The Deluge Linh Dinh, Hai-Dang Phan, 2013 Poetry Asian American Studies Edited and translated from the Vietnamese by Linh Dinh Carefully selected for their literary significance as well as their antagonism towards state power cultural orthodoxy and conventional wisdom the hundred and sixty Vietnamese language poems annotated contextualized and expertly translated into English in THE DELUGE provide a stunningly original counter history in fragments of Vietnamese society from the 1960s up till today While Linh Dinh is typically known for his extraordinary poetry fiction and journalism THE DELUGE showcases his remarkable talents as a translator anthologist and cultural historian I love everything about this book the sneaky smart selections the illuminating yet ruthlessly efficient author bios the fascinating addendum and of course the absurdly brilliant translations Peter Zinoman In still cratered Vietnam apparently things are even more screwed up for avant garde poets than they were in the US back in the 50s Howl had its trial but in Hanoi and Ho Chi Minh City non conforming poets are just plain denied venues of publication In fact a whole generation of poets active in the South before 1975 has pretty much been erased from memory via State controls At long last some of them are brought

forward here along with many younger ones absolute revelations in some cases all of them examples of cultural courage Not a little of poetry s history is about singular strange and moving works getting written under conditions of proscription censure samizdat and exile And there is plenty here of this kind Ron Silliman is on to something when he keeps insisting the indomitable Linh Dinh should be our next Poet Laureate Now Dinh s edited what is surely one of the major startling anthologies to appear in the United States in this new century Long live the insurgent poets of Vietnam Kent Johnson
