Robert Burns As A Freemason 1921:

The G. Ross Roy Collection of Robert Burns Clayton Carlyle Tarr, 2009 The G Ross Roy Collection of Robert Burns includes fourteen color and fifty eight black and white illustrations as well as an introduction by G Ross Roy on the history of the collection In text and images the catalogue documents a monumental research collection that serves as an open invitation for further investigations into the life works and legacy of Scotland s bard **BOOK JACKET** **British Poets and Secret Societies (Routledge Revivals)**

Marie Mulvey-Roberts, 2014-08-01 A surprisingly large number of English poets have either belonged to a secret society or been strongly influenced by its tenets One of the best known examples is Christopher Smart s membership of the Freemasons and the resulting influence of Masonic doctrines on A Song to David However many other poets have belonged to or been influenced by not only the Freemasons but the Rosicrucians Gormogons and Hell Fire Clubs First published in 1986 this study concentrates on five major examples Smart Burns William Blake William Butler Yeats and Rudyard Kipling as well as a number of other poets Marie Roberts questions why so many poets have been powerfully attracted to the secret societies and considers the effectiveness of poetry as a medium for conveying secret emblems and ritual She shows how some poets believed that poetry would prove a hidden symbolic language in which to reveal great truths The beliefs of these poets are as diverse as their practice and this book sheds fascinating light on several major writers

Robert Burns as a Freemason William Harvey, 2014-03-29 This Is A New Release Of The Original 1921 Edition *The Burns Supper* Clark McGinn, 2019-02-19 When did Burns Suppers start Why is it celebrated all over the world Who can join in the fun Spanning the history of the phenomenon from the year of its creation in 1801 to the present day this book offers you everything you need to know about the Burns Supper and the poet for whom it is held every year From the origins of the custom to its modern day interpretations from the rituals and traditions to the fun and fellowship this first full length study of the unique annual celebration of Scotland s national poet answers every question you can think of along with every one you can t **The Masonic Year** ,1921 *Subject Index of the Modern Books Acquired by the British Museum in the Years ...*

,1927 **The Oxford Handbook of Robert Burns** Gerard Carruthers, 2024-01-17 The Oxford Handbook of Robert Burns treats the extensive writing of and culture surrounding Scotland s national bard Robert Burns 1759-96 was a producer of lyrical verse satirical poetry in English and Scots a song writer and song collector a writer of bawdry journals commonplace books and correspondence Sculpting his own image his untutored rusticity was a sincere persona as much as it was not entirely accurate Burns was an antiquarian national patriot pioneer of what today we would call folk culture and a man of the Enlightenment and Romanticism The Handbook considers Burns s reception in his own time and beyond extending to his iconic status as a world writer Burns was important to the English Romantic poets in the context of debates about Abolition in the US in the Victorian era he was widely utilised as a model for different kinds of popular poetry and he has been utilised as a contestant in debates surrounding Scottish and indeed British politics in peacetime and in wartime down to the present

day The writer's afterlife includes not only a large number of biographies but a whole culture of commemoration in art architecture fiction material culture museum exhibition and even forged manuscripts and memorabilia as well as appearances apparently via Spiritualist seances The politics of his work channel the fierce debates of late eighteenth century Scottish ecclesiastical controversy as well as the ages of American Agrarian and French revolutions All of this ground is traversed in this Handbook the largest critical compendium ever assembled about Robert Burns

The Freemasons Jasper Ridley, 2011-05-15 What did Mozart and Bach Oscar Wilde and Anthony Trollope George Washington and Frederick the Great Winston Churchill and Franklin D Roosevelt have in common They were all Freemasons a subject of endless fascination To the layman they are a mysterious brotherhood of profound if uncertain influence a secret society purported in some popular histories to have its roots in the fabled order of the Knights Templar or in the mysteries of the Egyptian pyramids They evoke fears of world domination by a select few who enjoy privileged access to wealth and the levers of power The secrecy of their rites suggests the taint of sacrilege and their hidden loyalties are sometimes accused of undermining the workings of justice and the integrity of nations Though not a mason himself Jasper Ridley nonetheless refutes many of the outrageous allegations made against Freemasonry while at the same time acknowledging the masons shortcomings their clannishness misogyny obsession with secrecy and devotion to arcane ritual In this much needed reassessment he offers a substantial work of history that sifts the truth from the myth as it traces Freemasonry from its origins to the present day
