Bioenergema Communication with Alien Bioenergies Alejandro Cuevas-Sosa,2019-04-08 Aliens is a highly debated topic sometimes in favour others against it Once again we introduce more than fifty bioenergema communications BELCs that for over the years we have presumably had amongst others with the bioenergeme of Khriannia an extraterrestrial woman occasionally with some of her close relatives and acquaintances too and finally with the bioenergeme of Bhrikiam an extraterrestrial man Both said to come from a planet named Agram located in Andromeda constellation of the Milky Way Besides we have had BELCs with several alien civilizations This rich bioinformation is exclusive of this book **Say Yes to the Highlander** Angeline Fortin,2022-01-25 What is it that holds them back Is it love Trust A fear that what they feel is no more than lust These are the questions the siblings of clan MacKintosh seek the answers to in the Questions for a Highlander series The Perfect Question Richard MacKintosh returned from Egypt wounded in body and in spirit Determined to force the government to search for the brothers at arms he left behind he has no time for distractions until Abby Merrill comes back into his life The once brash bossy tomboy he once knew is now a lovely sophisticated woman who stirs anything but brotherly feelings But Abby has a few demons of her own If they have any chance at a future together they must first free themselves from the past A Question of Love Since meeting Eve Preston years before Francis MacKintosh has become a man embittered by life a disgraceful wife and the scandalous divorce that has darkened his family s name He never thought that fate would bring Eve back into his life or that he would dare to love and trust once more But for his bonny lass he s willing to take a chance If only he can convince Eve to do the same A Question of Trust When Jack Merrill inherits not only a title of Earl of Haddington but the devastating debt that comes with it his friends convince him that there is no better way to gain quick wealth than to marry into it On the hunt for a wealthy bride Jack stumbles upon the perfect solution Kitty Hayes is everything her sister Eve was not full of a fire and spirit that challenges him She s also possesses Eve s finest quality the fortune he needs But Kitty is a married woman and swears never to wed again once she gets the divorce she longs for When Jack becomes first friend then lover then rescuer can Kitty set aside her troubled past and not only love but trust again A Question of Lust Moira MacKenzie is thrilled that the man she loved for so long is coming home again believing he d been killed in action five years before until she remembers one thing She may have loved Vin MacKintosh but he d never loved her back Tormented by his years as a prisoner of war Vin must readapt to a world far different from the one he left and Moira offers the friendship and encouragement he desperately needs to carry on However he discovers he cannot see her as sister any longer She is a woman one too desirable to resist Will it be too late before he realizes that what he feels is more than a mere question of lust A Question for Harry They say hell hath no fury like a woman scorned As one of them Fiona MacKintosh isn t

inclines to entrust her heart to a man again Especially not the same man But there s just something about Harry Brudenall and when danger looms unexpectedly and it is her life rather than her heart that is in peril Fiona soon realizes that there is only one man she wants to turn to A Question Worth Asking Primrose Eames has more than enough men trying to control her already There s no chance she ll relent and marry again despite her brothers dogged encouragement on the matter What she needs is a decoy and James MacKintosh is just the man for the job James is happy to engage in a false courtship with Prim for reasons of his own However he soon discovers that even a fictitious courtship with a woman set on never remarrying has its own challenges A Question for the Ages For more than two years Piper Brudenall has successfully hidden herself away She d be a fool to let her guard down now however when Connor MacKintosh comes along offering a friendly ear a helping hand and something more unexpected she s torn between her head and the heart that knows he s a man like no other As her past catches up with her can she learn to trust Connor with not only her heart but her life That s a question for the ages     Say Yes Scott Erickson,2022-01-25 Say Yes gives you the mental and spiritual practices you need to enjoy your life again and bring greater fullness than you could imagine before My life doesn t look anything like I wanted it to How do I even keep going When the dreams for our life die our vision of who we hoped to become often dies too That s when The Voice of Giving Up appears Visual artist and spiritual director Scott Erickson has had long midnight conversations with The Voice of Giving Up and he knows how anxiety and depression make The Voice especially loud But he s discovered that our darkest moments are sometimes doorways to a deeper more joy filled journey of recovering who we are why we re here and why the future bursts with possibilities if we are willing to say yes to life s brightest gifts In Say Yes Scott helps you learn how to reawaken your deepest desires disempower your greatest fears and identify the destructive narratives holding you back Combined with Scott s beautiful thought provoking illustrations this is a profound exploration of beginning again after Disappointment at how life is turning out Suspecting we are not prepared or smart enough Losing hope that change is possible and that pain can have a purpose Take the first step to gain the gentle yet powerful tools you need and say yes to what lies ahead today
