new readers in the twenty first William Doyle Times Literary Supplement The year s most interesting publication from Penguin Classics was a new translation by Christine Donougher of the novel we all know as Les Mis rables You may think that 1 300 pages is a huge investment of time when the story is so familiar but no adaptation can convey the addictive pleasure afforded by Victor Hugo s narrative voice by turns chatty crotchety buoyant and savagely ironical it s made to seem so contemporary and fresh in Donougher s rendering that the book has all the resonance of the most topical state of the nation novel Telegraph Christine Donougher s seamless and very modern translation of Les Mis rables has an astonishing effect in that it reminds readers that Hugo was going further than any Dickensian lament about social conditions The Wretched touches the soul Herald Scotland

Les Miserables Clarinet Claude-Michel Schonberg,Music Sales Corporation,1995 *Les Misérables* Victor Hugo,2019-08-15T21:23:54Z Les Mis rables by Victor Hugo has been described as one of literature s greatest novels The first two volumes were published in French in March 1862 and translated into English later the same year Since then it has been translated by numerous others and has been adapted for film television radio animation and the stage This epic novel tells the story of Jean Valjean an ex convict who is attempting to escape from his past Newly released from the galley ships Jean Valjean steals the silverware from the bishop who has taken him in for the night When he is captured the bishop urges him to use the silver to become an honest citizen Valjean becomes a wealthy man owner of a factory and mayor of his town but his past is only a footstep away in the form of Javert Inspector of Police who recognises Valjean from his time as a guard A factory worker who has been dismissed from Valjean s employment is sentenced to six months imprisonment but ends up dying in the town s hospital and Valjean feels responsible for the downward spiral of her life so rescues her child Cosette from the corrupt inn keepers with whom her mother had left her The rest of the novel tells the stories of Valjean Cosette and other characters which intertwine with each other Hugo also included a number of digressions on subjects including cloistered religious orders the use of slang language and most significantly the battle of Waterloo The book was highly anticipated in 1862 having been advertised from as early as 1860 Hugo did not allow the publishers to summarise the story in advance surely because any summary could not do a novel of this length any justice This book is part of the Standard
