Robert De Niro And The Fireman:

Robert DeNiro and the Fireman Bill Cosgrove,1997 **De Niro** Shawn Levy,2015-10-27 REMARKABLE BIOGRAPHY OF AN ICON There s little debate that Robert De Niro is one of the greatest screen actors of his generation perhaps of all time if not in fact the greatest His work particularly in the first 20 years of his career is unparalleled Mean Streets the Godfather Part II Taxi Driver the Deer Hunter and Raging Bull all dazzled moviegoers and critics alike displaying a talent the likes of which had rarely if ever been seen De Niro became known for his deep involvement in his characters assuming that role completely into his own life resulting in extraordinary chameleonic performances Yet little is known about the off screen De Niro he is an intensely private man whose rare public appearances are often marked by inarticulateness and palpable awkwardness It can be almost painful to watch at times in powerful contrast to his confident movie personae In this elegant and compelling biography bestselling writer Shawn Levy writes of these many De Niros the characters and the man seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature and who now seemingly avoids acting challenges taking roles which make few apparent demands on his overwhelming talent Following De Niro s roots as the child of artists his father the abstract painter Robert De Niro Sr was widely celebrated who encouraged him from an early age to be independent of vision and spirit to his intense schooling as an actor the rise of his career his marriages his life as a father restaurateur and businessman and of course his current movie career Levy has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry His many friendships with the likes of Martin Scorsese Meryl Streep Harvey Keitel Shelley Winters Francis Ford Coppola among many others are woven into this extraordinary portrait of DeNiro the man and the artist also adding a depth of understanding not before seen Levy has had unprecedented access to De Niro s personal research and production materials creating a new impression of the effort that went into the actor s legendary performances The insights gained from DeNiro s intense working habits shed new perspective on DeNiro s thinking and portrayals and are wonderful to read Levy also spoke to De Niro s collaborators and friends to depict De Niro s transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure Shawn Levy has written a truly engaging insightful and entertaining portrait of one of the most wonderful film artists of our time a book that is worthy of such a great talent [The Films of Robert DeNiro](#) Douglas Brode,2001 Film expert Douglas Brode offers a complete up to the minute examination of Robert De Niro s entire life and career including such memorable movies as Copland Cape Fear The Deer Hunter The Godfather Part II and Taxi Driver Color and b w illustrations
