Second Grace

David E. Garland

Second Grace:

Second Corinthians Jan Lambrecht, 2006 Regarded as the most personal of Paul's weighty and strong 10 10 letters the Second Letter to the Corinthians continues to contribute toward the building up 13 10 of its readers The Second Letter to the Corinthians is an implicit yet undeniable plea that Paul addresses to the Christians of Corinth and is impressive above all for its exposition of the apostle's identity In this letter Paul more than once fiercely counters the attacks of his opponents He extensively describes both the quality and circumstances of his apostolic existence the sufferings he endures the opposition he encounters and his continual care for the Churches Second Corinthians is therefore highly significant theologically as well as autobiographically Not an easy letter to follow the emotional language used in 2 Corinthians the question of the integrity of 2 Corinthians as a letter and inadequate information about the concrete situation at Corinth and the identity of Paul's opponents make following the flow of Paul's argument difficult at times Yet 2 Corinthians is an especially important document because of Paul's ongoing reflection on his ministry It is both profound in its content and style for its original audience as well as for today's readers

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *The Epistle to the Romans* Richard N. Longenecker, 2016-01-18 This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long standing interpretive problems Critical exegetical and constructive yet pastoral in its application Longenecker's monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul's letters and a more relevant contextualization of its message

The Second Epistle To the Corinthians James Denney, 2020-07-24 Reproduction of the original *The Second Epistle To the Corinthians* by James Denney

2 Corinthians: The Christian Standard Commentary David E. Garland, 2021-03-15 2 Corinthians is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book while paying special attention to balancing scholarship with practical application

Eckhart's Apophatic Theology Vladimir Lossky, 2024-02-29 Vladimir Lossky's posthumously published masterwork is now made available in English for the first time Eckhart's Apophatic Theology is the culmination of a long process whereby the renowned Orthodox philosopher and theologian embraced the ways of thinking of a thirteenth century German mendicant and mystic While refusing to simplify Eckhart's theology to a system or single motif Lossky explores in detail the various ramifications of Eckhart's insistence on the ineffability of God Is God to be regarded as being or the One or Intellect Does God's pure expression of each of these preclude the others Framed by six key statements about God's essence Lossky lays out Eckhart's approach to this dilemma His understanding of the problem guided by careful engagement with a multitude of sources is exhaustive Scholars will welcome this eagerly anticipated translation

The Expositor's Bible: The Second Epistle to the Corinthians James Denney, 2022-06-03 In The

Expositor s Bible The Second Epistle to the Corinthians James Denney provides a meticulous examination of the intricate relationship between St Paul and the Christian community in Corinth shedding light on the apostle s intentions challenges and theological discourse Denney employs a rigorous analytical approach to decipher St Paul s epistolary nuances embracing both historical critical methods and a reverent perspective on scripture The meticulously crafted book draws from the deep well of scriptural interpretation striving to clarify the often complex theological arguments and socio religious context that lie beneath the text s surface Denney s work figures prominently within the tradition of exegetical literature that seeks to illuminate the Christian canon s multifaceted legacy through scholarly exploration James Denney a distinguished theologian and biblical scholar approached this monumental work with both academic prowess and a pastor s heart His theological insights are informed by a profound engagement with the Christian tradition and a deep personal faith Denney s intimate knowledge of Pauline studies and his own experience as a minister provide a unique and compelling voice in the scholarly conversation about the Apostle Paul s teachings and the early Christian community s dynamics The Expositor s Bible The Second Epistle to the Corinthians is highly recommended to students of theology clergy and anyone interested in a deeper understanding of the New Testament Denney s nuanced exploration offers vital context for interpreting St Paul s words promoting a richer appreciation of the epistle s enduring relevance to contemporary faith and practice This work is a treasured addition to any theological library serving as a bridge that connects readers to the apostolic age and its enduring spiritual legacy
