Louisa Bruce

Selected Writings Of Louise Pound

Robert Thacker, Michael A. Peterman

Selected Writings Of Louise Pound:

Tails., engl Louise Pound,1971 **Louise Pound** Marie Krohn,2008 Eager to challenge social norms during the Victorian age Louise Pound was an iconoclast responsible for challenging America s views on women academics and sports Discarding the traditional corset to accommodate her sports activities her athletic prowess resulted in her being a world class athlete in both tennis and golf She became a local legend after winning several matches against her male contemporaries She is now recognized for having laid the social groundwork for female athletes like Babe Didrikson Zaharias Unable to get accepted into an American post graduate program she battled institutional sexism and obtained her Ph D in Germany in less than a year She soon became a world renowned philologist American folklorist and educator and she was the first academician to advocate the recognition of American English as a distinct language from that spoken in Great Britain Although she is often known for little more than being the love interest of lesbian author Willa Cather the author debunks such claims giving sound evidence that the attraction was not reciprocated *Selected Writings of Louise Pound*Y Louise Pound,1949 Selected Writings Louise Pound,1949 **Louise Pound** Robert Cochran,2009-05-01 Louise Pound 1872 1958 was a distinguished literary scholar renowned athlete accomplished musician and devoted women s sports advocate She is perhaps best remembered for her groundbreaking work in the field of linguistics and folklore and for her role as the first woman president of the Modern Language Association A member of a distinguished Nebraska family that included her brother the prominent legal scholar Roscoe Pound Louise completed her undergraduate education at the University of Nebraska When American universities wouldn t admit her for graduate study she went on to obtain a PhD in Heidelberg Germany She returned to the University of Nebraska Lincoln to teach in the English department for the next forty five years As a scholar Louise crusaded for the serious study of American English and founded the field s leading journal demolished a powerfully defended approach to the study of American folk song and fought tirelessly to open athletic and professional opportunities for women She was in short what one admirer called a universal wonder She befriended and played an influential role in the life of the young Willa Cather during Cather s years at the University of Nebraska H L Mencken praised her extravagantly and scholars of literature folklore and dialect studies elevated her to the presidency of their professional societies Readers of varied interests will find her story compelling **Accented America** Joshua L. Miller,2011-05-26 *Accented America* is a sweeping study of U S literature between 1890 1950 that reveals a long history of English Only nationalism the political claim that U S citizens must speak a nationally distinctive form of English This perspective presents U S literary works written between the 1890s and 1940s as playfully painfully and ambivalently engaged with language politics thereby rewiring both narrative form and national identity The United States has always been a densely polyglot nation but efforts to prove the existence of a nationally specific form of English turn out to be a development of particular importance to interwar modernism If the concept of a singular coherent and autonomous American language seemed merely

provocative or ironic in 1919 when H L Mencken emblazoned the phrase on his philological study within a short period of time it would come to seem simultaneously obvious and impossible Considering the continuing presence of fierce public debates over U S English and domestic multilingualisms demonstrates the symbolic and material implications of such debates in naturalization and citizenship law presidential rhetoric academic language studies and the artistic renderings of novelists Against the backdrop of the period s massive demographic changes Accented America brings a broadly multi ethnic set of writers into conversation including Gertrude Stein Jean Toomer Henry Roth Nella Larsen John Dos Passos Lionel Trilling Amrico Paredes and Carlos Bulosan These authors shared an acute sense of linguistic standardization during the interwar era and contend with the defamiliarizing sway of radical experimentation with invented and improper literary vernaculars Mixing languages these authors spurn expectations for phonological exactitude to develop multilingual literary aesthetics Rather than confirming the powerfully seductive subtext of monolingualism that those who speak alike are ethically and politically likeminded multilingual modernists composed interwar novels that were characteristically American because not in spite of their synthetic syntaxes and enduring strangeness

The Hidden History of Coined Words Ralph Keyes, 2021 Written by one of the country s most experienced and entertaining etymological detectives The Hidden History of Coined Words provides a delightful excavation into the process by which words became minted Not only does Ralph Keyes give us the who what where of it all but delights in stories that reveal the mysteries of successful coinage

America's Folklorist Lawrence R. Rodgers, 2014-10-20 Folklorist writer editor regionalist cultural activist Benjamin Albert Botkin 1901 1975 was an American intellectual who made a mark on the twentieth century even though most people may be unaware of it This book the first to reevaluate the legacy of Botkin in the history of American culture celebrates his centenary through a collection of writings that assess his influence on scholarship and the American scene Through his work with the Federal Writers Project during the New Deal the Writers Unit of the Library of Congress Project and the Archive of American Folksong Botkin did more to collect and disseminate the nation s folk cultural heritage than any other individual in the twentieth century This volume focuses on Botkin s eclectic but interrelated concerns work and vision and offers a detailed sense of his life milieu influences and long term contributions Just as Botkin boldly cut across the boundaries between high and low popular and folk this book brings together reflections that range from the historical to the philosophical to the disarmingly personal One group of articles looks at his career and includes the first extended analysis of Botkin s poetry another probes the fruitful relationships Botkin had with leading musicologists composers poets and intellectuals of his day This is also the first book to bring together a collection of Botkin s best known writings giving readers an opportunity to appreciate his wide ranging mind and clear often memorable prose For Botkin the blurring of art and science literature and folklore was not just a philosophy but a way of life This book reflects that life and invites fans and those new to Botkin to appraise his lasting contributions

Willa Cather Marilee Lindemann, 1999-02-10 Although it has been proven posthumously by scholars that Willa Cather

had lesbian relationships she did not openly celebrate lesbian desire and even today is sometimes described as homophobic and misogynistic What then can a reassessment of this contentious first lady of American letters add to an understanding of the gay identities that have emerged in America over the past century As Marilee Lindemann shows in this study of the novelist's life and work Cather's sexual coming of age occurred at a time when a cultural transition was recasting love between women as sexual deviance rather than romantic friendship At the same time the very identity of America was characterized by great instability as the United States emerged as a modern industrial nation and imperial power Indeed both terms queer and America achieved fresh ideological potency at the turn of the century Willa Cather **Queering America** is an enlightening unpacking of Cather's writings from her controversial love letters of the 1890s in which queer is employed to denote sexual deviance to her epic novels short stories and critical writings Lindemann points to the queer qualities of Cather's fiction rebellion against traditional fictional form with sometimes unlikable characters lack of emphasis on heroic action and lack of engagement in the drama of heterosexual desire

Mari Sandoz, *Story Catcher of the Plains* Helen Winter Stauffer, 1982-01-01 As a historian and as a novelist Mari Sandoz 1896-1966 stands in the front rank of western writers in the words of John K Hutchens no one in our time wrote better than the late Mari Sandoz did or with more authority and grace about as many aspects of the old West This first full length biography is particularly concerned to show the relationship between Sandoz's life and experiences and her writing Drawing heavily on materials in the Mari Sandoz Collection at the University of Nebraska Lincoln correspondence to and from Sandoz her research notes and manuscripts and on interviews with dozens of Sandoz's friends and acquaintances the author not only establishes the facts of Sandoz's life but confirms her standing as a writer and historian

Willa Cather's Canadian and Old World Connections Robert Thacker, Michael A. Peterman, 1999-01-01 Cather Studies 4 contains eighteen essays and elaborates a theme Willa Cather's Canadian and Old World Connections Such connections are central to Cather's art and artistry She transported much from the Old World to the New shaping her antecedents to tell in new ways the stories of Nebraska of the American Southwest and especially of Quebec in *Shadows on the Rock* David Stouck details Cather's numerous Canadian connections Richard Millington treats her anthropological re-creation of the cultural moment of seventeenth century Quebec and Francois Palteau Papin finds *The Hidden French* in Cather's English A volume of lively and informed criticism Cather Studies 4 vividly demonstrates Cather's artistry and her work's deep connections to the present cultural and critical moment

American Folklore Jan Harold Brunvand, 2006-05-24 Contains over 500 articles Ranging over foodways and folksongs quiltmaking and computer lore Pecos Bill Butch Cassidy and Elvis sightings more than 500 articles spotlight folk literature music and crafts sports and holidays tall tales and legendary figures genres and forms scholarly approaches and theories regions and ethnic groups performers and collectors writers and scholars religious beliefs and practices The alphabetically arranged entries vary from concise definitions to detailed surveys each accompanied by a brief up to date bibliography Special features More

than 2000 contributors Over 500 articles spotlight folk literature music crafts and more Alphabetically arranged Entries
 accompanied by up to date bibliographies Edited by America s best known folklore authority Linguistics in America 1769
 - 1924 Julie Tetel Andresen,2006-09-07 Throughout this analytical book the idea is developed that theories of language do not
 transcend the language in which they are written and ways are uncovered that are peculiar to the American language
 linguistic tradition **Legacy** ,1992 *The Publishers Weekly* ,1911 **Cracking Jokes** Alan Dundes,2017-01-19 **The
 Publishers' Trade List Annual** ,1966 **History of Linguistics, 1993** Kurt R. Jankowsky,1995-01-01 The 32 papers of
 this volume were selected from 78 papers read at ICHoLS VI were contributed by linguists from 16 countries of Europe Asia
 and the Americas They are presented in six sections 1 General Concerns 2 Oriental Linguistics and Related Issues 3 From the
 Early Middle Ages to the End of the 17th Century 4 On 19th century European Linguistics 5 On the Verge of Modernity From
 the 19th to the 20th Century 6 Contemporary Issues Individual topics range from dealing with overriding concerns of
 linguistic historiography to focusing on specific fields of inquiry within a limited frame and involving a large variety of topical
 areas Most of the papers are written in English The exceptions are one French and two German contributions **Annual
 Report of the American Historical Association** American Historical Association,1952 Women, Language and
 Linguistics Julia S. Falk,2002-01-31 This book explores the vital part which women have played in preserving a linguistics
 based on the reality and experience of language bringing to light a much neglected perspective for those working in
 linguistics

Selected Writings Of Louise Pound Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Selected Writings Of Louise Pound free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Selected Writings Of Louise Pound free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Selected Writings Of Louise Pound free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Selected Writings Of Louise Pound. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Selected Writings Of Louise Pound any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Selected Writings Of Louise Pound Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Selected Writings Of Louise Pound is one of the best book in our library for free trial. We provide copy of Selected Writings Of Louise Pound in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Selected Writings Of Louise Pound. Where to download Selected Writings Of Louise Pound online for free? Are you looking for Selected Writings Of Louise Pound PDF? This is definitely going to save you time and cash in something you should think about.
