, Melissa DelVecchio, Preston J. Gumberich, Alexander P. Lamis, 2017-01-10 Through more than thirty projects for major colleges and universities across the country and in China *Designs for Learning* presents the principles and practices behind academic buildings libraries graduate centers and academic facilities that sensitively integrate into the fabric of each campus In its forty years Robert A M Stern Architects has honed a contemporary practice that is in close dialogue with the past making it one of the most admired architectural firms today Even in its growing global reach and expanding practice areas the firm maintains a close attention to form context local culture and received tradition as well as to the demands and needs of the building users These principles have served the firm particularly well on campuses where architectural styles and building traditions are often well established Robert A M Stern Architects has created classroom buildings student centers athletic facilities and libraries that respect and expand those traditions In each case the firm demonstrates a deep understanding of the American college campus with its roots in Thomas Jefferson's design for the University of Virginia In their buildings the present interacting with memories of the past can create something that can be interesting in the future Each campus in *Designs for Learning* is described in detail with historic photographs and campus plans illustrating its development Projects by Robert A M Stern are placed in their context providing a complete view of these distinguished places of learning

Robert A. M. Stern David Anger, 1996 Describes the life and work of the noted American architect whose creations include Disney's animation studio Robert A. M. Stern Architects Robert A. M. Stern, 2015-01-06 History is the lens through which Robert A M Stern and his fifteen design partners envision an architecture for today Robert A M Stern Architects Buildings and Projects 2010 2014 is the seventh volume in a series that encompasses the breadth of the firm's work since Stern's earliest projects in the mid 1960s Emphasizing the output of the office over the past five years this volume covers the most globalized period of practice so far Featuring profiles of well over 100 designs built domestically and abroad Robert A M Stern Architects Buildings and Projects 2010 2014 includes significant projects in Asia from China to India In the United States the firm's educational cultural commercial religious and residential work continues to broaden its exploration of traditional and contemporary architectural expression This volume presents the firm's continued influence on campuses across the United States reflecting the position that education holds in its ethic with new additions to Drexel University in Philadelphia Wake Forest University in Winston Salem North Carolina and University of Colorado Boulder The office also remains key to the ongoing development of its home in New York City with new residential towers on the High Line and in Greenwich Village Designs for Living Randy M. Robert A M Stern Architects present fifteen houses the firm has completed over the past ten years From contemporary interpretations of the shingle style to robust Mediterranean designs the houses are stylistically diverse reflecting RAMSA s deep knowledge of history and precedent Each partner provides insight into the design process and his individual approach to working with clients Houses are located in dramatic settings from Napa and Sonoma to the spectacular coastline of the Hamptons and New England Whether overlooking the ocean or nestled into the mountainside these remarkable houses reveal the architects emphasis on the importance of context and their dedication to exploring the nature of place and environment Each house invokes the vernacular architectural heritage particular to its region while gracefully reflecting its natural surroundings Connecting contemporary lifestyles to traditional American aesthetics these residences are exceptional both for their timelessness and their ability to evoke a conversation with the past a dialogue the RAMSA partners believe lies at the heart of architecture

*Buildings and Projects, 1981-1985* Robert A. M. Stern, 1986 *Robert AM Stern* Robert A. M. Stern, 1991 Om den amerikanske arkitekt Robert A M Stern f dt 1939 City Living Robert A.M. Stern, Paul L. Whalen, Daniel Lobitz, Michael D. Jones, 2016-01-12 Today we build all over the world We bring what we know and we learn from our clients and our travels And the fundamental reason that we succeed is that we are committed to architecture as portraits of places Robert A M Stern In City Living Paul L Whalen Daniel Lobitz and Michael D Jones partners at Robert A M Stern Architects present sixteen completed apartment complexes and a portfolio of sixteen further projects in progress in New York and major cities across the United States and in Europe Asia and South America Over the past fifteen years the high rise residential apartment house has emerged as the focus of contemporary architectural practice challenging the commercial office building for pride of place on city skylines around the world Drawing on the rich heritage of apartment house design in New York City from the 1920s and 1930s the RAMSA partners bring a unique perspective to this building type creating strong forms with visually intriguing facades that meet the ground and touch the sky with elegance and dignity These designs extend the classical tradition while inflecting toward the simplicity and abstraction of modernism Essential to the planning process is the integration of buildings into the cityscape and the urban neighborhood setting The base of the apartment houses is articulated to reflect the scale of the surrounding buildings and a portion of the site can be reserved for townhouses that create a transition between old and new
