Micheline White,2016-05-13 Contributing to the growing interest in early modern women and religion this essay collection
advances scholarship by introducing readers to recently recovered or little studied texts and by offering new paradigms for
the analysis of women s religious literary activities Contributors underscore the fact that women had complex multi
dimensional relationships to the religio political order acting as activists for specific causes but also departing from
confessional norms in creative ways and engaging in intra as well as extra confessional conflict The volume thus includes
essays that reflect on the complex dynamics of religious culture itself and that illuminate the importance of women s
engagement with Catholicism throughout the period The collection also highlights the vitality of neglected intertextual
genres such as prayers meditations and translations and it focuses attention on diverse forms of textual production such as
literary writing patronage epistolary exchanges public reading and epitaphs Collectively English Women Religion and Textual
Production 1500 1625 offers a comprehensive treatment of the historical literary and methodological issues preoccupying
