Robert Graves His Life And Work:

Robert Graves, His Life and Work Martin Seymour-Smith, 1995 Biography of Robert Graves 1895 1985 English poet and author **Robert Graves** Martin Seymour-Smith, 1987 **Robert Graves** Martin Seymour-Smith, 1988 **Robert Graves** J. M. Cohen, 1960 Robert Graves Miranda Seymour, 2003 Robert Graves 1895 1985 was one of the greatest poets and polymaths of the twentieth century whose long life matched the intensity of his imaginative output From his distinguished exploits in the First World War described in his memoir GOODBYE TO ALL THAT to his dramatic relationships with women most notably the American poet and essayist Laura Riding his life was one of extremes he sought pain took huge emotional risks and lived as if each day were his last First published to mark the centenary of his birth Miranda Seymour's acclaimed biography was written with the full co-operation of the Graves family Her interviews and correspondence with many people who have not previously discussed Graves in public contribute to a rich and complex portrait of a troubled man and a great creative artist I have never been able to understand the contention that a poet's life is irrelevant to his work Graves said Miranda Seymour puts Graves's statement to the test in this superb biography and thrillingly demonstrates its validity *A Study Guide for Robert Graves's "I, Claudius"* Gale, Cengage Learning, 2016-06-29 A Study Guide for Robert Graves's *I Claudius* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **Robert Graves** Jean Moorcroft Wilson, 2018-08-09 Robert Graves From Great War Poet to Goodbye to All That casts new light on the life prose and poetry of Graves without which the story of Great War poetry is incomplete The writer and poet Robert Graves suppressed virtually all of the poems he had published during and just after the First World War Until his son William Graves reprinted almost all the Poems About War in 1988 Graves's status as a war poet seems to have depended mainly on his prose memoir and bestseller Goodbye to All That None of the previous biographies written on Graves however excellent attempt to deal with this paradox in any depth Robert Graves the war poet and the suppressed poems themselves have been largely neglected until now Jean Moorcroft Wilson celebrated biographer of poets Siegfried Sassoon Isaac Rosenberg and Edward Thomas relates Graves's fascinating life during this period his experiences in the war his being left for dead at the Battle of the Somme his leap from a third storey window after his lover Laura Riding's even more dramatic jump from the fourth storey his move to Spain and his final goodbye to all that In this deeply researched new book containing startling material never before brought to light Dr Moorcroft Wilson traces not only Graves's compelling life but also the development of his poetry during the First World War his thinking about the conflict and his shifting attitude towards it Robert Graves Martin Seymour-Smith, Robert Graves, 1956 **The Early Poetry of Robert Graves** Frank L. Kersnowski, 2013-11-06 Like many men of his generation poet Robert Graves was indelibly marked by his experience of trench warfare in World War I The horrific battles in which he

fought and his guilt over surviving when so many perished left Graves shell shocked and disoriented desperately seeking a way to bridge the rupture between his conventional upbringing and the uncertainties of postwar British society In this study of Graves s early poetry Frank Kersnowski explores how his war neurosis opened a door into the unconscious for Graves and led him to reject the essential components of the Western idea of reality reason and predictability In particular Kersnowski traces the emergence in Graves s early poems of a figure he later called The White Goddess a being at once terrifying and glorious who sustains life and inspires poetry Drawing on interviews with Graves s family as well as unpublished correspondence and drafts of poems Kersnowski argues that Graves actually experienced the White Goddess as a real being and that his life as a poet was driven by the purpose of celebrating and explaining this deity and her matriarchy The Nazarene Gospel Restored Robert Graves,Joshua Podro,2023-03-30 The Nazarene Gospel Restored is Robert Graves s major work on the life of Jesus written in collaboration with the distinguished Hebrew scholar Joshua Podro The research and writing occupied them for over ten years in a working relationship compounded in John W Presley s phrase of argument scholarship and mutual respect in which the imaginative writer and the Hebraist drew on their vast knowledge of the ancient world to reveal an extraordinary new true story of Jesus The result is as Graves wrote to T S Eliot a very long very readable very strange book and one that Presley argues is as central to Graves s thought as The White Goddess The Nazarene Gospel Restored was controversial when first published the Church Times refused to advertise it reviews were hostile and Graves twice sued for libel In the twenty first century it is possible to read it in the context of a continuing engagement with the historical Jesus both scholarly and popular In this new edition John W Presley gives a detailed account of the composition and reception of the book setting it in the context of Graves s writing and of biblical scholarship The inclusion of Graves s Foreword and annotations for a project revised edition make this an indispensable resource **C.S. Lewis, Poetry, and the Great War 1914-1918** John Bremer,2012-05-31 This book presents a realistic account of the early years of C S Lewis as revealed in *Spirits in Bondage* and its surrounding events It calls for a reappraisal of Lewis himself not as a soldier poet but as a young ruthless and ambitious would be academic using others h **Focus on Robert Graves and His Contemporaries** ,1993 **Handbook of British Literature and Culture of the First World War** Ralf Schneider,Jane Potter,2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All

in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War

British Poetry, 1900-50 Gary Day, Brian Docherty, 1995-08-12 This collection focuses on British poetry from the Georgians to the Second World War The introduction provides the framework for the articles which follow by considering the question of the relation between poetry and society as it appears in the work of F R Leavis T W Adorno and Antony Easthope Written by experts the essays cover poetic movements and individual authors both mainstream and neglected and address the difficult problem of making value judgements while situating poetry in its historical context **Len Lye** Roger

Horrocks, 2013-11-01 Len Lye A Biography tells for the first time the story of a unique charismatic artist who was an innovator in many areas film kinetic sculpture painting photography and poetry Born in New Zealand in 1901 Len Lye gained an international reputation in the arts and had friendships with many famous people including Dylan Thomas Robert Graves Gertrude Stein John Grierson Norman McLaren Oskar Fischinger John Cage Robert Creeley Laura Riding Stan Brakhage and the artists of the New York School A colorful bohemian Lye lived in London from 1926 to 1944 where he made highly original hand painted films for John Grierson's GPO Film Unit then moved to New York for the last 36 years of his life Describing Len Lye as a trailblazer and a one man modern art movement in Sight Sound Ian Francis also celebrated this superb biography as the definitive piece of Lye scholarship *Proceedings of the British Academy, Volume 131, 2004 Lectures*, 2005-12-22 The

topical issues debated in this volume include the patenting of AIDS drugs the future pensions crisis Britain's universities and Pan Islam There are studies of Shakespeare Pope Montaigne Robert Graves and William Faulkner And there are lectures on the Inquisition empires in history and the journey towards spiritual fulfilment *Zeal for Zion* Shalom Goldman, 2009 The standard histories of Zionism have depicted it almost exclusively as a Jewish political movement one in which Christians do not appear except as antagonists In the highly original *Zeal for Zion* Shalom Goldman makes the case for a wider and m

The Happy Passion Anthony James, 2017-01-31 Jacob Bronowski 1908 1974 lived through what he described as the two great catastrophes of the twentieth century the rise of Hitler in 1933 and the dropping of the atomic bombs in 1945 and yet the keynote of his astonishingly rich and varied life and work was an enduring optimism Bronowski was a professional scientist scientific administrator poet philosopher dramatist and television and radio personality possessing an energy and versatility that make him a rare figure in our cultural history His final achievement the groundbreaking television series *The Ascent of Man* first shown in 1973 influenced and inspired millions of ordinary people by bringing an awareness of human evolution and the adventure of science into their homes Anthony James describes his own journeys to key locations in Bronowski's television series *The Ascent of Man* from Auschwitz a monument to human depravity that has haunted the conscience of contemporary society to Iceland where democracy in northern Europe was born more than a thousand years ago Bronowski would not have been surprised by our dilemmas today but he would have insisted that confidence in our

ascent as a species is a far greater force than the cynical destructiveness of politicians Although human beings are inevitably fallible the pursuit of knowledge is in Bronowski s philosophy an adventure in his own words a happy passion **Robert Graves's Historical Novels** Ian Firla,2001 A collection of essays focusing on Robert Graves s often neglected novels by some of the leading researchers in Graves studies Best known as a poet Graves in fact made his living as a novelist Most of his novels have remained in print since they were first published in the 1930s Despite their commercial success they are rarely discussed or researched by academics or their students This volume aims to begin redressing that neglect and offers a series of essays that give a broad outline to the biographical historical and narratological background of his novels A Handbook to the Reception of Classical Mythology Vanda Zajko,Helena Hoyle,2017-03-16 A Handbook to the Reception of Classical Mythology presents a collection of essays that explore a wide variety of aspects of Greek and Roman myths and their critical reception from antiquity to the present day Reveals the importance of mythography to the survival dissemination and popularization of classical myth from the ancient world to the present day Features chronologically organized essays that address different sets of myths that were important in each historical era along with their thematic relevance Features chronologically organized essays that address different sets of myths that were important in each historical era along with their thematic relevance Offers a series of carefully selected in depth readings including both popular and less well known examples

The book delves into Robert Graves His Life And Work. Robert Graves His Life And Work is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Robert Graves His Life And Work, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Robert Graves His Life And Work
- Chapter 2: Essential Elements of Robert Graves His Life And Work
- Chapter 3: Robert Graves His Life And Work in Everyday Life
- Chapter 4: Robert Graves His Life And Work in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Robert Graves His Life And Work. This chapter will explore what Robert Graves His Life And Work is, why Robert Graves His Life And Work is vital, and how to effectively learn about Robert Graves His Life And Work.
3. In chapter 2, the author will delve into the foundational concepts of Robert Graves His Life And Work. The second chapter will elucidate the essential principles that need to be understood to grasp Robert Graves His Life And Work in its entirety.
4. In chapter 3, this book will examine the practical applications of Robert Graves His Life And Work in daily life. The third chapter will showcase real-world examples of how Robert Graves His Life And Work can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Robert Graves His Life And Work in specific contexts. This chapter will explore how Robert Graves His Life And Work is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Robert Graves His Life And Work. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Robert Graves His Life And Work.
