What Is Found There Adrienne Rich, 2015-04-06 America's enduring poet of conscience reflects on the proven and potential role of poetry in contemporary politics and life Through journals letters dreams and close readings of the work of many poets Adrienne Rich reflects on how poetry and politics enter and impinge on American life This expanded edition includes a new preface by the author as well as her post 9 11 Six Meditations in Place of a Lecture Rumors from the Lost World Alan Davis, 2014-05-07 The stories in Rumors from the Lost World are about seeking and discovery fall and redemption memory and loss The characters are all shattered products of a broken past A grandson is embarrassed by his grandfather to the point of hatred yet after the old man has died the boy now a young man with a family of his own finds

solace in recounting his grandfather's life to those who never knew him. A husband troubled by the state of his marriage makes a desperate bid for emotional freedom when he drags his family on a quixotic journey westward to find the sun. The daughter of Italian immigrants in New Orleans finds her only strength in genealogy and the binding ties of heritage. In Davis's simple realistic stories there is magic in a world that still somehow seems devoid of magic. Time, which so shapes these characters, is not linear; what is gone is not lost. Though there is tragedy, ultimately there is hope and the power to continue the journey.

I've Learned Some Things Ataol Behramoglu, Walter G. Andrews, 2008. *I've Learned Some Things* allows English language readers the rare opportunity to experience the work of Ataol Behramoglu, one of Turkey's most celebrated poets. The sixty-six poems in this collection span the author's extraordinary career and are stunning examples of the intense emotional quality of his work. Behramoglu celebrates the rich fabric of everyday life by exploring both personal and social struggles, sometimes employing a whimsical tone. Walter G. Andrews's skillful translation conveys the vibrancy of Behramoglu's work to an English language audience, and this bilingual edition allows Turkish language readers to follow the original text.

Reading Homer's Iliad Kostas Myrsiades, 2022-11-11. We still read Homer's epic the *Iliad* two and one half millennia since its emergence for the questions it poses and the answers it provides for our age as viable today as they were in Homer's own times. What is worth dying for? What is the meaning of honor and fame? What are the consequences of intense emotion and violence? What does recognition of one's mortality teach? We also turn to Homer's *Iliad* in the twenty-first century for the poet's preoccupation with the essence of human life. His emphasis on human understanding of mortality, his celebration of the human mind, and his focus on human striving after consciousness and identity has led audiences to this epic generation after generation. This study is a book-by-book commentary on the epic's 24 parts, meant to inform students new to the work. Endnotes clarify and elaborate on myths that Homer leaves unfinished, explain terms and phrases, and provide background information. The volume concludes with a general bibliography of work on the *Iliad*, in addition to bibliographies accompanying each book's commentary.

Poetry and Commitment Adrienne Rich, 2011-02-07. In the tradition of great literary manifestos, Norton is proud to present this powerful work by Adrienne Rich. With passion, critical questioning, and humor, Adrienne Rich suggests how poetry has actually been lived in the world, past and present. In this essay, which was the basis for her speech upon accepting the National Book Foundation's Medal for Distinguished Contribution to American Letters, she ranges among themes including poetry's disparagement as either immoral or unprofitable, the politics of translation, how poetry enters into extreme situations, different poetries as conversations across place and time. In its openness to many voices, *Poetry and Commitment* offers a perspective on poetry in an ever more divided and violent world. I hope never to idealize poetry; it has suffered enough from that. Poetry is not a healing lotion, an emotional massage, a kind of linguistic aromatherapy. Neither is it a blueprint nor an instruction manual nor a billboard.
