*Home Scenes, Or, Lights and Shadows of the Christian Home*, 1864      The Transfiguration of Christ Patrick Schreiner, 2024-02-27 Christianity Today 2025 Award of Merit Biblical Studies Makes welcome strides in recentring the glory revealed in Jesus's transfiguration Christianity Today All three Synoptic Gospels tell the story of Jesus's transfiguration Yet there has been surprisingly little written about this key event and many readers struggle to understand its significance and place in redemptive history let alone how it might be applied Here Patrick Schreiner provides a clear and accessible study of the transfiguration with an eye toward its theological significance and practical application Namely this event points to Jesus's double sonship revealing the preexistent glory of the eternal Son and the future glory of the suffering Messianic Son Further the transfiguration points to Christians own formation and transfiguration Schreiner traces the transfiguration theme through Scripture and employs hermeneutical trinitarian and christological categories to assist his exegesis thus challenging modern readings This enlightening study will be of interest to students pastors and serious lay readers      **The Christian's Friend and Instructor** T. Drummond, 1841      **Olivier Messiaen's Opera, Saint François d'Assise** Vincent Perez Benitez, 2019-07-25 In this comprehensive study of Olivier Messiaen's magnum opus Saint François d'Assise Vincent Perez Benitez examines the opera from both theological and musical analytical perspectives to ask how Messiaen expresses his Catholic theology through his work Benitez combines a close reading of the opera score with accounts from Messiaen's associates studies of Messiaen's birdsong notebooks and other primary documents and an examination of the religious musical poetic and visual arts literature with which the composer was familiar to explore how the opera's harmonic language and sound color relationships motivate its musical

meaning and expression Through his analysis of these diverse sources and comparisons of Saint Francis d'Assisi with other works such as Berg's *Wozzeck* and Wagner's *Parsifal* Benitez places Messiaen's compositional practice within larger musical perspectives and historical contexts

Civilizations rise and they fall often by their own hand Ours is no different And this is how it happened Synopsis Just outside a small town in America's heartland a young Iowan farm boy Josh Peterson finds his life turned upside down by an odd series of reoccurring dreams Suddenly caught in a violent assault Josh watches as two mysterious figures from these dreams abruptly appear to intervene in his behalf In one inexplicable moment these men somehow suspend reality and in the process rescue him from certain death In the years that follow Josh struggles to understand what happened that day and the meaning of the dreams that somehow come to shape his life In time he finds these images connect him to a people who once lived centuries earlier and who were themselves rescued

by these same men While he wrestles with this a cascading chain of global events begins to unfold around him paralleling the tragedies he s witnessed in his dreams Created by the arrogance of man this crisis quickly begins to unravel the fabric of civilization tracing out the now familiar pattern of Rise and Fall even as an unseen force lingers at the edge of perception drawing Josh through an event anticipated eons in advance This as civilization itself teeters on the lip of an abyss Steve Lee
