wealth of quality multicultural literature recently published for children and young adults this valuable resource examines  
the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in  
turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians  
Taking up where their earlier volume This Land is Our Land left off Helbig and Perkins have teamed up once again to identify  
and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in  
the field of children s literature the two of them personally selected read and evaluated all the books included here Their  
insightful annotations help readers carefully consider both literary standards such as plot development characterization and  
style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and  
grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for  
children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as  
well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting  
appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works
