Institute of Library Research, University of California, Berkeley, 1972 **Italian Literature since 1900 in English Translation** Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978 **Hoffman's Index to Poetry** Herbert H. Hoffman, 1985 No descriptive material is available for this title **The Columbia Granger's Guide to Poetry Anthologies** William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology The Oxford Guide to Literature in English Translation Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which

have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available *School Library Journal* ,1966 [A Little Tour Through European Poetry](#) John Taylor,2017-09-08 This book is both a sequel to author John Taylor s earlier volume *Into the Heart of European Poetry* and something different It is a sequel because this volume expands upon the base of the previous book to include many more European poets It is different in that it is framed by stories in which the author juxtaposes his personal experiences involving European poetry or European poets as he travels through different countries where the poets have lived or worked Taylor explores poetry from the Czech Republic Denmark Lithuania Albania Romania Turkey and Portugal all of which were missing in the previous gathering analyzes heady verse written in Galician and presents an important poet born in the Chuvash Republic His tour through European poetry also adds discoveries from countries whose languages he reads fluently Italy Germany and German speaking Switzerland Greece and France Taylor s model is Valery Larbaud to whom his criticism with its liveliness and analytical clarity is often compared Readers will enjoy a renewed dialogue with European poetry especially in an age when translations are rarely reviewed present in literary journals or studied in schools This book along with *Into the Heart of European Poetry* motivates a dialogue by bringing foreign poetry out of the specialized confines of foreign language departments **The National Union Catalogs, 1963-** ,1964 *Milton as Multilingual: Selected Essays, 1982-2004* John K. Hale,2007-01-01 First published by Otago University Press in 2005 The book brings together seventeen essays by John Hale on topics ranging from Milton s verse paraphrase of Psalm 114 in 1624 at the age of 15 to his rearrangement of *Paradise Lost* along arguably Virgilian lines in 1674 the year of his death Fourteen of the essays were published previously from 1982 2003 in geographically scattered journals some of them not readily accessible Three new essays on the theological treatise *De Doctrina Christiana* are included and together with an essay of 2003 they apply the subject of multilingualism to that work The essays are grouped into five sections Composing Language Arts Self Understanding *Paradise Lost* and its Early Reception and *De Doctrina Christiana* and Language Issues Brief preambles or headings are added to each section and an Afterword follows each chapter This five part structure and the new preambles and Afterwords invest the volume with a rationale shaping it into a book in its own right **Selected Poems** Dante Gabriel Rossetti,2014-01-14 For critics like John Ruskin and Walter Pater Dante Gabriel Rossetti 1828 1892 was one of the great creative figures of the day a painter and a poet of major stature Yeats and the young Pound regarded him as an exemplary figure of solitary dedication to art and beauty He called the sonnet a moment s monument and his best short lyrics are instants of oppressed emotion cut free of time In this as in the suggestiveness of his imagery he anticipates the French Symbolists He can also be regarded as the founder of modern verse translation not only for the freshness of his versions but also for his choice of poets Villon Cavalcanti and the young Dante In this selection Clive Wilmer has made a personal choice

emphasizing the pure poetry of the lyrics at the expense of the more conventionally Victorian monologues and narratives He has also included a generous selection from the translations and provided a biographical and critical introduction
