Say No To Murder:

Say No to Murder Nancy Pickard, 1990-03-01 Someone is sabotaging the Liberty Harbor Restoration first with fire then with murder As director of the town s Civic Foundation Jenny Cain should have been glad when the police made an arrest Unfortunately it was the one person she believed innocent **Say No to Murder** Pickard, 2010-07-27 Jenny Cain was thrilled about the Liberty Harbor Restoration a picturesque collection of shops museums and restaurants But when a runaway truck barreled into the project committee it seemed someone in Port Frederick was out to sink Liberty Harbor Then a wooden cross raised in unholy wrath made the message clear Murderously clear As director of the town s Civic Foundation Jenny should have been glad when police detective Geof Bushfield reeled in a prime suspect Unfortunately it was the one person she was desperate to prove innocent Fishing for a ruthless killer she had to bait her trap fast before the cold New England waters closed in over her own head *No Murder Here* Howard of Warwick, 2024-02-29 5 Absolutely brilliant as always 5 So well written so entertaining and amusing 5 A great read from start to finish There is no murder here And even if there was under no circumstances is Brother Hermitage King William s investigator to be allowed anywhere near it This is a very sensitive matter for the Duke of Normandy now King of England and he wants it dealt with properly He doesn t want a band of Saxon idiots trampling all over the place offending everyone But in a far off outpost of the duchy an ancient ritual has been enacted which immediately went horribly wrong Someone must be sent to find out what happened and who is behind it Negotiating the way through scheming and feuding locals will demand sensitivity Untangling superstition from fact will require careful analysis Appreciating custom and practice will need a sympathetic ear And you ll need to speak the right language obviously So this is really not a job for Brother Hermitage It s probably even more inappropriate for the weavers Wat and Cwen the woman who stares at people and the man who made those disgusting pictures Keep them away However the more explicit the instruction the greater the chance of mistake In any case there is no murder here Oh really Thing of Beauty Jackson Mac Low, 2009-05 Jackson Mac Low s poetry and prose exceeds narrow definitions of artists by movements or poets by style His work began with and returned to timeless subjects such as children animals love war death and God diverging at points into rigorously imposed structures systems and chance operations in an effort to suppress the ego in his art At one point embarrassed by his depth of feeling Mac Low confesses to being an existential poet a declaration that the title of the poem A Lack of Balance But Not Fatal contradicts with modest and generous humor This is an important and often very moving anthology of Mac Low s thought at the same time as it reflects the preoccupations of his generation and ranges over a wide variety of approaches to writing and art making Thing of Beauty is a manifesto the term Mac Low would use to describe expressions of personal truth and his are beautiful Kristine Stiles Professor of Art History Duke University In this generous selection of Jackson Mac Low s work we can see first hand the poet s profound understanding of the physics of language and his exuberant articulation of the sounds of words in unpredictable motions The multiplicity of Mac Low s forms

and his rejection of any hierarchy among the forms of poetry objective and subjective expository or nonrepresentational lyric and epic along with his refusal to identify poetic composition with a characteristic voice of the poet and his rejection of traditional aesthetic standards of beauty are among the chief marks of his iconoclastic genius Mac Low's magnificent and multidimensional poems open vast expanses for the imagination to inhabit Charles Bernstein This is one of the great watershed events in recent publishing history Mac Low's reputation has exploded on the poetry scene since his death
