Edwards the preacher rather than of Edwards the theologian Publishers Weekly The Enfield Sermon with its terrible realism of description is paired with a revival sermon of another type that on Ruth's Resolution The sermon on Man's Dependence and on Spiritual Light show him as a powerful champion of his theology The Farewell sermon is virtually the apologia of his ministerial life and the other two represent still different types The notes are interesting in connection with the sermons The Unitarian Register Besides the lengthy introduction by Professor Gardiner there are seven sermons of the great preacher in this little volume The Bookman As a specimen of the great theologian's style and thought these selections will be useful The Christian Advocate A very careful reprint of seven selected sermons and an appendix of notes The editorial work has been excellently done The American Journal of Psychology CONTENTS INTRODUCTION SERMONS I God Glorified in Man's Dependence 1731 II The Reality of Spiritual Light 1733 III Ruth's Resolution 1735 IV The Many Mansions 1737 V Sinners in the Hands of an Angry God 1741 VI A Strong Rod Broken and Withered 1748 VII Farewell Sermon 1750 NOTES

Jonathan Edwards Harold P. Simonson, 2009-05-20 The vast corpus of Jonathan Edwards includes sermons treatises dissertations Miscellanies Diary and Resolves and his Personal Narrative Underlying all his writing is his Calvinist God whose anger justice matched his love glory Equally important is the human condition its darkness and its regenerative light sin and salvation For these reasons Simonson aptly calls Edwards a theologian of the heart one not satisfied with only theological abstractions but also a necessary heartfelt sense of them Penetrating to these levels where literary artists do their work he shares company with the likes of Herman Melville Nathaniel Hawthorne Emily Dickinson and William Faulkner Since the resurgence of interest starting in the 1950s Edwards is now recognized as America's foremost religious thinker Simonson emphasizes Edwards language its imagery metaphors grand sweeps of cadences along with Edwards intensity of both thought and feeling Throughout Simonson's book provides an incisive and carefully documented introduction to Edwards magisterial range of mind and style *Approaching Jonathan Edwards* Carol Ball, 2016-03-09 Exploring the inner motivations of one of America's greatest religious thinkers this book analyses the ways in which Jonathan Edwards intense personal piety and deep experience of divine sovereignty drove an introverted intellectual along a course that would eventually develop into a mature and respected public intellectual Throughout his life the tension between his innately contemplative nature and the active demands of public office was a constant source of internal and public strife for Edwards *Approaching Jonathan Edwards* offers a new theoretical approach to the study of Edwards with an emphasis on his writing activity as the key strategy in shaping his legacy Tracing Edwards strategic self-fashioning of his persona through the many conflicts in which he was engaged the critical turning points in his life and his strategies for managing conflicts and crises Carol Ball concludes that Edwards found his place as a superlative contemplative apologist and theorist of experiential spirituality *Jonathan Edwards and Hebrews* Joseph T. Cochran, 2025-02-10 This publication is the first survey of Jonathan Edwards's harmonic interpretation of Epistle to the Hebrews This methodology emphasized harmony between the history of

the world and its account in the Word Drawn from a planned publication on The Harmony of the Old and New Testament the harmonic interpretation of Jonathan Edwards sought to harmonize the Old and New Testament by employing three habits 1 the habit of observing Old Testament prophetic fulfillment in the person and work of Christ in the New Testament 2 the habit of perceiving typology in the natural world and Scripture that typified the Messiah Jesus Christ 3 the habit of harmonizing the Old and New Testament according to its doctrines and precepts After introducing this methodology to readers this study provides eight thematic case studies on how Edwards demonstrated this methodology in his interpretation of the Epistle to the Hebrews

The Enlightenment and the Intellectual Foundations of Modern Culture Louis Dupre, 2008-10-01 The prestige of the Enlightenment has declined in recent years Many consider its thinking abstract its art and poetry uninspiring and the assertion that it introduced a new age of freedom and progress after centuries of darkness and superstition presumptuous In this book an eminent scholar of modern culture shows that the Enlightenment was a more complex phenomenon than most of its detractors and advocates assume It includes rationalist as well as antirationalist tendencies a critique of traditional morality and religion as well as an attempt to establish them on new foundations even the beginning of a moral renewal and a spiritual revival The Enlightenment's critique of tradition was a necessary consequence of the fundamental modern principle that we humans are solely responsible for the course of history Hence we can accept no

belief no authority no institutions that are not in some way justified This foundation for better or for worse determined the course of the following centuries Despite contemporary reactions against it the Enlightenment continues to shape our own time and still distinguishes Western culture from any other *Selected Essays of Edwards A.
