Philip K. Dick Selected Stories Philip K. Dick, 2019-10-21 A fantastic collection of 7 science fiction stories by Philip K Dick

- 1 Beyond Lies the Wub is a science fiction short story Peterson a crew member of a spaceship loading up with food animals on Mars buys an enormous pig like creature known as a wub from a native just before departure Franco his captain is worried about the extra weight but seems more concerned about its taste as his ship is short of food However after takeoff the crew realizes that the wub is a very intelligent creature capable of telepathy and maybe even mind control
- 2 The Gun is a science fiction short story The plot centers around a group of space explorers who investigate a planet which appears deserted However they are shot down and crash land on the planet While repairing their ship a team of explorers discover the ruins of an ancient city Upon further investigation it is revealed that the gun which shot them down is in the city and is programmed to shoot anything down which enters the airspace above the city They examine the gun and discover that it is protecting a tomb
- 3 The Skull is a science fiction short story Conger is given a chance to get out of jail if he agrees to travel back in time and kill a man Conger's target appeared in 1960 in a small town and spawned a new religious movement which radically changed the world over the next few hundred years Conger is given a skull from which he can identify the man and is sent back in time in a capsule As Conger prepares for the man's arrival he discovers that the skull is his own
- 4 The Defenders is a science fiction novelette Eight years ago a nuclear war began between the United States and the Soviet Union American survivors evacuated to gigantic bunkers miles under ground Radioactivity immune robots called leadys

continue fighting the war on the devastated surface that is too dangerous for humans The Soviets have similarly evacuated underground Commander Franks of Internal Security questioned a near human leady about the conditions on the surface The odd part of the discussion is that while the leaders want greater access to the surface to study the conditions the leady strongly resists any suggestion that humans go the surface Also strange the leady showed no signs of radioactivity Franks decide that they will send a team to investigate the surface conditions directly 5 Mr Spaceship is a science fiction short story The humanity is at war with Yuks an alien life form which does not use mechanical spaceships nor constructions Instead it relies on life forms The war has been going on for a long time and humanity has not been able to come up with a solution against the life form based ships and mines that the Yuks use One day a team of researchers decide to build a spaceship which is powered by a human brain 6 Piper in the Woods is a science fiction short story Henry Harris an army doctor at a garrison on Earth is puzzled by a case of a soldier who returns from the asteroid Y 3 and claims that he s a plant 7 Second Variety is a science fiction novelette Set in a world where war between the Soviet Union and United Nations has reduced most of the world to a barren wasteland the story concerns the discovery by the few remaining soldiers left that self replicating robots originally built to assassinate Soviet agents have gained sentience and are now plotting against both sides It is one of many stories by Dick to examine the implications of nuclear war particularly after it has destroyed much or all of the planet
