## **Scandalous Wager:**

A Scandalous Wager Cassandra Samuels, 2014-11-01 As the Black Raven she s cold distant and alone untouched by the gossip and scorn of her aristocratic peers Until he enters her house and her life then suddenly her icy shell is no match for the heat of attraction Notorious Widow Lisbeth Carslake Countess of Blackhurst was acquitted of her husband s murder but no one believes in her innocence Known as the Black Raven bringer of bad luck and death she is eviscerated by the gossips and mocked in the clubs She s also the subject of London s most scandalous wager Oliver Whitely Earl of Bellamy needs money but it takes more than a few drinks to take on The Black Raven Wager He finds himself drunk at her house and more surprisingly agreeing to a business proposal at the end of a fire poker She will let him win the wager and he will help find her husband s killer before the killer finds her But business agreements don t mean trust and Lisbeth certainly doesn t trust Oliver her body s reaction to him or her heart Love may be the biggest gamble of their lives but is it a wager their hearts can afford to lose

**Scandalous Wager (Observations of a Wallflower #3)** Jane Charles, 2023-11-13 Observations of a Wallflower Journal Entry of December 5 1816 Society can be odd and those within the ton do not always behave as expected For example Lady Violet Claxton spent more time in the gardens admiring flowers plants and bushes than she did inside any ballroom and I left London wondering why she preferred roses over bachelors Though perhaps it s because she s grows bored with tedious conversation as her intelligence is beyond most she s pragmatic and lacks patience when time is wasted Therefore a London Season must be trying indeed for someone such as she Then there was Lord Emory Talbot Viscount Ferrard who behaved exactly as one would imagine of a rake Though he is expected to marry and produce an heir and a spare Ferrard showed no interest in any lady or miss for longer than an evening Further I have it on good authority that he fears any form of commitment which may explain why he s not even kept a mistress or settled on a wife However rumors have recently reached me that he may no longer have the option of waiting The details have not been shared but I m certain they are drastic as I m to understand that he is to attend a house party where Lady Violet is in residence And I have also learned from the most trusted authority that Ferrard never attends house parties I cannot begin to imagine how the two might get on when they do finally meet Will he show interest for no more than a night or will she spend all her time in the gardens avoiding all guests Regardless of any interaction the two may share I m certain nothing will come from their association as I can t think of two less likely candidates to enter into a courtship

Further I have it on good authority that he fears any form of commitment which may explain why he s not even kept a mistress or settled on a wife However rumors have recently reached me that he may no longer have the option of waiting The details have not been shared but I m certain they are drastic as I m to understand that he is to attend a house party where Lady Violet is in residence And I have also learned from the most trusted authority that Ferrard never attends house parties I cannot begin to imagine how the two might get on when they do finally meet Will he show interest for no more than a night or will she spend all her time in the gardens avoiding all guests Regardless of any interaction the two may share I m certain nothing will come from their association as I can t think of two less likely candidates to enter into a courtship **A Hellion**
