The Scarlet Cord Lindsay Hardin Freeman, Karen N. Canton, 2016-10-25 The Scarlet Cord Conversations With God's Chosen Women tells the story of biblical women in a new way drawing the reader further down her spiritual path and closer to Christ And here is why for too long women in the Bible have been demonized sanctified or simply misunderstood leaving highly stereotyped figures in their wake As a result passionate faithful and bright individuals from Eve to Ruth to Mary Magdalene have lost meaning for many contemporary Christians and non Christians alike Here through storytelling and artwork twelve compelling women of the Bible invite readers to step further into the sacred circle of God's people deepening their faith and joy in all of creation That circle offers more than peace It offers health healing and the knowledge that other women have also trod broken and jagged paths in their search for wholeness By taking this step the reader will discover that challenges experienced by biblical women are not so different from her own including infertility warfare hunger old age grief and sexual conflict      **Uniform Regulations, United States Marine Corps, 1922** United States.
