Scandinavian Sporting Tour:

The Scandinavian Sporting Tour Pia Sillanpää, 2002 *Tourism and the Consumption of Wildlife* Brent

Lovelock, 2007-10-25 Consumptive forms of wildlife tourism hunting shooting and fishing have become a topic of interest both to the tourism industry in terms of destinations seeking to establish or grow this sector and to other stakeholders such as environmental organisations animal rights groups and the general public Hunting tourism in particular has come under fire with accusations that it is contributing to the demise of some species Practices such as canned hunting within fenced safari parks or the use of hounds are described as unethical and fishing tourism too has attracted recent negative publicity as it is said to be cruel At the same time however many peripheral and indigenous communities around the world are strategising how to capitalise on consumptive forms of wildlife tourism This book addresses a range of contentious issues facing the consumptive wildlife tourism sector across a number of destinations in Europe North America Africa India Arabia and Oceania Practices such as baited bear hunting trophy hunting of threatened species and hunting for conservation are debated along with the impact of this type of tourism on indigenous communities and on wider societies Research on all aspects of consumptive wildlife tourism is included which for the purposes of the book is defined to include all tourism that involves the intended killing of wildlife for sport purposes and may include the harvest of wildlife products This includes among others recreational hunting big game hunting and safari operations traditional indigenous hunting game bird shooting hunting with hounds freshwater angling and saltwater game fishing etc This is the first book to specifically address tourist aspects of consumption of wildlife It will appeal to tourism and recreation academics and students tourism industry operators community tourism planners and wildlife managers **Gamle Norge and Nineteenth-Century British Women**

Travellers in Norway Kathryn Walchester, 2014-12-01 *Gamle Norge and Nineteenth Century British Women Travellers in Norway* presents an account of the development of tourism in nineteenth century Norway and considers the ways in which women travellers depicted their travels to the region Tracing the motivations of various groups of women travellers such as sportswomen tourists and aristocrats this book argues that in their writing Norway forms a counterpoint to Victorian Britain a place of freedom and possibility *Nordic Elite Sport* Svein S. Andersen, Lars Tore Ronglan, 2012 This book provides an insightful overview over similarities and differences in the structures and methods applied in Nordic elite sport It represents a milestone in understanding how these countries have dealt with the challenges of modern elite sport within a historical context Despite initial similarities with respect to the structure and role of the sports movement there are significant differences between the countries The book represents a substantial contribution to the understanding of how the elite sports systems have developed within the broader sports movements and how they are positioned to deal with today's challenges under the watchful eye of the broader society *The European Model of Sport* Borja García, Vanja Smokvina, 2025-06-30 This is the first book to present a critical analysis of the concept of the European Model of Sport EMS The EMS concept is

widely used by policymakers at the national and EU levels and by some sports organisations yet it has never been comprehensively defined in official documents This book asks whether the EMS is real or imagined evaluates its significance in a rapidly evolving European context and for world sport more broadly and compares it against other models of sport in different regions of the world The first section of the book is a multi disciplinary analysis of the EMS putting the EMS in historical context and examining the concept from political economic socio cultural and legal perspectives The second section of this book looks at different models of sport within Europe including Germany the UK Scandinavia and South East Europe and how they intersect with EU policy The final section of this book looks at models of sport in North America Latin America China Africa and the Arab World highlighting key differences and similarities in order to illuminate our understanding of sport governance policy and management around the world Throughout this book includes consideration of grassroots sport going beyond traditional analyses that have focused primarily on professional sport In an era in which sport represents a dynamic arena for competition between corporations NGOs international organisations and nation states this book is an essential reference for anybody with an interest in sport policy sport governance sport management sport law EU policy and law the history of European integration or the relationship between sport and wider society

The Nordic World: Sport in Society Henrik Meinander, 2013-11-05 This volume is a significant contribution to the study of contemporary European culture It explores the political social and aesthetic impact of modern sport on the Northern European Nordic communities Its concern is the relationship between Nordic culture Nordic nations changing Nordic attitudes to time space and the body and the related evolution of specific Nordic visions and traditions of sport as an integral component of cultural similarity and synthesis

Sport Governance Ian O'Boyle, Trish Bradbury, 2013-07-24 Governance has become a hugely important issue within sport Issues of corruption and bad governance have become synonymous with some aspects of sport and closer scrutiny than ever before is being applied to ensure organisations are following international best practice in respect to how they are governed As sport organisations are required to become more professional and to adopt a more transparent and accountable approach to their operations it has become important for all students researchers and professionals working in sport to understand what good governance is and how it should be achieved This book is the first to examine sport governance around the world It offers a series of in depth case studies of governance policy and practice in 15 countries and regions including the US UK China Australia Canada South Africa Latin America and the Middle East as well as chapters covering governance by and of global sport organisations and international sport federations With an introduction outlining the key contemporary themes in the study of sport governance and a conclusion pointing at future directions for research and practice this book is essential reading for any course on sport management sport policy sport development sport administration or sport organisations and for any manager or policy maker working in sport and looking to improve their professional practice
