John Charles Hawley

Scarlet Professor Newton Arvin A Literary Life Shattered By Scandal:

The Scarlet Professor Barry Werth, 2002-03-05 During his thirty seven years at Smith College Newton Arvin published groundbreaking studies of Hawthorne Whitman Melville and Longfellow that stand today as models of scholarship and psychological acuity He cultivated friendships with the likes of Edmund Wilson and Lillian Hellman and became mentor to Truman Capote A social radical and closeted homosexual the circumspet Arvin nevertheless survived McCarthyism But in September 1960 his apartment was raided and his cache of beefcake erotica was confiscated plunging him into confusion and despair and provoking his panicked betrayal of several friends An utterly absorbing chronicle *The Scarlet Professor* deftly captures the essence of a conflicted man and offers a provocative and unsettling look at American moral fanaticism

Love's Next Meeting Aaron Lecklider, 2023-05-02 How queerness and radical politics intersected earlier than you thought Well before Stonewall a broad cross section of sexual dissidents took advantage of their space on the margins of American society to throw themselves into leftist campaigns Sensitive already to sexual marginalization they also saw how class inequality was exacerbated by the Great Depression witnessing the terrible bread lines and bread riots of the era They participated in radical labor organizing sympathized like many with the early prewar Soviet Union contributed to the Republicans in the Spanish Civil War opposed US police and state harassment fought racial discrimination and aligned themselves with the dispossessed Whether they were themselves straight gay or otherwise queer they brought sexual dissidence and radicalism into conversation at the height of the Left s influence on American culture Combining rich archival research with inventive analysis of art and literature *Love s Next Meeting* explores the relationship between homosexuality and the Left in American culture between 1920 and 1960 Aaron S Lecklider uncovers a lively cast of individuals and dynamic expressive works revealing remarkably progressive engagement with homosexuality among radicals workers and the poor Leftists connected sexual dissidence with radical gender politics antiracism and challenges to censorship and obscenity laws through the 1920s and 1930s In the process a wide array of activists organizers artists and writers laid the foundation for a radical movement through which homosexual lives and experiences were given shape and new political identities were forged *Love s Next Meeting* cuts to the heart of some of the biggest questions in American history questions about socialism about sexuality about the supposed clash still making headlines today between leftist politics and identity politics What emerges is a dramatic sexually vibrant story of the shared struggles for liberation across the twentieth century **The**

Scarlet Professor Barry Werth, 2010-09-29 During his thirty seven years at Smith College Newton Arvin published groundbreaking studies of Hawthorne Whitman Melville and Longfellow that stand today as models of scholarship and psychological acuity He cultivated friendships with the likes of Edmund Wilson and Lillian Hellman and became mentor to Truman Capote A social radical and closeted homosexual the circumspet Arvin nevertheless survived McCarthyism But in September 1960 his apartment was raided and his cache of beefcake erotica was confiscated plunging him into confusion and

despair and provoking his panicked betrayal of several friends An utterly absorbing chronicle The Scarlet Professor deftly captures the essence of a conflicted man and offers a provocative and unsettling look at American moral fanaticism **Gay Life Stories** Robert Aldrich,2023-03-02 This book gives a voice to more than eighty people from every major continent and from all walks of life It includes poets and philosophers rulers and spies activists and artists Alongside such celebrated figures as Michelangelo Frederick the Great and Harvey Milk are lesser known but no less surprising individuals Dong Xian and the Chinese emperor Ai whose passion flourished in the 1st century BC the unfortunate Robert De P ronne first to be burned at the stake for sodomy Katharine Philips writing proto lesbian poetry in seventeenth century England and Aimee and Jaguar whose love defied the death camps of wartime Germany With many striking illustrations Gay Life Stories will entertain give pause for thought and ultimately celebrate the diversity of human history Dive Deeper George Cotkin,2012-08-01 Herman Melville s epic tale of obsession has all the ingredients of a first rate drama fascinating characters in solitude and society battles between good and evil a thrilling chase to the death and yet its allusions digressions and sheer scope can prove daunting to even the most intrepid reader George Cotkin s Dive Deeper provides both a guide to the novel and a record of its dazzling cultural train It supplies easy to follow plot points for each of the novel s 135 sections before taking up a salient phrase image or idea in each for further exploration Through these forays Cotkin traces the astonishing reach of the novel sighting the White Whale in mainstream and obscure subcultures alike from impressionist painting circles to political terrorist cells In a lively and engaging style Dive Deeper immerses us into the depths of Melville s influence on the literature film and art of our modern world Cotkin s playful wit and critical precision stretch from Camus to Led Zeppelin from Emerson to Bob Dylan and bring to life the terrors and wonders of what is arguably America s greatest novel **The Europa Directory of Literary Awards and Prizes** Europa,2015 *LGBTQ America Today* John Charles Hawley,2008-11-30 Lesbian gay bisexual transgender and queer culture is a vibrant and rapidly evolving segment of the American mosaic This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America Included are more than 600 alphabetically arranged entries on literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual issues and numerous other topics Entries are written by distinguished authorities and cite works for further reading and the encyclopedia closes with a selected general bibliography Students in social studies history and literature classes will welcome this book s illumination of American cultural diversity LGBTQ Americans have endured many struggles and during the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise of numerous expert contributors this book gives students and general readers a current overview of contemporary LGBTQ American culture Sweeping in scope the encyclopedia looks at literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual practices and various other areas Entries cite

works for further reading and the encyclopedia closes with a selected general bibliography While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works **Cross of Snow** Nicholas A.

Basbanes,2020-06-02 A major literary biography of America s best loved nineteenth century poet the first in more than fifty years and a much needed reassessment for the twenty first century of a writer whose stature and celebrity were unparalleled in his time whose work helped to explain America s new world not only to Americans but to Europe and beyond From the author of On Paper Buoyant The New Yorker Essential Publishers Weekly Patience and Fortitude A wonderful hymn Simon Winchester and A Gentle Madness A jewel David McCullough In Cross of Snow the result of more than twelve years of research including access to never before examined letters diaries journals notes Nicholas Basbanes reveals the life the times the work the soul of the man who shaped the literature of a new nation with his countless poems sonnets stories essays translations and whose renown was so wide reaching that his deep friendships included Charles Dickens Nathaniel Hawthorne Ralph Waldo Emerson Julia Ward Howe and Oscar Wilde Basbanes writes of the shaping of Longfellow s character his huge body of work that included translations of numerous foreign works among them the first rendering into a complete edition by an American of Dante s Divine Comedy We see Longfellow s two marriages both happy and contented each cut short by tragedy His first to Mary Storer Potter that ended in the aftermath of a miscarriage leaving Longfellow devastated His second marriage to the brilliant Boston socialite Fanny Appleton after a three year pursuit by Longfellow his fiery crucible he called it and his emergence as a literary force and a man of letters A portrait of a bold artist experimenter of poetic form and an innovative translator the human being that he was the times in which he lived the people whose lives he touched his monumental work and its place in his America and ours Men Beyond Desire David Greven,2025-01-10 This

book explores the construction of male sexuality in nineteenth century American literature and overturns longstanding views Far from desiring heterosexual sex and wishing to bond with other men through fraternity the male protagonists of classic American literature mainly want to be left alone Greven makes the claim that American men eschewing both marriage and male friendship strive to remain emotionally and sexually inviolate Examining the work of traditional authors Hawthorne Poe Melville Cooper Irving Stowe Greven discovers consistently resistant portrayals of male characters who defend their individuality through a lockdown on sexuality Objects of desire from both women and other men the inviolate males discussed in this study disrupt established gendered and sexual categories inspiring fresh analysis of the era and its literary depiction of American manhood This second edition of Men Beyond Desire 2005 expands the analysis of male sexuality to include discussions of developments in the field of masculinity studies It includes a new introduction that introduces the

complementary figure of the victim monster and revisits the work of Leslie Fiedler and a new chapter that focuses on Melville's tale *Bartleby the Scrivener* 1856 Chapter 4 expands the analysis of the intersections among free love health reform and male sexuality in *The Blithedale Romance* 1852 and chapter 9 expands the discussion of Billy Budd Sailor to address questions of race and the role of the Handsome Sailor **Robert Cantwell and the Literary Left** T. V. Reed, 2014-06-01 Robert Cantwell and the Literary Left is the first full critical study of novelist and critic Robert Cantwell a Northwest born writer with a strong sense of social justice who found himself at the center of the radical literary and cultural politics of 1930s New York Regarded by F Scott Fitzgerald and Ernest Hemingway as one of the finest young fiction writers to emerge from this era Cantwell is best known for his superb novel *The Land of Plenty* set in western Washington His literary legacy however was largely lost during the Red Scare of the McCarthy era when he retreated to conservatism Through meticulous research an engaging writing style and a deep commitment to the history of American social movements T V Reed uncovers the story of a writer who brought his Pacific Northwest brand of justice to bear on the project of reworking American literature to include ordinary working people in its narratives In tracing the flourishing of the American literary Left as it unfolded in New York Reed reveals a rich progressive culture that can inform our own time **The Practices of Hope** Christopher Castiglia, 2017-09-26 Introduction practices of hope and tales of disenchantment Nation I like America Liberalism Richard Chase's liberal allegories Humanism the cant of pessimism and Newton Arvin's queer humanism Symbolism the queerness of symbols **UP FROM CHESTER** Allan Brick, 2009-02-09 The immediate post World War II convergence at Haverford College of pacifist Quakers and returning veterans led the writer to become a conscientious objector and anti war activist In 1965 he was deeply affected by the self immolation at the Pentagon of Norman Morrison his friend and fellow member of Stony Run Friends Meeting in Baltimore He recounts how that event heralded the bitter atmosphere of the years that followed as opponents of the Vietnam War were driven into increasingly radical beliefs and behaviors Returning to college teaching in 1972 he has sought to illuminate the relationships between literature and opposition to injustice and war **Proud Heritage** Chuck Stewart, 2014-12-16 This groundbreaking three volume reference traces the roots and development of lesbian gay bisexual and transgender LGBT rights and issues in the United States from the pre colonial period to the present day With the social religious and political stigmas attached to alternative lifestyles throughout history most homosexuals bisexuals and transgender people lived covertly for much of if not all of their lives Likewise the narrative of our country excludes the contributions struggles and historical achievements of this group This revealing chronologically arranged reference work uncovers the rich story of the LGBT community in the United States and discusses the politics culture and issues affecting it since the early 17th century Author Chuck Stewart traces the evolution of LGBT issues as part of our nation's shared cultural past and modern day experience Volume 1 focuses on the origins of the movement with the founding of Jamestown in 1607 through the 1970s and the beginning of gay rights activism in the United

States Volume 2 spans the 1980s and the AIDs pandemic through the present day issues of marriage equality Volume 3 gives a concise review of this society in each of the 50 states the District of Columbia and Puerto Rico

The Crimson Letter Douglass Shand-Tucci,2004-06-01 In a book deeply impressive in its reach while also deeply embedded in its storied setting bestselling historian Douglass Shand Tucci explores the nature and expression of sexual identity at America s oldest university during the years of its greatest influence The Crimson Letter follows the gay experience at Harvard in the nineteenth and twentieth centuries focusing upon students faculty alumni and hangers on who struggled to find their place within the confines of Harvard Yard and in the society outside Walt Whitman and Oscar Wilde were the two dominant archetypes for gay undergraduates of the later nineteenth century One was the robust praise singer of American democracy embraced at the start of his career by Ralph Waldo Emerson the other was the Oxbridge aesthete whose visit to Harvard in 1882 became part of the university s legend and lore and whose eventual martyrdom was a cautionary tale Shand Tucci explores the dramatic and creative oppositions and tensions between the Whitmanic and the Wildean the warrior poet and the salon dazzler and demonstrates how they framed the gay experience at Harvard and in the country as a whole The core of this book however is a portrait of a great university and its community struggling with the full implications of free inquiry Harvard took very seriously its mission to shape the minds and bodies of its charges who came from and were expected to perpetuate the nation s elite yet struggled with the open expression of their sexual identities which it alternately accepted and anathematized Harvard believed it could live up to the Oxbridge model offering a sanctuary worthy of the classical Greek ideals of male association yet somehow remain true to its legacy of respectable austerity and Puritan self denial The Crimson Letter therefore tells stories of great unhappiness and manacled minds as well as stories of triumphant activism and fulfilled promise Shand Tucci brilliantly exposes the secrecy and codes that attended the gay experience showing how their effects could simultaneously thwart and spark creativity He explores in particular the question of gay sensibility and its effect upon everything from symphonic music to football set design to statecraft poetic theory to skyscrapers The Crimson Letter combines the learned and the lurid tragedy and farce scandal and vindication and figures of world renown as well as those whose influence extended little farther than Harvard Square Here is an engrossing account of a university transforming and transformed by those passing through its gates and of their enduring impact upon American culture

Longfellow Charles C. Calhoun,2005-06-15 In the first biography of Longfellow in almost fifty years Charles C Calhoun seeks to solve a mystery Why has one of America s most famous writers fallen into oblivion His answer to this question takes us through a life story that reads like a Victorian family saga and reveals the man who introduced Americans to the literatures of other countries while creating a gallery of American icons among them Paul Revere John and Priscilla Alden Miles Standish the Village Blacksmith Hiawatha and Evangeline

Gay Lives Robert Aldrich,2023-05-16 A fascinating portrait of LGBTQ figures throughout time whose lives have influenced society at large as well as today s varied LGBTQ culture Gay Lives gives a voice

to more than eighty people from all over the world and from all walks of life. It is a fascinating portrait of LGBTQ people throughout time whose lives have influenced society at large as well as today's varied LGBTQ culture. It includes poets and philosophers, rulers and spies, activists and artists. Alongside such celebrated figures as Michelangelo, Frederick the Great, and Harvey Milk are lesser-known but no less surprising individuals. Dong Xian and the Chinese emperor Ai, whose passion flourished in the first century BCE, the unfortunate Robert De Pironne, burned at the stake for sodomy, Katharine Philips, writing protolesbian poetry in seventeenth-century England, and Aimee and Jaguar, whose love defied the death camps of wartime Germany. Often colorful, sometimes tragic, but all in some way extraordinary, these life stories reflect and have helped shape contemporary attitudes toward same-sex intimacy. *Gay Lives* will entertain, give pause for thought, and celebrate the diversity of human history.

A Union Like Ours Scott Bane, 2023-06-29 An example of how two men could precariously and passionately live together and love each other in the America of the 1930s and 1940s. Colm T. Ibban, *New York Times* bestselling author of *The Magician*. After a chance meeting aboard the ocean liner *Paris* in 1924, Harvard University scholar and activist F. O. Matthiessen and artist Russell Cheney fell in love and remained inseparable until Cheney's death in 1945. During the intervening years, the men traveled throughout Europe and the United States, achieving great professional success while contending with serious personal challenges, including addiction, chronic disease, and severe depression. Situating the couple's private correspondence alongside other sources, Scott Bane tells the remarkable story of their relationship in the context of shifting social dynamics in the United States. From the vantage point of the present day, with marriage equality enacted into law, Bane provides a window into the realities faced by same-sex couples in the early twentieth century as they maintained relationships in the face of overt discrimination and the absence of legal protections. A nuanced exploration of a marriage, one characterized by great joy but also buffeted by tremendous conflict, societal, financial, and health-related. R. Tripp Evans, author of *Grant Wood: A Life*. A smart, sensitive study of a gay couple, extremely readable. *Gay Lesbian Review*. An arresting account of how a same-sex relationship endured. *Library Journal*.

Dirty Jokes and Bawdy Songs Susan Davis, 2019-10-15 Collector of sexual folklore, cataloger of erotica, tireless social critic, Gershon Legman's singular, disreputable resume made him a counter-cultural touchstone during his forty-year exile in France. Despite his obscurity today, Legman's prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden. Susan G. Davis follows the life and times of the figure driven to share what he found in civilization's secret libraries. Self-taught and fiercely unaffiliated, Legman collected the risqué on street corners and in theaters and dug it out of little-known archives. If the sexual humor he uncovered often used laughter to disguise hostility and fear, he still believed it indispensable to the human experience. Davis reveals Legman in all his prickly, provocative complexity as an outrageous nonconformist, thundering at a wrong-headed world while reveling in conflict, violating laws and boundaries with equal abandon, and pursuing love and improbable adventures. Through it all, he maintained a kaleidoscopic network of friends, fellow intellectuals,

celebrity admirers and like minded obsessives A Great Unrecorded History Wendy Moffat,2010-05-11 A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR AND HOW IT SHAPED HIS MOST BE LOVED WORKS With the posthumous publication of his long suppressed novel Maurice in 1970 E M Forster came out as a homosexual though that revelation made barely a ripple in his literary reputation As Wendy Moffat persuasively argues in A Great Unrecorded History Forster s homosexuality was the central fact of his life Between Wilde s imprisonment and the Stonewall riots Forster led a long strange and imaginative life as a gay man He preserved a vast archive of his private life a history of gay experience he believed would find its audience in a happier time A Great Unrecorded History is a biography of the heart Moffat s decade of detective work including first time interviews with Forster s friends has resulted in the first book to integrate Forster s public and private lives Seeing his life through the lens of his sexuality offers us a radically new view revealing his astuteness as a social critic his political bravery and his prophetic vision of gay intimacy A Great Unrecorded History invites us to see Forster and modern gay history from a completely new angle *E. M. Forster* Wendy Moffat,2010-06-07 Based on exclusive access to E M Forster s previously restricted diaries this scrupulously researched and sensitively written biography is the first to put the fact that he was homosexual back at the heart of his story

Reviewing **Scarlet Professor Newton Arvin A Literary Life Shattered By Scandal**: Unlocking the Spellbinding Force of Linguistics
