Women in Mass Communication Pamela J. Creedon, Judith Cramer, 2007 The effect of feminism on the field of mass communication is more important now than ever With a particular emphasis on race culture and ethnicity leading scholars in the field provide compelling analyses of the ways in which feminist theory and feminist perspectives affect mass communication **Debates for the Digital Age** Danielle Sarver Coombs, Simon Collister, 2015-11-23 By evaluating the Internet's impact on key cultural issues of the day this book provides a comprehensive overview of the seismic technological and cultural shifts the Internet has created in contemporary society Books about Internet culture usually focus on the people places sites and memes that constitute the cutting edge at the time the book is written That approach alas renders such volumes quickly obsolete This provocative work on the other hand focuses on overarching themes that will remain relevant for the long term The insights it shares will highlight the tremendous impact of the Internet on modern civilization and individual lives well after specific players and sites have fallen out of favor Content is presented in two volumes The first emphasizes the positive impact of Internet culture for example 24 hour access to information music books merchandise employment opportunities and even romance The second discusses the Internet's darker consequences such as a demand for instant news that often pushes journalists to prioritize being first over being right online scams and invasions of privacy that can affect anyone who banks shops pays bills or posts online Readers of the set will clearly understand how the Internet has revolutionized communications and redefined human interaction coming away with a unique appreciation of the realities of today's digital world for better and for worse **Best of the High School Press 28** National Scholastic Press Association, 2023-09 National Scholastic Press Association presents its annual awards showcase for high school and middle school journalism including its prestigious Pacemakers Individual Awards Best of Show Honor Roll All American Hall of Fame and Pioneer Awards for journalism educators **Lincoln's Censor** David W. Bulla, Justyna Sempruch, 2008 Lincoln's Censor examines the effect of government suppression on the Democratic press in Indiana during the spring of 1863 President

Abraham Lincoln who suspended the writ of habeas corpus in 1862 claiming presidential prerogatives given by the Constitution at times of invasion or rebellion had some political misgivings about the intimidation of Democratic newspapers but let the practice continue in Indiana from April through June of 1863 **General Register** University of Michigan, 1968

Announcements for the following year included in some vols *Mass Media Education in Transition* Thomas Dickson, 1999-08-01

Media educators have long been debating the nature and purpose of media education Issues relating to new technologies and the changing state of the media industry are ongoing concerns but some of the most difficult questions go to the actual structure of media education itself Is it best represented as an integrated field Should it merge with other communication subfields or potentially split into several separate fields Media practitioners complicate matters further by questioning the necessity for media education at all The continued consideration of and reaction to these issues will have a significant effect on media related education and its associated practices In *Mass Media Education in Transition* Thomas Dickson gives careful consideration to the state of media education and its future directions He provides a history of mass media related education as well as an overview of the major issues affecting media education at the end of the 20th century He incorporates the visions of media education leaders as to the possible directions the field may take in the next century and includes in his discussion information that has been previously unknown or not readily available to media educators This volume provides a broad view of the major issues affecting all aspects of media education print and broadcast journalism advertising public relations and media studies It also offers detailed insights as to the possibilities that lie ahead as the field continues to develop a new professionalism or a return to a prior vision of media related education or possibly something quite different
