Scandinavia and Bismarck Rasmus Glenthøj, Morten Nordhagen Ottosen, 2024-05-13 This book accounts for Scandinavian unification efforts in a time of great upheaval The ideological repercussions of the European revolutions of 1848 1849 and the Crimean War 1853 1856 transformed both the international political system and nationalism into more realist types The First Schleswig War 1848 1851 having nearly turned into one of Scandinavian unification the influence of Scandinavianism extended into the Danish Swedish and Norwegian courts cabinets and parliaments attracting interest from the great powers The Crimean War offered another window of opportunity for Scandinavian unification before the Danish German conflict over the duchies of Schleswig and Holstein nearly united Scandinavia upon the outbreak of the Second Schleswig War in 1864 The ultimate failure of Scandinavianism in its unification efforts was not predetermined although historiography has made it appear as such Napoleon III Cavour and Bismarck all actively contributed to plans for Scandinavian unification the latter even declaring himself as very strongly Scandinavian

Contesting Nordicness Jani Marjanen,Johan Strang,Mary Hilson,2021-12-20 The terms Nordic and Scandinavian are widely used to refer to the politics society and culture of Denmark Finland Iceland Norway and Sweden But why have people felt the need to frame things as Nordic and why has the adjective Nordic become so prominent This book adopts a rhetorical approach analysing the speech acts which have shaped the meanings of the term What do the different terms Nordic and Scandinavian have in common and how have the uses of these terms changed in different historical periods What accounts for the apparent upsurge in uses of the rhetoric of Nordicness in the 2010s Drawing on eight case studies of the uses of Nordic and Scandinavian from the nineteenth century to the present day the book explores the appeal and the flexibility of the rhetoric of Nordicness in relation to race openness gender equality food crime fiction Nordic co operation and the Nordic model Arguing that Nordic and Scandinavian are flexible and contested concepts that have been used in different often contradictory and inherently political ways the book suggests that the usage of the term has evolved from a means of creating a cultural community to forging political co operation and further to marketing models in politics and popular culture The rhetorical approach also shows how many of the hallmarks of Nordic political culture such as the Nordic model Nordic gender equality or Nordic openness are more recent conceptualisations than usually assumed As such the book argues for the need to turn attention away from analysing the different components of Nordicness into studying how when and for what purpose different features were made Nordic

Life Imprisonment and

Human Rights Dirk van Zyl Smit, Catherine Appleton, 2016-12-01 In many jurisdictions today life imprisonment is the most severe penalty that can be imposed. Despite this it is a relatively under researched form of punishment and no meaningful attempt has been made to understand its full human rights implications. This important collection fills that gap by addressing these two key questions: what is life imprisonment and what human rights are relevant to it. These questions are explored from the perspective of a range of jurisdictions in essays that draw on both empirical and doctrinal research. Under the editorship of two leading scholars in the field this innovative and important work will be a landmark publication in the field of penal studies and human rights.
