Linklater Rob Stone shows how Linklater's latest films have redefined our understanding of his work. He offers critical discussions and analysis of all of Linklater's films including *Before Midnight* 2013 and *Everybody Wants Some* 2016 as well as new interviews with Linklater and a chapter on *Boyhood* 2014 hailed as one of the best films of the twenty-first century. Stone explores the theoretical, practical, contextual, and metaphysical elements in Linklater's filmography, especially his experimentation with cinematic representations of time and growth. He demonstrates that fanciful lives and lucid dreams are as central as alternative notions of America and time to Linklater's films. Stone also considers Linklater's collaborative working practices, his deployment of such techniques as rotoscoping, and his innovative distribution strategies. Thoroughly revised, updated, and extended, the book includes analysis of all of Linklater's films including *Dazed and Confused* 1993, *Waking Life* 2011, and *A Scanner Darkly* 2006, as well as his documentaries, short films, and side projects. **Turtle In A**

**Racehorse World** Kati & Halene Dahlstrom, 2009-05-01. The neurosurgeon said Kati will be able to learn and do things. She'll go at her own pace, but it won't be fast. She will always be a turtle in a racehorse world. Moving, thinking, and speaking more slowly than the rest of the world is not all roses. So I wrote *Turtle in a Racehorse World* to tell the racehorses of the world how they can help the turtles like me and see the good in all who live around them so the world can be a kinder place.

Life, The Universe, and Isobel S. A. Baker, *Life, The Universe, and Isobel* is a story of a remarkable child. S. A. Baker knew his daughter was different when she entered this world. Little did he realize the truth of that thought. And through the years, he kept track of the wisdom uttered through her lips, no matter how strange he thought them to be. Isobel sees the world as only a gifted child can, and she spreads her wisdom to both parents as her father remembers the world according to her. And as she grows up in the world, Baker records her wisdom. Sit back and enjoy as Isobel shares her thoughts. *Relish in the Wisdom from the Fuzzy Blue Chair*. Written by S. A. Baker and published through Tumbleweed Books for your enjoyment. This is not a work of fiction. **The Buffyverse Catalog** Don Macnaughtan, 2015-08-21. This bibliographic guide covers the Buffyverse, the fictional worlds of the acclaimed television series *Buffy the Vampire Slayer* 1997-2003 and its spinoff *Angel* 1999-2004, as well as the original *Buffy* feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse—episodes, DVDs, novels, comic books, games, and more—and the secondary materials created about the shows, including books, essays, articles, documentaries, dissertations, fan production, and websites. This vast and diverse collection of information about these two seminal shows and their feature film forebear provides an accessible, authoritative, and comprehensive survey of the subject. **For the Sake of the Vine** Adria

Lang, 2009-06. *For the Sake of the Vine* is an illustrated novel featuring original artwork by well-known LA artist Steve Montiglio. Based on an original concept by D. Michael Tomkins and written by Adria Lang, this book is a mysterious gothic tale through the labyrinth of a very unique winery in Eastern Washington. A thrilling roller coaster ride from cover to cover, this book will leave you craving an earthy merlot to go with its delicious murder mystery. Some Must Stay C. E. Burns, 2005.

The Appalachians of the 1930s are as beautiful as they are remote and the fierce people who live there are as hard and as untamable as the land they inhabit. Their society is a closed one made strong but uncompromising by their geographic isolation and immutable poverty and tempered only slightly by their fervent faith in God, their loyalty to family and their abiding love of their land. C. E. Burns' provocative novel chronicles the struggles of this poor mountain society as it struggles to deal with the explosive issues of lust, greed, revenge, unnatural passion and illicit love. *Some Must Stay* is the powerful story of Appalachian life and its hardships as seen through the eyes of two very different sisters: beautiful and willful Jenny whose courageous love for a man of color pits her against her family's and community's mores, and shy, handicapped Lindy caught between her sister's unconventionality and her community's intolerances. The violent repercussions that follow will forever change both their lives. Eloquently told and elegantly written, C. E. Burns' style captures the nuances and flavor of mountain life and the culture of the Appalachian people of that era and brings to life a sweeping tale of heart-breaking tragedy and poignant beauty. Culminating in a tension-packed courtroom drama reminiscent of Harper Lee's *To Kill a Mockingbird*, this spell-binding tale of tragic love casts the reader into a complex web of opposites between the ugly consequences of racial prejudice in an intransigent society and the all-pervasive beauty that underscores everything in the lush wild hills of Appalachia.
