Sbc House On The Sand:

S.B.C., House on the Sand? David Beale, 1985 Where is the SBC headed Is it creeping Liberalism or controlling Liberalism that has appeared in the schools and agencies Is Conservatism actually gaining strength within the SBC as some have claimed These are the questions that this book answers with accuracy and frankness **The A to Z of the Baptists** William H. Brackney, 2009-09-16 With 110 million members worldwide Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians The term Baptist has its origins with the Anabaptists the denomination historically linked to the English Separatist movement of the 16th century Although Baptist churches are located throughout the world the largest group of Baptists lives in the Southern United States and the Baptist faith has historically exerted a powerful influence in that region of the country The A to Z of the Baptists relates the history of the Baptist Church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important events doctrines and the church founders leaders and other prominent figures who have made notable contributions This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609 **BJU and Me** Lance Weldy, 2022-06-15 *The Rise of Baptist Republicanism* Oran P Smith, 2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention's mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC's Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC's political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the

intersection of religion and politics in America today **Four Views on the Spectrum of Evangelicalism** Kevin Bauder,R. Albert Mohler, Jr.,John G. Stackhouse, Jr.,Roger E. Olson,2011-10-04 Understand the history core values and divisions as they ve developed within the Evangelical Christian movement Four Views on the Spectrum of Evangelicalismcompares and contrasts four distinct positions on the current fundamentalist evangelical spectrum Each contributor offers their case for one of four primary views Fundamentalism defended by Kevin T Bauder Conservative confessional evangelicalism defended by R Albert Mohler Jr Generic evangelicalism defended by John G Stackhouse Jr Postconservative evangelicalism defended by Roger E Olson Each author explains and defends his position which is critiqued by the other three authors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Baptist Battles Nancy Tatom Ammerman,1990 Since 1979 Southern Baptists have been noisily struggling to agree on symbols beliefs and practices as they attempt to make sense of their changing social world Nancy Ammerman has carefully documented their struggle She tells the story of the Baptist reversal from a moderate to a fundamentalist outlook and speculates on the future of the denomination Ammerman places change among the Southern Baptists in the context of the cultural and economic changes that have transformed the South from its rural past into an urbanizing culturally diverse region Not only did the South change Southern Baptists did as well Reflecting this diversity the Southern Baptist bureaucracy was relatively progressive During the 1960s and 1970s moderate sentiments prevailed while fundamentalists remained on the margins These two were however becoming increasingly divergent in what they considered important about being a Baptist in their views about the Bible in their attitudes on the origination of women on Christian morals and on national politics Late in the 1970s a fundamentalist coalition emerged followed by unsuccessful efforts by moderates to oppose it The battles escalated until 1985 when 45 000 Baptists gathered in Dallas to decide between contending presidential candidates That dramatic event illustrated the extent to which organized political resources were determining the course of the conflict Ammerman studies these strategies and resources as well Examining how this tension affected Baptists Ammerman begins with case studies of the change it is producing in Baptist agencies But she also brings us back to the local churches and individual believers who are renegotiating their relationships within their denomination She asks whether the denomination s polity can accommodate an increasingly diverse group of Baptists or whether the only way dissidents can have a voice is through schism **The Great Commission Resurgence** Chuck Lawless,Adam W. Greenway,2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative **Southern Baptists Observed** Nancy Tatom Ammerman,1993 **Historical Dictionary of the Baptists** William H. Evangelical America Timothy J. Demy,Paul R. Shockley Ph.D.,2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the

many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement's influence internationally in key issues such as human rights environmentalism and gender and sexuality Satan's Strategy to Curse Christ's Congregation Keith A. Sherlin, 2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem **Evangelical Bible Doctrine** Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come *The Variety of American Evangelicalism* Donald W. Dayton, 2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities The differences among groups are so important that the question arises Is

the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group s theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees

What Happened to the Southern Baptist Convention? Grady C. Cothen,1993 The New Crusades, the New Holy Land David T. Morgan,1996 Examines the conflict between modern day Southern Baptists and liberal Southern Baptists over control of the Southern Baptist Convention David Morgan captures the essence of the conflict between some modern day Southern Baptists who saw themselves as crusaders for truth as they sought to redeem a new holy land the Southern Baptist Convention from the control of other Southern Baptists they viewed as liberals To the so called liberals the crusaders were fundamentalists on a mission not to reclaim the SBC in the name of theological truth but to gain control and redirect its activities according to their narrow political social and theological perspectives The New Crusades provides a comprehensive history of the conflict taking the reader through the bitter and divisive struggles of the late 1980s that culminated in the 1991 emergence of a moderate faction within the SBC The fundamentalists had won *Faith of Our Fathers* Mark Sidwell,1989 Historian Perry Miller said that to the Puritans History is a memorial of the mercies of God so that posterity may know them remember them and hymn His praises Eighteenth century historian Joseph Milner desired that his church history be a celebration of piety Today however works of church history often fail to inspire or to edify believers One of the goals of this book is to remedy this failure of modern church histories The series of sketches gathered here enlightens Christians about their heritage and uplifts them by the godly examples of previous generations The great men of church history are represented here Augustine Wycliffe Luther Calvin Knox Bach Wesley Whitefield Spurgeon and others Also found here are the great themes of church history the persecution of believers the role of women the history of religious art and numerous other topics The authors write on a level accessible to the layman but they neither trivialize their subjects nor indulge in slipshod research History is a memorial of the mercies of God that sentiment is echoed by the authors of this volume Throughout the book runs the theme of God s sovereignty in history and His goodness to man Across the pages of history Christians may write as J S Bach did on all his music Soli Deo gloria To God alone the glory *Standing Without Apology* Daniel L. Turner,1997 Standing Without Apology is the history of Bob Jones University pointing out the school s roots in American fundamentalism and documenting its growth to leadership within that movement The book details how the school has dealt with major movements and challenges with religious movements such as liberalism and the New

Evangelicalism with cultural questions such as the relationship of Christianity to the arts and with political matters such as freedom of religion and the Civil Rights movement In all of these cases the University has endeavored to stand in a manner that reflects the teachings of the authoritative Word of God Back cover **Research in the Social Scientific Study of Religion** ,1994
