Swanston Edition. Volume 17 Роберт Льюис Стивенсон, 2017-05-16 Robert Louis Stevenson Reconsidered William B. Jones, Jr., 2015-10-02 Critical interest in Robert Louis Stevenson has never been greater. New editions of the author's works from the poems to the travel writing from the Scottish novels to the South Seas tales are appearing. During the year 2000 the sesquicentennial of RLS's birth, three conferences were held in honor of the occasion and each entertained an international audience. This collection of essays reflects the scope of Robert Louis Stevenson's achievement and the range of current critical response. The first section contains four critical overviews that include an analysis of the Stevensonian imagination, an assessment of the author's literary theory, an examination of the coded significance of burial and reanimation in Stevenson's *Wrong Box* and other works, and an examination of the use of both Scottish and South Seas islands in his fiction. The second section contains three essays that examine the many faceted *Strange Case of Dr Jekyll and Mr Hyde*. Other works *An Inland Voyage*, *A Child's Garden of Verses*, *The Dynamiter*, *The Master of Ballantrae*, and *Prayers Written at Vailima* are the subjects

of the six essays in the third section Three essays on biography popular culture and personal response are in the fourth section

Robert Louis Stevenson Richard Ambrosini, Richard Dury, 2006-04-04 Robert Louis Stevenson Writer of Boundaries reinstates Stevenson at the center of critical debate and demonstrates the sophistication of his writings and the present relevance of his kaleidoscopic achievements While most young readers know Robert Louis Stevenson 1850 1894 as the author of Treasure Island few people outside of academia are aware of the breadth of his literary output The contributors to Robert Louis Stevenson Writer of Boundaries look with varied critical approaches at the whole range of his literary production and unite to confer scholarly legitimacy on this enormously influential writer who has been neglected by critics As the editors point out in their Introduction Stevenson reinvented the personal essay and the walking tour essay in texts of ironic stylistic brilliance that broke completely with Victorian moralism His first full length work of fiction Treasure Island provocatively combined a popular genre subverting its imperialist ideology with a self conscious literary approach Stevenson one of Scotland s most prolific writers was very effectively excluded from the canon by his twentieth century successors and rejected by Anglo American Modernist writers and critics for his play with popular genres and for his non serious metaliterary brilliance While Stevenson s critical recognition has been slowly increasing there have been far fewer published single volume studies of his works than those of his contemporaries Henry James and Joseph Conrad
