Wolfson, Peter J. Manning, 2000 This anthology brings together three powerfully original figures who vividly capture the spirit and anxieties of their age Thomas Hood and Winthrop Mackworth Praed write with a self-conscious playfulness about literary history and traditions as well as an active and often satirical engagement with contemporary social and political culture Thomas Lovell Beddoes has always held the interest of the dark Victorianists for his lushly lurid imagination and of the modernists for his ironic frequently caustic verses Most of all these are three amazingly interesting poets full of verbal wit evocative imagery compelling imaginations Although he started by writing in the style of Keats Thomas Hood 1799 1845 declared I have to be a lively Hood for a livelihood and devoted most of his career to comic verse But his sheer verbal ingenuity and endlessly inventive punning do not conceal his phobias and fears nor overshadow the emerging social protest that was to shape the impressive poems in his later years Winthrop Mackworth Praed 1802 1839 observed the social scene of his day the flirtations political intrigues elegant chit chat and parliamentary procedures with sparkling self-deprecating wit Having read law Praed was called to the Bar in 1829 and entered Parliament as a Conservative in 1830 Even so he wrote to his school friend and future editor Having been favoured by Nature with a long face a short purse and two elder Brothers I find no way of making myself popular in the circle in which she has placed me except versifying Thomas Lovell Beddoes 1803 1849 who committed suicide was in the editors words brilliant solitary eccentric erratic homosexual politically radical a poet of powerful haunting imagination and like the other morbidly witty poets in this volume is most characteristic for his defiance of easy characterization He has been called the last Elizabethan a Jacobean scion an original interpreter of gothic terror the first modernist and with his comic grotesqueries a precursor of the twentieth-century theater of the absurd The editors' introductions to each poet are lively and accessible to the non-specialist while their editorial work both in establishing the texts and in their annotation and apparatus makes this an ideal text for specialist study as well
