Robert Strawbridge First American Methodist Circuit Rider

John Wigger

Robert Strawbridge First American Methodist Circuit Rider:

Robert Strawbridge, First American Methodist Circuit Rider Frederick E. Maser, 1983 **The Methodists and Revolutionary America, 1760-1800** Dee E. Andrews, 2010-07-01 The Methodists and Revolutionary America is the first in depth narrative of the origins of American Methodism one of the most significant popular movements in American history Placing Methodism s rise in the ideological context of the American Revolution and the complex social setting of the greater Middle Atlantic where it was first introduced Dee Andrews argues that this new religion provided an alternative to the exclusionary politics of Revolutionary America With its call to missionary preaching its enthusiastic revivals and its prolific religious societies Methodism competed with republicanism for a place at the center of American culture Based on rare archival sources and a wealth of Wesleyan literature this book examines all aspects of the early movement From Methodism s Wesleyan beginnings to the prominence of women in local societies the construction of African Methodism the diverse social profile of Methodist men and contests over the movement s future Andrews charts Methodism s metamorphosis from a British missionary organization to a fully Americanized church Weaving together narrative and analysis Andrews explains Methodism s extraordinary popular appeal in rich and compelling new detail **The Supernatural and the Circuit Riders** Rimi Xhemajli, 2021-06-22 In The Supernatural and the Circuit Riders Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God s Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today American Saint John Wigger, 2009-10 In this definitive biography Asbury emerges as an effective and influential leader Drawing on a wide variety of sources John Wigger reveals how Asbury crafted a church to engage ordinary Americans and their world Under Asbury Methodism exerted a powerful pull on American culture but was itself transformed in the process a pattern repeated again and again in American religious history *John Wesley's Preachers* John Lenton, 2009-07-01 This book is about those preachers whom John Wesley called his Sons in the Gospel their lives their importance in the Methodist movement and their wider significance It is about those who entered in Wesley s lifetime they had begun their work by 1791 Because of their unity and dedication they had more effect than either of the Wesley brothers

in the creation of the worldwide Methodist Church This study analyses their lives and achievements It provides new statistical information and brings to life the calling travels and everyday experience of individual preachers

Historical Dictionary of Methodism Jennifer Woodruff Tait, Christopher J. Anderson, 2024-11-05 Methodism originally founded in the eighteenth century has grown into a large and influential Protestant denomination As of 2016 it claimed around 50 million adherents in 80 churches in more than 150 countries Its history illuminates our understanding of modern culture ethics literature politics Christian mission women s studies and many related topics Historical Dictionary of Methodism Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important institutions events doctrines and people who have contributed to the movement and to broader society in the three centuries since it was founded This book is an excellent resource for students researchers and anyone wanting to know more about Methodism as a global movement

A Will to Choose Gordon J. Melton, 2007-02-23 A Will to Choose traces the history of African American Methodism beginning with their emergence in the fledgling American Methodist movement in the 1760s Responding to Methodism s anti slavery stance African Americans joined the new movement in large numbers and by the end of the eighteenth century had made up the largest minority in the Methodist church filling positions of authority as class leaders exhorters and preachers Through the first half of the nineteenth century African Americans used the resources of the church in their struggle for liberation from slavery and racism in the secular culture

Sunfish Edmonson County Kentucky: Oasis of Catholicism James Simon, 2014-03-24 The edit and re issue of this book is dedicated to James H Simon a dedicated genealogist My sincere thanks go to him for the information he compiled before the age of computers His work was compiled over many years of research using only 3x5 index cards scribbled notes and then transferred to paper on a typewriter I can only imagine how difficult this task was to complete in 1987 Simon s research has been treasured by amateur genealogists and used as the foundation of many family trees This edit and re issue of his book promotes James Simon s original stated goal for developing his book I hope I can influence others to get going on their family tree The longer one puts it off the harder it will be to find answers Every day more and more of our past is lost either through the loss of irreplaceable records or through the deaths of the people who lived the information genealogists seek Thank you James Simon

Historical Dictionary of Methodism Charles Yrigoyen Jr., Susan E. Warrick, 2013-11-07 Methodism is growing both in numbers and influence according to the World Methodist Council there are 78 Methodist Wesleyan and related Uniting and United churches representing over 80 million people in more than 130 nations There are clear reasons for its success Among them are commitment to evangelize and nurture people with the message of God s presence love and direction That includes an appreciation for and practice of the holistic nature of the Wesleyan tradition which involves faith nurtured in the biblical narrative disciplined personal and communal spirituality and holy living vibrant preaching worship and fellowship and a faith which rejoices in personal and social reform This third edition of Historical

Dictionary of Methodism presents the history of Methodism through a detailed chronology an introductory essay an extensive bibliography and over 500 cross referenced dictionary entries on important institutions and events doctrines and activities and especially persons who have contributed to the church and also broader society in the three centuries since it was founded This book is an ideal access point for students researchers or anyone interested in the history of the Methodist Church

The to Z of Methodism Charles Yrigoyen, Susan E. Warrick, 2009-07-23 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians

The Cambridge Companion to American Protestantism Jason E. Vickers, Jennifer Woodruff Tait, 2022-05-26 American Protestantism has been the dominant form of Christianity in United States since the colonial era and has had a profound impact on American society Understanding this religious tradition is thus crucial to understanding American culture This Companion offers a comprehensive overview of American Protestantism It considers all its major streams Anglican Reformed Lutheran Anabaptist Baptist Stone Campbell Methodist Holiness and Pentecostal Written from various disciplinary perspectives including history theology liturgics and religious studies it explores the beliefs and practices around which American Protestant life has revolved The volume also provides a chronological overview of the tradition s entire history addresses its prominent theological and sociological features and explores its numerous intersections with American culture Aimed at undergraduate and graduate students as well as an interested general audience this Companion will be useful both for insiders and outsiders to the American Protestant tradition

Methodist History, 1984 Wesley and the People Called Methodists Prof. Richard P. Heitzenrater, 2013-08-20 This second edition of Richard P Heitzenrater s groundbreaking survey of the Wesleyan movement is the story of the many people who contributed to the theology organization and mission of Methodism This updated version addresses recent research from the past twenty years includes an extensive bibliography and fleshes out such topics as the means of grace Conference Large Minutes Charles Wesley Wesley and America ordination prison ministry apostolic church music children Susanna and Samuel Wesley the Christian library itinerancy connectionalism doctrinal standards and John Wesley as historian Oxford don and preacher

Church Schism & Corruption: Book 6 Achim Nkosi Maseko, **Biographical Sketches of Eminent Men** Gilbert S. Swing, 1889 *Come Shouting to Zion* Sylvia R. Frey, Betty Wood, 2000-11-09 The conversion of African born slaves and their descendants to Protestant Christianity marked one of the

most important social and intellectual transformations in American history Come Shouting to Zion is the first comprehensive exploration of the processes by which this remarkable transition occurred Using an extraordinary array of archival sources Sylvia Frey and Betty Wood chart the course of religious conversion from the transference of traditional African religions to the New World through the growth of Protestant Christianity in the American South and British Caribbean up to 1830 Come Shouting to Zion depicts religious transformation as a complex reciprocal movement involving black and white Christians It highlights the role of African American preachers in the conversion process and demonstrates the extent to which African American women were responsible for developing distinctive ritual patterns of worship and divergent moral values within the black spiritual community Finally the book sheds light on the ways in which by serving as a channel for the assimilation of Western culture into the slave quarters Protestant Christianity helped transform Africans into African Americans

The Allegheny Frontier Otis K. Rice, 2014-07-15 The Allegheny frontier comprising the mountainous area of present day West Virginia and bordering states is studied here in a broad context of frontier history and national development The region was significant in the great American westward movement but Otis K Rice seeks also to call attention to the impact of the frontier experience upon the later history of the Allegheny Highlands He sees a relationship between its prolonged frontier experience and the problems of Appalachia in the twentieth century Through an intensive study of the social economic and political developments in pioneer West Virginia Rice shows that during the period 1730 1830 some of the most significant features of West Virginia life and thought were established There also appeared evidences of arrested development which contrasted sharply with the expansiveness ebullience and optimism commonly associated with the American frontier In this period customs manners and folkways associated with the conquest of the wilderness took root and became characteristic of the mountainous region well into the twentieth century During this pioneer period problems also took root that continue to be associated with the region such as poverty poor infrastructure lack of economic development and problematic education Since the West Virginia frontier played an important role in the westward thrust of migration through the Alleghenies Rice also provides some account of the role of West Virginia in the French and Indian War eighteenth century land speculations the Revolutionary War and national events after the establishment of the federal government in 1789
