Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter

James T. Hamilton

Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter:

Scandals, Scamps, and Scoundrels James Phelan, 1982 The author explains how he worked as an investigative reporter for forty years and tells the stories behind some of his most engrossing cases The Reporter's Handbook Steve Weinberg, 1996 Reporters editors and journalists will find this third edition of The Reporter's Handbook an even more impressive resource than prior editions This essential tool for serious journalists identifies hundreds of documents and human sources in both private and government sectors It provides step by step methods for tracking paper trails people trails and computer trails The book also includes coverage of library research computer assisted reporting case studies anecdotes and IRE contest winning pieces This new edition features chapters on the environment transportation housing financial institutions international investigation utilities and non profit organizations Under the sponsorship of Investigative Reporters and Editors Inc Steven Weinberg has revised and polished this journalism classic into a must have reference guide for the classroom and the newsroom The Evolution of American Investigative Journalism James L. Aucoin, 2007-01-31 Beginning with America's first newspaper investigative reporting has provided journalism with its most significant achievements and challenging controversies Yet it was an ill defined practice until the 1960s when it emerged as a potent voice in newspapers and on television news programs In The Evolution of American Investigative Journalism James L Aucoin provides readers with the first comprehensive history of investigative journalism including a thorough account of the founding and achievements of Investigative Reporters and Editors IRE Aucoin begins by discussing in detail the tradition of investigative journalism from the colonial era through the golden age of muckraking in the 1900s and into the 1960s Subsequent chapters examine the genre's critical period from 1960 to 1975 and the founding of IRE by a group of journalists in the 1970s to promote investigative journalism and training methods Through the organization's efforts investigative journalism has evolved into a distinct practice with defined standards and values Aucoin applies the social moral development theory of Alasdair MacIntyre who has explored the function development and value of social practices to explain how IRE contributed to the evolution of American investigative journalism Also included is a thorough account of IRE's role in the controversial Arizona Project After Arizona Republic reporter Don Bolles a founding member of IRE was murdered while investigating land fraud scores of reporters from around the country descended on the area to continue his work The Arizona Project brought national attention and stature to the fledgling IRE and was integral to its continuing survival Emerging investigative reporters and editors as well as students and scholars of journalism history will benefit from the detailed presentation and insightful discussion provided in this book **A Terrible Mistake** H. P. Albarelli, 2009-07-01 Following nearly a decade of research this account solves the mysterious death of biochemist Frank Olson revealing the identities of his murderers in shocking detail It offers a unique and unprecedented look into the backgrounds of many former CIA FBI and Federal Narcotics Bureau officials including several who actually oversaw the CIA's mind control programs from

the 1950s to the 1970s In retracing these programs a frequently bizarre and always frightening world is introduced colored and dominated by many factors Cold War fears the secret relationship between the nation s drug enforcement agencies and the CIA and the government s close collaboration with the Mafia

The Posner Files Gerald Posner,2018-10-02 Definitive accounts of JFK s and Martin Luther King s assassinations by a Pulitzer Prize finalist and New York Times bestselling author Case Closed A Pulitzer Prize finalist and New York Times bestseller Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F Kennedy Drawing from official sources and dozens of interviews filled with powerful historical detail and including an updated comment for the fiftieth anniversary Posner s utterly convincing book lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured what really happened in Dealey Plaza on November 22 1963 Chicago Tribune By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review Killing the Dream On April 4 1968 Martin Luther King Jr was killed in Memphis Tennessee by a single assassin s bullet James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot An international manhunt ended two months later with Ray s capture Though Ray initially pled guilty he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy In Killing the Dream expert investigative reporter Gerald Posner cuts through phony witnesses false claims and a web of misinformation to put Ray s conspiracy theory to rest and disclose what really happened the day King was murdered A superb book a model of investigation meticulous in its discovery and presentation of evidence unbiased in its exploration of every claim And it is a wonderfully readable book as gripping as a first class detective story The New York Times

Democracy's Detectives James T. Hamilton,2016-10-10 Investigative journalism holds democracies and individuals accountable to the public But important stories are going untold as news outlets shy away from the expense of watchdog reporting Computational journalism using digital records and data mining algorithms promises to lower the cost and increase demand among readers James Hamilton shows

Poisoning the Press Mark Feldstein,2010-09-28 It is March 1972 and the Nixon White House wants Jack Anderson dead The syndicated columnist Jack Anderson the most famous and feared investigative reporter in the nation has exposed yet another of the President s dirty secrets Nixon s operatives are ordered to stop Anderson at all costs permanently Across the street from the White House they huddle in a hotel basement to conspire Should they try Aspirin Roulette and break into Anderson s home to plant a poisoned pill in one of his medicine bottles Could they smear LSD on the journalist s steering wheel so that he would absorb it through his skin lose control of his car and crash Or stage a routine looking mugging making Anderson appear to be one more fatal victim of Washington s notorious street crime Poisoning the Press Richard Nixon Jack Anderson and the Rise of Washington s Scandal Culture recounts not only the disturbing story of an unprecedented White House conspiracy to assassinate a journalist but also the larger tale of the bitter quarter century battle

between the postwar era's most embattled politician and its most reviled newsman. The struggle between Nixon and Anderson included bribery, blackmail, forgery, spying, and burglary, as well as the White House murder plot. Their vendetta symbolized and accelerated the growing conflict between the government and the press, a clash that would long outlive both men. Mark Feldstein traces the arc of this confrontation between a vindictive president and a flamboyant crusading muckraker who rifled through garbage and swiped classified papers in pursuit of his prey, stoking the paranoia in Nixon that would ultimately lead to his ruin. The White House plot to poison Anderson, Feldstein argues, is a metaphor for the poisoned political atmosphere that would follow and the toxic sensationalism that contaminates contemporary media discourse.

Melding history and biography, *Poisoning the Press* unearths significant new information from more than two hundred interviews and thousands of declassified documents and tapes. This is a chronicle of political intrigue and the true price of power for politicians and journalists alike. The result: Washington's modern scandal culture was Richard Nixon's ultimate revenge.

False Witness Patricia Lambert, 2000-09-26 Tells the story of the arrest and trial of Clay Shaw, charged with conspiracy in the assassination of President John F. Kennedy, and of Jim Garrison, the New Orleans District Attorney who manufactured the case against him.

Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK, many of which are large in volume and short on facts. Quite often these works try to reinvent the wheel, attempting to cover every single area of the assassination, as well as many tangential and unessential points, as well. The reader is often left exhausted and confused. The sheer volume of pages, conflicting facts, and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11/22/63. This book seeks to separate the wheat from the chaff. It is 55 years later; it is time for real, honest answers in an easy-to-read and understand format. Proof of a conspiracy: no theories to the point of a perspective on the assassination for the millennial age and beyond. Based on years/decades of primary source research and having read countless books on the subject.

A Cruel and Shocking Act Philip Shenon, 2013-10-29 A groundbreaking, explosive account of the Kennedy assassination that will rewrite the history of the 20th century's most controversial murder investigation. The questions have haunted our nation for half a century: Was the President killed by a single gunman? Was Lee Harvey Oswald part of a conspiracy? Did the Warren Commission discover the whole truth of what happened on November 22, 1963? Philip Shenon, a veteran investigative journalist who spent most of his career at The New York Times, finally provides many of the answers. Though *A Cruel and Shocking Act* began as Shenon's attempt to write the first insider's history of the Warren Commission, it quickly became something much larger and more important when he discovered startling information that was withheld from the Warren Commission by the CIA, FBI, and others in power in Washington. Shenon shows how the commission's ten-month investigation was doomed to fail because the man leading it, Chief Justice Earl Warren, was more committed to protecting the Kennedy family than getting to the full truth about what happened on that tragic day. A taut page

turning narrative Shenon's book features some of the most compelling figures of the twentieth century Bobby Kennedy Jackie Kennedy Lyndon Johnson J Edgar Hoover Chief Justice Warren CIA spymasters Allen Dulles and Richard Helms as well as the CIA's treacherous molehunter James Jesus Angleton Based on hundreds of interviews and unprecedented access to the surviving commission staffers and many other key players Philip Shenon's authoritative scrupulously researched book will forever change the way we think about the Kennedy assassination and about the deeply flawed investigation that followed A Washington Post Notable Nonfiction Book of 2013 [Cruising for Conspirators](#) Alecia P. Long, 2021-09-13 New Orleans district attorney Jim Garrison's decision to arrest Clay Shaw on March 1 1967 set off a chain of events that culminated in the only prosecution undertaken in the assassination of John F Kennedy In the decades since Garrison captured headlines with this high profile legal spectacle historians conspiracy advocates and Hollywood directors alike have fixated on how a New Orleans based assassination conspiracy might have worked Cruising for Conspirators settles the debate for good conclusively showing that the Shaw prosecution was not based in fact but was a product of the criminal justice system's long standing preoccupation with homosexuality Tapping into the public's willingness to take seriously conspiratorial explanations of the Kennedy assassination Garrison drew on the copious files the New Orleans police had accumulated as they surveilled harassed and arrested increasingly large numbers of gay men in the early 1960s He blended unfounded accusations with homophobia to produce a salacious story of a New Orleans based scheme to assassinate JFK that would become a national phenomenon At once a dramatic courtroom narrative and a deeper meditation on the enduring power of homophobia Cruising for Conspirators shows how the same dynamics that promoted Garrison's unjust prosecution continue to inform conspiratorial thinking to this day *The New Encyclopedia of American Scandal* George C. Kohn, 2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption *Reclaiming History* Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling Outrage Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any

reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi's irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense

A Farewell to Justice Joan Mellen, 2005 Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison the only public official to have indicted in 1969 a suspect in President John F Kennedy's murder Garrison began by exposing the contradictions in the Warren Report which concluded that Lee Harvey Oswald was an unstable pro Castro Marxist who acted alone in killing Kennedy A Farewell to Justice reveals that Oswald no Marxist was in fact working with both the FBI and the CIA as well as with U S Customs and that the attempts to sabotage Garrison's investigation reached the highest levels of the U S government Garrison interviewed various individuals involved in the assassination ranging from Clay Shaw and CIA contract employee David Ferrie to a Marine cohort of Oswald named Kerry Thornley who at the very least was a Defense Intelligence Agency asset Garrison's suspects included CIA sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro an anti Castro Cuban asset and a young runner for the conspirators interviewed here for the first time by the author Building upon Garrison's effort Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies roles in both a president's assassination and its cover up set in motion well before the actual events of November 22 1963

JFK Assassination Logic John McAdams, 2011 Untangling the logic behind the JFK conspiracy claims

Real Enemies Kathryn S. Olmsted, 2019-03-20 Many Americans believe that their own government is guilty of shocking crimes Government agents shot the president They faked the moon landing They stood by and allowed the murders of 2 400 servicemen in Hawaii Although paranoia has been a feature of the American scene since the birth of the Republic in Real Enemies Kathryn Olmsted shows that it was only in the twentieth century that strange and unlikely conspiracy theories became central to American politics In particular she posits World War I as a critical turning point and shows that as the federal bureaucracy expanded Americans grew more fearful of the government itself the military the intelligence community and even the President Analyzing the wide spread suspicions surrounding such events as Pearl Harbor the JFK assassination Watergate and 9 11 Olmsted sheds light on why so many Americans believe that their government conspires against them why more people believe these theories over time and how

real conspiracies such as the infamous Northwoods plan have fueled our paranoia about the governments we ourselves elect This 10th Anniversary Edition includes a new epilogue on conspiracy theories and the 2016 election and its aftermath

The Money and the Power Sally Denton,Roger Morris,2002-05-07 Las Vegas the name evokes images of divorce and dice gangsters and glitz But beneath it all is a sordid history that is much more insidious and far reaching than ever imagined The Money and the Power is the most comprehensive look yet at Las Vegas and its breadth of influence Based on five years of intensive research and interviewing Sally Denton and Roger Morris reveal the city s historic network of links to Wall Street international drug traffickers and the CIA In doing so they expose the disturbing connections amongst politicians businessmen and the criminals that harness these illegal activities Through this lucid and gripping indictment of Las Vegas Morris and Denton uncover a national ethic of exploitation violence and greed and provide a provocative reinterpretation of twentieth century American history Now this neon maelstrom of ruthlessness and greed stands to not as an aberrant sin city but as a natural outgrowth of the corruption and worship of money that have come to permeate American life **Campaign of the Century** Irwin F. Gellman,2022-01-04 Based on massive new research a compelling and surprising account of the twentieth century s closest election The 1960 presidential election between John F Kennedy and Richard Nixon is one of the most frequently described political events of the twentieth century yet the accounts to date have been remarkably unbalanced Far more attention is given to Kennedy s side than to Nixon s The imbalance began with the first book on that election Theodore White s The Making of the President 1960 in which as he later admitted White deliberately cast Kennedy as the hero and Nixon as the villain and it has been perpetuated in almost every book since then Few historians have attempted an unbiased account of the election and none have done the archival research that Irwin F Gellman has done Based on previously unused sources such as the FBI s surveillance of JFK and the papers of Leon Jaworski vice presidential candidate Henry Cabot Lodge and many others this book presents the first even handed history of both the primary campaigns and the general election The result is a fresh engaging chronicle that shatters long held myths and reveals the strengths and weaknesses of both candidates Conspiracy Culture Dr Peter Knight,Peter Knight,2013-04-15 Conspiracy theories are everywhere in post war American culture From postmodern novels to The X Files and from gangsta rap to feminist polemic there is a widespread suspicion that sinister forces are conspiring to take control of our national destiny our minds and even our bodies Conspiracy explanations can no longer be dismissed as the paranoid delusions of far right crackpots Indeed they have become a necessary response to a risky and increasingly globalized world in which everything is connected but nothing adds up Peter Knight provides an engaging and cogent analysis of the development of conspiracy culture from 1960s countercultural suspicions about the authorities to the 1990s where a paranoid attitude is both routine and ironic Conspiracy Culture analyses conspiracy narratives about familiar topics like the Kennedy assassination alien abduction body horror AIDS crack cocaine the New World Order as well as more unusual ones like the conspiracies of

patriarchy and white supremacy Conspiracy Culture shows how Americans have come to distrust not only the narratives of the authorities but even the authority of narrative itself to explain What Is Really Going On From the complexities of Thomas Pynchon s novels to the endless mysteries of The X Files Knight argues that contemporary conspiracy culture is marked by an infinite regress of suspicion Trust no one because we have met the enemy and it is us *Secret City* James

Kirchick,2022-05-31 The New York Times Bestseller A New York Times Notable Book of 2022 Named one of Vanity Fair s Best Books of 2022 Not since Robert Caro s Years of Lyndon Johnson have I been so riveted by a work of history *Secret City* is not gay history It is American history George Stephanopoulos Washington D C has always been a city of secrets Few have been more dramatic than the ones revealed in James Kirchick s *Secret City* For decades the specter of homosexuality haunted Washington The mere suggestion that a person might be gay destroyed reputations ended careers and ruined lives At the height of the Cold War fear of homosexuality became intertwined with the growing threat of international communism leading to a purge of gay men and lesbians from the federal government In the fevered atmosphere of political Washington the secret too loathsome to mention held enormous terrifying power Utilizing thousands of pages of declassified documents interviews with over one hundred people and material unearthed from presidential libraries and archives around the country *Secret City* is a chronicle of American politics like no other Beginning with the tragic story of Sumner Welles Franklin Delano Roosevelt s brilliant diplomatic advisor and the man at the center of the greatest national scandal since the existence of the United States James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century Cultural and political anxiety over gay people sparked a decades long witch hunt impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy the struggle for Black civil rights and the rise of the conservative movement Among other revelations Kirchick tells of the World War II era gay spymaster who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual ring controlling Ronald Reagan nearly derailed his 1980 election victory Magisterial in scope and intimate in detail *Secret City* will forever transform our understanding of American history

Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter has opened up a world of possibilities. Downloading Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scandals Scamps And Scoundrels The Casebook Of An

Investigative Reporter has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Scandals Scamps And Scoundrels The Casebook Of An Investigative Reporter Books
