Chinese Literature Yoon-wah Wong,1988 **The Oxford Handbook of Modern Chinese Literatures** Carlos Rojas,Andrea Bachner,2016-07-28 With over forty original essays The Oxford Handbook of Modern Chinese Literatures offers an in depth engagement with the current analytical methodologies and critical practices that are shaping the field in the twenty first century Divided into three sections Structure Taxonomy and Methodology the volume carefully moves across approaches genres and forms to address a rich range topics that include popular culture in Late Qing China Zhang Guangyu s Journey to the West in Cartoons writings of Southeast Asian migrants in Taiwan the Chinese Anglophone Novel and depictions of HIV AIDS in Chu T ien wen s Notes of a Desolate Man Propaganda Hailong Liu,2019-11-21 Propaganda is subjective information primarily used to influence an audience and further a political agenda In China it has a long history but has been most effective in modern society What exactly is propaganda Why does it exist and why does the public tolerate it The book answers these questions by tracing back to the emergence and development of integrated propaganda and scientific propaganda On this basis it focuses on the emergence of propaganda concept in China the establishment of Kuomintang and the Communist Party of China s propaganda concept intellectuals and propaganda the debate on the propaganda concept in China after 1949 as well as the emergence of Propaganda 3 0 that coordinates integrated propaganda and scientific propaganda Setting propaganda in the framework of modernity the book explains how various groups have legitimized propaganda since the 20th century From a reasonable and neutral standpoint the author describes the confrontation among various propaganda concepts and discourses displaying a panorama of the mutual conflicts between nations and individuals control and freedom ideas and bodies Not only will scholars and students studying journalism and

communication find this book interesting but professionals working in journalism advertising public relations and publicity will also find it engaging and enlightening **The Oxford Handbook of Global Modernisms** Mark Wollaeger, Matt Eatough, 2013-10 The Oxford Handbook of Global Modernisms expands the scope of modernism beyond its traditional focus on English and Irish literature to explore the contributions of artists from countries and regions like the US Cuba Spain the Balkans China Japan India Vietnam and Nigeria *Routledge Companion to Ba Jin* Chen Chang, Liu Tianyi, Chen Sihe, 2023-09-19 Exploring the creations of Ba Jin 1904 2005 one of the most significant writers in modern China this edited volume offers in depth discussions of the writer and his works from a global perspective to initiate and advance dialogues between the Chinese and English speaking scholarly communities The four sections of the book provide readers with a detailed biography and an overview of research on Ba Jin since the 1980s to reflect on the academic achievements of several generations in China In addition it includes a selected collection of articles from Korean German and French scholars These articles cover Ba Jin s life thoughts personality literary creation editing publishing and other aspects of the research This companion aims to provide an alternative lens for Chinese literature studies in a global context It will be an essential read to students and scholars of East Asian studies Chinese studies and those interested in modern Chinese literature Selected Works of Mao Tse-Tung Mao Tse-Tung, 2014-05-18 Selected Works of Mao Tse Tung Volume III focuses on the views of Mao Tse Tung on communism revolution fascism national unity and patriotism The volume first ponders on the proposition of Mao Tse Tung to reform the method and system of study within the Communist Party of China the compromise between Japan and the United States at the expense of China and the establishment of an Eastern Munich against communism and against the Soviet Union The publication also takes a look at Mao Tse Tung s position against fascism including the war against Japan and driving the Japanese imperialists out of China The book examines questions regarding methods of leadership economic and financial problems in the anti Japanese war reduction of rent and the need for comrades to do economic work The text also elaborates on the coalition government Topics include the fundamental demands of the Chinese people international and domestic situation and policy of the Chinese Communist Party The volume is a dependable source of data for readers interested in the philosophy of Mao Tse Tung on communism fascism revolution and patriotism Space, Politics, and Cultural Representation in Modern China Enhua Zhang, 2016-12-08 Regarding revolution as a spatial practice this book explores modes of spatial construction in modern China through a panoramic overview of major Chinese revolutionary events and nuanced analysis of cultural representations Examining the relationship between revolution space and culture in modern China the author takes five spatially significant revolutionary events as case studies the territorial dispute between Russia and the Qing dynasty in 1892 the Land Reform in the 1920s the Long March 1934 36 the mainland Taiwan split in 1949 and the Cultural Revolution 1966 76 and analyses how revolution constructs conceives and transforms space Using materials associated with these events including primarily literature as well as maps political treatises historiography plays film and art

the book argues that in addition to redirecting the flow of Chinese history revolutionary movements operate in and on space in three main ways maintaining territorial sovereignty redefining social relations and governing an imaginary realm Arguing for reconsideration of revolution as a reorganization of space as much as time this book will appeal to students and scholars of Chinese culture society history and literature *The Translatability of Revolution* Pu Wang,2020-10-20 The first comprehensive study of the lifework of Guo Moruo 1892 1978 in English this book explores the dynamics of translation revolution and historical imagination in twentieth century Chinese culture Guo was a romantic writer who eventually became Mao Zedong s last poetic interlocutor a Marxist historian who evolved into the inaugural president of China s Academy of Sciences and a leftist politician who devoted almost three decades to translating Goethe s Faust His career embedded in China s revolutionary century has generated more controversy than admiration Recent scholarship has scarcely treated his oeuvre as a whole much less touched upon his role as a translator Leaping between different genres of Guo s works and engaging many other writers texts *The Translatability of Revolution* confronts two issues of revolutionary cultural politics translation and historical interpretation Part 1 focuses on the translingual making of China s revolutionary culture especially Guo s translation of Faust as a development of Zeitgeist Part 2 deals with Guo s rewritings of antiquity in lyrical dramatic and historiographical paleographical forms including his vernacular translation of classical Chinese poetry Interrogating the relationship between translation and historical imagination within revolutionary cultural practice this book finds a transcoding of different historical conjunctures into now time saturated with possibilities and tensions Socialist Cosmopolitanism Nicolai Volland,2017-03-28 *Socialist Cosmopolitanism* offers an innovative interpretation of literary works from the Mao era that reads Chinese socialist literature as world literature As Nicolai Volland demonstrates after 1949 China engaged with the world beyond its borders in a variety of ways and on many levels politically economically and culturally Far from rejecting the worldliness of earlier eras the young People s Republic developed its own cosmopolitanism Rather than a radical break with the past Chinese socialist literature should be seen as an integral and important chapter in China s long search to find a place within world literature *Socialist Cosmopolitanism* revisits a range of genres from poetry and land reform novels to science fiction and children s literature and shows how Chinese writers and readers alike saw their own literary production as part of a much larger literary universe This literary space reaching from Beijing to Berlin from Prague to Pyongyang from Warsaw to Moscow to Hanoi allowed authors and texts to travel reinventing the meaning of world literature Chinese socialist literature was not driven solely by politics but by an ambitious but ultimately doomed attempt to redraw the literary world map **Conceptualising China through translation** James St. André,2023-11-07 This monograph provides an innovative methodology for investigating how China has been conceptualised historically by tracing the development of four key cultural terms filial piety face fengshui and guanxi between English and Chinese It addresses how specific ideas about what constitutes the uniqueness of Chinese culture influence the ways users of these concepts think

about China and themselves Adopting a combination of archival research and mining of electronic databases it documents how the translation process has been bound up in the production of new meaning In uncovering how both sides of the translation process stand to be transformed by it the study demonstrates the dialogic nature of translation and its potential contribution to cross cultural understanding It also aims to develop a foundation on which other area studies might build broader scholarship about global knowledge production and exchange
