Robert Wilson is an internationally acclaimed experimental theatre stage director. His style of theatre is referred to as Theatre of Visuals or Theatre of Images, coined by New York-based critic Bonnie Marranca. Since the 1960s, Wilson's productions have had a significant influence on the world of theatre and opera. Theatre of Images is Wilson's endeavor at freeing the audience from text-specific interpretations which he found prevalent in Western theatre. He wanted to create theatre where the audience was free to explore individual meanings from his visual and aural experiences.
