Howells, 2010-03-22 An Imperative Duty tells the story of Rhoda Aldgate a young woman on the verge of marriage who has been raised by her aunt to assume that she is white but who is in fact the descendant of an African American grandmother The novel traces the struggles of Rhoda her family and her suitor to come to terms with the implications of

Rhoda's heritage Howells employs this stock situation to explore the newly urgent guestions of identity morality and social policy raised by miscegenation in the post Reconstruction United States The novel imagines interracial marriage sympathetically at a time when racist sentiment was on the rise and does this in one of Howells's most aesthetically economical performances in the short novel form Appendices to this Broadview Edition include material on the tragic mulatta in literature interracial marriage the science of race in the nineteenth century and Howells's literary realism Companion to American Fiction, 1865 - 1914 Robert Paul Lamb, G. fiction however The Coupling Convention takes up and takes on many different meanings of tradition. It challenges the notion of a single black literary tradition or of a single black feminist literary canon grounded in specifically black female language and experience as it explores the ways in which white and black male and female mainstream and marginalized traditions and canons have influenced and cross fertilized each other Much more than a period study. The Coupling Convention spans the period from 1853 to 1948 addressing the vital questions of gender subjectivity race and the canon that inform literary study today. In this original work duCille offers a new paradigm for reading black women s fiction. *Research Guide to American Literature** Benjamín Franklin,2010 Presents American literature from the beginnings to the Revolutionary War including essays narratives and more
