Scholarly Look At The Diary Of Anne Frank

Harold Bloom

Scholarly Look At The Diary Of Anne Frank:

A Scholarly Look at The Diary of Anne Frank Harold Bloom, 1999 Collects current criticism on Anne Frank's *The Diary of a Young Girl* by such scholars as Bruno Bettelheim Sylvia Patterson Iskander Yasmine Ergas and Lawrence L Langer

Anne Frank's *The Diary of Anne Frank* Harold Bloom, 2010 Collection of critical essays about issues related to Anne Frank's diary ***The Diary of a Young Girl*** Anne Frank, 2010-10-19 One of the most moving and eloquent accounts of the Holocaust read by tens of millions of people around the world since its publication in 1947 *The Diary of a Young Girl* is the record of two years in the life of a remarkable Jewish girl whose triumphant humanity in the face of unfathomable deprivation and fear has made the book one of the most enduring documents of our time The Everyman's hardcover edition reprints the Definitive Edition authorized by the Frank estate plus a new introduction a bibliography and a chronology of Anne Frank's life and times **Anne Frank** Hyman Aaron Enzer, Sandra Solotaroff-Enzer, 2000 A concise readable volume of the articles and memoirs most relevant for understanding the life death and legacy of Anne Frank *Representations of Anne Frank in American Literature* Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's *Diary* in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics *Mediation, Remediation, and the Dynamics of Cultural Memory* Astrid Erll, Ann Rigney, 2009-07-14 This collection of essays brings together two major new developments in cultural memory studies firstly the shift away from static models of cultural memory where the emphasis lies on cultural products in the direction of more dynamic models where the emphasis lies instead on the cultural and social processes involved in the ongoing production of shared views of the past and secondly the growing interest in the role of the media and their role beyond that of mere storage within these dynamics The specific concern of this collection is linking the use of media to the larger socio cultural processes involved in collective memory

making The focus rests in particular on two aspects of media use the basic dynamics of mediation and remediation The key questions are What role do media play in the production and circulation of cultural memories How do mediation remediation and intermediality shape objects and acts of cultural remembrance How can new emergent media redefine or transform what is collectively remembered The essays of this collection focus on social historical religious and artistic media memories The authors analyze the memory making impact of news media the mediation and remediation of lieux de m moire the medial representation of colonial and postcolonial of Holocaust and Second World War memories and finally the problematization of these very processes in artistic media forms such as novels and movies **Anne Frank on the Postwar Dutch Stage**

Remco Ensel, 2021-09-28 This book is a case study into the affective history of Holocaust drama offering a new perspective on the impact of The Diary of Anne Frank the pivotal 1950s play that was a turning point in Holocaust consciousness Despite its overwhelming success criticism of the Broadway makeover has been harsh suggesting that the alleged Americanization would not do justice to the violence of the Holocaust or Anne Frank s budding Jewishness This study revisits these issues by focusing on the play s European appropriation delving into the emotional intensity with which the play was produced and received The core of the exploration is a history of the Dutch staging in ethnographic detail based on unique archival material such as correspondence with Otto Frank prompt books original tapes blueprints of the set and oral history The microhistory of the first Dutch performance of the stage adaptation of Anne Frank s diary examines the staging in the context of the postwar hesitant development of publicly voiced Holocaust consciousness Influenced by memory studies and affect theory the emphasis is on the emotional impact of the drama on both the members of the cast and the audience and will be of great interest to students and scholars in theater and performance studies memory studies cultural history Jewish studies Holocaust studies and contemporary European history *Holocaust Mothers and Daughters* Federica K.

Clementi, 2013-12-03 In this brave and original work Federica Clementi focuses on the mother daughter bond as depicted in six works by women who experienced the Holocaust sometimes with their mothers sometimes not The daughters memoirs which record the all too human qualities of those who were persecuted and murdered by the Nazis show that the Holocaust cannot be used to neatly segregate lives into the categories of before and after Clementi s discussions of differences in social status along with the persistence of antisemitism and patriarchal structures support this point strongly demonstrating the tenacity of trauma individual familial and collective among Jews in twentieth century Europe Historical Dictionary of the Holocaust Jack R. Fischel, 2020-03-26 Beginning with the roots of anti Semitism in early Christian Europe this book traces the evolution of the Jewish stereotype as the evil other which culminated in Adolf Hitler s war against the Jews wherein he sought to eliminate through mass murder every Jewish man woman and child It includes most recent scholarship on the Holocaust which reflects the recent rise of Neo Nazism anti Semitism and xenophobia throughout the West including the United States This third edition of Historical Dictionary of the Holocaust contains a chronology an introduction and an

extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities issues and events that led to the murder of six million Jews and millions of other groups by Nazi Germany This book is an excellent resource for students researchers and anyone wanting to know more about the Holocaust

The Ethics and Religious Philosophy of Etty Hillesum Klaas A.D. Smelik, Meins G.S. Coetsier, Jurjen Wiersma, 2017-02-06 The Ethics and Religious Philosophy of Etty Hillesum contains the proceedings of the second international Etty Hillesum Congress at Ghent University in January 2014 and is a joint effort by fifteen Hillesum experts to shed new light on the life works and vision of the Dutch Jewish writer Etty Hillesum 1914 1943 one of the victims of the Nazi regime Hillesum s diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of the Holocaust This volume revives Hillesum research with a comprehensive rereading of her texts With the current rise of interest in peace studies Judaism the Holocaust inter religious dialogue gender studies and mysticism it is evident that this book will be invaluable to students and scholars in various disciplines

The Future of Religious Heritage Ferdinand de Jong, José Mapril, 2023-03-28 The Future of Religious Heritage examines the resurgence of religious heritage in a secular age and frames such heritage as both legacy from the past and promise for the future Drawing on case studies from across Europe this volume addresses the intersection of three well defined areas of research secularism religious heritage and the question of renewal Considering the heritagisation of religion and the sacralisation of heritage contributions to the book consider to what extent the idea of renewal so pivotal to religious and secular ontologies is present in heritage formations Thinking about the temporalities of re enactment and reconstruction this volume examines whether heritage practices incorporate religious time into secular practice Problematising such temporalities of the sacred in our post secular age the volume explores how these intersections of religious and secular time in heritage practices inform constructions of the future The Future of Religious Heritage addresses the paradox of the secularisation of religion and the sacralisation of heritage in a post secular age It will appeal to academics and students with an interest in critical heritage studies religion and post secularism and will also be of interest to those studying re enactment regeneration and renewal

The Grapes of Wrath - John Steinbeck, Updated Edition Harold Bloom, 2009 Presents a collection of critical essays on Steinbeck s The Grapes of Wrath arranged in chronological order of publication

Spirituality in the Writings of Etty Hillesum Klaas Smelik, Ria van den Brandt, Meins G. S. Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914 1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum s diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives

Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines

You Shall Tell Your Children Liora Gubkin, 2007-11-05 Passover is among the most widely observed holidays for American Jews During this festival of redemption Jewish families retell the biblical story of Exodus using a ritual book known as a haggadah often weaving modern tales of oppression through the biblical narrative References to the Holocaust are some of the most common additions to contemporary haggadot However the parallel between ancient and modern oppression which seems obvious to some raises troubling questions for many others Is it possible to find any redemptive meaning in the Nazi genocide Are we adding value to this unforgivable moment in history Liora Gubkin critiques commemorations that violate memory by erasing the value of everyday life that was lost and collapse the diversity of responses both during the Shoah and afterward She recounts oral testimonies from Holocaust survivors cites references to the holiday in popular American culture and analyzes examples of actual haggadot Ultimately Gubkin concludes that it is possible and important to make a space for Holocaust commemoration all the time recognizing that haggadot must be constantly revisited and performed

My Mother's Voice Adrienne Kertzer, 2001-12-11 Named Honor Book of the Year by the Children's Literature Association Winner 2003 Canadian Jewish Book Award for scholarship on a Jewish subject Finalist 2003 Alberta Book Awards Scholarly Book of the Year How do children's books represent the Holocaust How do such books negotiate the tension between the desire to protect children and the commitment to tell children the truth about the world If Holocaust representations in children's books respect the narrative conventions of hope and happy endings how do they differ if at all from popular representations intended for adult audiences And where does innocence lie if the children's fable of Roberto Benigni's *Life is Beautiful* is marketed for adults and far more troubling survivor memoirs such as Anita Lobel's *No Pretty Pictures* *A Child of War* are marketed for children How should Holocaust Studies integrate discourse about children's literature into its discussions In approaching these and other questions Kertzer uses the lens of children's literature to problematize the ways in which various adult discourses represent the Holocaust and continually challenges the conventional belief that children's literature is the place for easy answers and optimistic lessons

Emerson's Essays Harold Bloom, 2006 Ralph Waldo Emerson 1803-1882 was the most influential American writer of the nineteenth century Poets such as Walt Whitman Emily Dickinson Robert Frost and Wallace Stevens descend from Emerson as do thinkers such as John Dewey and William James This volume of critical interpretations focuses on Emerson's *Essays First Series* 1841 and *Essays Second Series* 1844 which encompass some of his most important works *History Self Reliance Circles The Poet and Experience* among others These essays exemplify Emerson's distinctively rich prose and his radical affirmation of the strength of the individual The analyses and appreciations collected here place Emerson's essays in the context of literary and

intellectual history grapple with the implications of his epigrams and tropes and link his shifts of perspective and tone to the changes in Emerson's life. Together they illuminate the complexity and scope of the seminal works of America's most influential writer and thinker. Book jacket

Etty Hillesum and the Flow of Presence Meins G. S. Coetsier, 2008. Although she died cruelly at Auschwitz at the age of twenty-nine, Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries. Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances. Her life was as much shaped by Hitler's regime as was that of philosopher Eric Voegelin, and as Meins Coetsier reveals, her thought lends itself to interpretation from a uniquely Voegelinian perspective. *Etty Hillesum and the Flow of Presence* analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness, especially his philosophy of luminous participation in the transcendent ground of being. Through a careful reading of her letters and diaries, Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey, making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth. Intertwining the lives, works, and visions of these two mystical thinkers, Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials. He shows how mystical attunement to the flow of presence, Voegelin's designation for human responsiveness to the divine, is the key to the development of Hillesum's life and writings. He displays a special affinity for the suffering and grace-filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well-being and maintenance of the human spirit. Retrieving one of the lesser-known but most compelling figures of the Holocaust, *Etty Hillesum and the Flow of Presence* is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers' strong valuation of the human person. It presents Hillesum's life and work in an original and provocative context, shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought.

The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09. In *The Existential Philosophy of Etty Hillesum*, Meins G. S. Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber, Emmanuel Levinas, and Dietrich Bonhoeffer. Hillesum's diaries and letters, written between 1941 and 1943, illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah. By finding God under the rubble of the horrors, she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion. In a fascinating, accessible, and thorough study, Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings. The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom.
