Robert Of Arbrissel Ca 1045 1116 A Medieval Religious Life:

Robert of Arbrissel Bruce L. Venarde,2003 Robert of Arbrissel c 1045 1116 had humble origins but went on to become an important reformer hermit preacher rebel and controversially a heretic in some eyes The Experience of Power in Medieval Europe, 950-1350 Robert F. Berkhofer III,Alan Cooper,Adam J. Kosto,2017-05-15 Taking their inspiration from the work of Thomas N Bisson to whom the book is dedicated the contributors to this volume explore the experience of power in medieval Europe the experience of those who held power those who helped them wield it and those who felt its effects The seventeen essays in the collection which range geographically from England in the north to Castile in the south and chronologically from the tenth century to the fourteenth address a series of specific topics in institutional social religious cultural and intellectual history Taken together they present three distinct ways of discussing power in a medieval historical context uses of power relations of power and discourses of power The collection thus examines not only the operational and social aspects of power but also power as a contested category within the medieval world The Experience of Power suggests new and fruitful ways of understanding and studying power in the Middle Ages The Letters of Heloise and Abelard M. McLaughlin,B. Wheeler,2009-12-21 The letters of Heloise and Abelard will remain one of the great romantic and intellectual documents of human civilization while they themselves are probably second only to Romeo and Juliet in the fame accrued by tragic lovers Here for the first time in Mart Martin McLaughlin s edition is the complete correspondence with commentary

Robert of Arbrissel Jacques Dalarun,2006 The author tells the story of Robert of Arbrissel ca 1045 1116 Robert was a parish priest longtime student reformer hermit wandering preacher and founder of the abbey of Fontevraud This book narrates the course of Robert s life and his relationships with others along the way **Daily Life of Women in Medieval Europe** Belle S. Tuten,2022-08-23 This book is an introduction to the everyday lives of medieval European women how they ate and slept what their work was like and the many factors that shaped their experiences Ordinary people are often hard to see in the historical record This resource for students reveals the everyday world of the Middle Ages for women sex marriage work and power Using up to date scholarship from both archeology and history this book covers major daily concerns for medieval people their understanding of the world their relationships with others and their place in society It attempts to clarify what we know and what we do not know about women s daily lives in the Western European Middle Ages between approximately 500 and 1500 CE The book s focus is everyday life so the topics are organized around women s chores expectations and difficulties especially with regard to sexuality and childbirth In addition to broad survey information about the Middle Ages the book also introduces major women writers and thinkers and provides some examples of their work giving the reader an opportunity to engage with the women themselves The World of Medieval Monasticism Gert Melville,2016-03-04 This book surveys the full panorama of ten centuries of Christian monastic life It moves from the deserts of Egypt and the Frankish monasteries of early medieval Europe to the religious ruptures of the eleventh and twelfth

centuries and the reforms of the later Middle Ages Throughout that story the book balances a rich sense of detail with a broader synthetic view It presents the history of religious life and its orders as a complex braid woven from multiple strands individual and community spirit and institution rule and custom church and world The result is a synthesis that places religious life at the center of European history and presents its institutions as key catalysts of Europe's move toward modernity

Communication, Translation, and Community in the Middle Ages and Early Modern Period Albrecht

Classen, 2022-08-22 Literature serves many purposes and one of them certainly proves to be to convey messages wisdom and instruction and this across languages religions and cultures Beyond that as the contributors to this volume underscore people have always endeavored to reach out to their community members that is to build community to learn from each other and to teach Hence this volume explores the meaning of communication translation and community building based on the medium of language While all these aspects have already been discussed in many different venues the contributors endeavor to explore a host of heretofore less considered historical religious literary political and linguistic sources While the dominant focus tends to rest on conflicts hostility and animosity in the pre modern age here the emphasis rests on communication with its myriad of challenges and potentials for establishing a community As the various studies illustrate a close reading of communicative issues opens profound perspectives regarding human relationships and hence the social context This understanding invites intensive collaboration between medical historians literary scholars translation experts and specialists on religious conflicts and discourses We also learn how much language carries tremendous cultural and social meaning and determines in a most sensitive manner the interactions among people in a communicative and community based fashion

The Bride of Christ Goes to Hell Dyan Elliott, 2011-11-16 The early Christian writer Tertullian first applied the epithet bride of Christ to the uppity virgins of Carthage as a means of enforcing female obedience Henceforth the virgin as Christ's spouse was expected to manifest matronly modesty and due submission hobbling virginity's ancient capacity to destabilize gender roles In the early Middle Ages the focus on virginity and the attendant anxiety over its possible loss reinforced the emphasis on claustration in female religious communities while also profoundly disparaging the nonvirginal members of a given community With the rising importance of intentionality in determining a person's spiritual profile in the high Middle Ages the title of bride could be applied and appropriated to laywomen who were nonvirgins as well Such instances of democratization coincided with the rise of bridal mysticism and a progressive somatization of female spirituality These factors helped cultivate an increasingly literal and eroticized discourse women began to undergo mystical enactments of their union with Christ including ecstatic consummations and vivid phantom pregnancies Female mystics also became increasingly intimate with their confessors and other clerical confidants who were sometimes represented as stand ins for the celestial bridegroom The dramatic merging of the spiritual and physical in female expressions of religiosity made church authorities fearful an anxiety that would coalesce around the figure of the witch and her carnal induction into the Sabbath

Forthcoming Books Rose Army, 2003-04

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004

Popular Opinion in the Middle Ages Charles W. Connell, 2016-10-24 This book provides a needed overview of the scholarship on medieval public culture and popular movements such as the Peace of God heresy and the crusades and illustrates how a changing sense of the populus the importance of publics and public opinion and public spheres was influential in the evolution of medieval cultures Public opinion did play an important role even in the Middle Ages it did not wait until the era of modern history to do so Using modern research on such aspects of culture as textual communities large and small publics cults crowds rumor malediction gossip dispute resolution and the European popular revolution the author focuses on the Peace of God movement the era of Church reform in the tenth and eleventh centuries the rise and combat of heresy the crusades and the works of fourteenth century political thinkers such as Marsiglio of Padua regarding the role of the populus as the basis for the analysis The pattern of changes reflected in this study argues that just as in the modern world the simplistic idea of the public was a phantom Instead there were publics large and small that were influential in shaping the cultures of the era under review

Medieval Masculinities Clare A. Lees, Thelma S. Fenster, Jo Ann McNamara, 1994 Ranging from questions of epic violence and heroic embodiments of manhood to constructions of bachelorhood husbandry and sainthood *Medieval Masculinities* is the first synthesis of medieval and gender studies to focus on masculinities Harry Brod editor of *The Making of Masculinities* We should not be working exclusively on the subjected sex any more than a historian of class can focus exclusively on peasants Natalie Zemon Davis 1975 In the years since Natalie Davis made this remark men's studies and gender studies along with it has earned its place in scholarship What is often missing from such studies however is the insight that the concept of gender in general and that of masculinity in particular can be understood only in relation to individual societies examined at specific historical and cultural moments A brilliant application of this insight *Medieval Masculinities* is the first full length collection to explore the issues of men's studies and contemporary theories of gender within the context of the Middle Ages Interdisciplinary and multicultural the essays range from matrimony in medieval Italy to bachelorhood in Renaissance Venice from friars and saints to the male animal in the fables of Marie de France from manhood in Sir Gawain and the Green Knight Beowulf and the Roman d'Eneas to men as other whether Muslim or Jew in medieval Castilian epic and ballad The authors are especially concerned with cultural manifestations of masculinity that transcend this particular historical period idealized gender roles political and economic factors in structuring social institutions and the impact of masculinist ideology in fostering and maintaining power Together their essays constitute an important reassessment of traditional assumptions within medieval studies as well as a major contribution to the evolving study of gender Contributors Christopher Baswell Barnard College Vern L Bullough SUNY Buffalo Stanley Chojnacki Michigan State University John Coakley New Brunswick Theological Seminary Thelma Fenster Fordham University Clare Kinney University of Virginia Clare A Lees University of Pennsylvania Jo Ann McNamara Hunter

The Loving Subject Gerald A. Bond, 2016-11-11 Gerald Bond explores the rise of a new secular identity that took place in French elite culture at the turn of the twelfth century. While the period is widely recognized as pivotal and much revisionary work has been done on it, Bond notes that in order to see the changes in the conception of the private secular self, the focus must be shifted away from epics and saints' lives, the traditional targets of literary inquiry, to lyric letters and marginal texts and images. Such texts and images can be found at regional courts reasonably independent of the weak and limited monarchy and at schools far removed from the traditional Christian curriculum where a new and distinctly secular group contested inherited values of class, gender, and person and created distinct patterns and codes of dress, behavior, talk, and pleasure. Translating and using sources that for the most part have never been explored, Bond examines the Bayeux Tapestry and such figures as Marbod of Rennes, Baudri of Bourgueil, William of Poitiers, and Adela of Blois to frame a complex view of the contested reconception of the secular self and its value.

Medieval France William W. Kibler, 1995 Arranged alphabetically with a brief introduction that clearly defines the scope and purpose of the book. Illustrations include maps, B&W photographs, genealogical tables, and lists of architectural terms.

The Light and the Dark: Dualism and non-dualism in medieval theology and philosophy Petrus Franciscus Maria Fontaine, 1986

Viator University of California. Center for medieval and renaissance studies, 2006

Les deux vies de Robert d'Arbrissel, fondateur de Fontevraud Robert (of Arbrissel), Jacques Dalarun, 2006 The multifaceted Robert of Arbrissel ca. 1045-1116 is best remembered as the founder of Fontevraud, a monastery of men and women under the direction of an abbess. A restless nonconformist, Robert was both famous and infamous in his own lifetime and has been a subject of debate ever since. In this book, an international team of scholars—Jacques Dalarun, Genevieve Giordanengo, Armelle Le Hurou, Jean Longre, Dominique Poirel, and Bruce L. Venarde—present all known medieval sources concerning Robert of Arbrissel. The authors have created critical editions of materials, including hagiography, correspondence, statutes, charters, and various short texts in verse and prose, illustrating Robert's life and memory. To facilitate broad access to these materials, the entire dossier is translated into French and English. The authors' purpose then is not to offer the last word on Robert of Arbrissel but to make available in one volume the materials that will promote further research and new interpretations of this controversial medieval Christian.

Einsamkeit Marcus Handke, Als grundlegendes Motiv christlicher Theologie und Frömmigkeitspraxis besitzt Einsamkeit eine bis in die Spätantike reichende Tradition. Doch erst ab dem 11. Jahrhundert ergriff die Suche nach religiöser Abgeschiedenheit nicht mehr nur einzelne Spitzenasketen, sondern aus ihrer erwachsen neue soziale Formationen, von denen sich einige als eremitische Orden etablieren konnten. Die religiösen Reformbewegungen enthielten die Idee der Weltflucht und mit ihr jene der geistlichen solitudo als monastisch-programmatisches Leitmotiv, welches in Kombination mit der gemeinschaftlichen Lebensform ein scheinbares Paradoxon erzeugte. Hier setzt die ideengeschichtlich orientierte Studie an und zeichnet am Beispiel der frühen

Kamaldulenser Kartäuser und Zisterzienser nach wie hochmittelalterliche Reformtheologen diese Ambivalenz leisten. Dabei werden sowohl vielfältige Gedankenhorizonte als auch die Veränderungen der Semantik von Einsamkeit innerhalb monastischer Diskurse und Rezeptionsstränge thematisiert. *Medioevo latino*, 2007 **Cahiers de civilisation médiévale**, 2005

Robert Of Arbrissel Ca 1045 1116 A Medieval Religious Life Book Review: Unveiling the Magic of Language
