LL.D.* Thomas Chalmers,1853 **The Last Letters of Thomas More** Saint Thomas More,2001

Written from the Tower of London these letters of Thomas More still speak powerfully today The story of Thomas More recently told in Peter Ackroyd s bestselling biography is well known In the spring of 1534 Thomas More was taken to the Tower of London and after fourteen months in prison the brilliant author of Utopia friend of Erasmus and the humanities and former Lord Chancellor of England was beheaded on Tower Hill Yet More wrote some of his best works as a prisoner including a set of historically and religiously important letters The Last Letters of Thomas More is a superb new edition of More s prison correspondence introduced and fully annotated for contemporary readers by Alvaro de Silva Based on the critical edition of More s correspondence this volume begins with letters penned by More to Cromwell and Henry VIII in February 1534 and ends with More s last words to his daughter Margaret Roper on the eve of his execution More writes on a host of topics prayer and penance the right use of riches and power the joys of heaven psychological depression and suicidal temptations the moral compromises of those who imprisoned him and much more This volume not only records the clarity of More s conscience and his readiness to die for the integrity of his religious faith but it also throws light on the literary works that More wrote during the same period and on the religious and political conditions of Tudor England **The**

Spencer, Claude Falls Wright.,2021-08-30 William Quan Judge cast no one out of the sanctuary of his heart Helena Petrovna Blavatsky was the Knight errant who fought amid the beating of drums and the clash and clamour the excitement and glory of a princely tournament Blavatsky on Judge I trust Judge more than anyone in the whole world My heart beats only for the cause you represent so well and serve so faithfully He does the Master s work to the best of his ability Nothing that you will do will ever be discountenanced by me my beloved Lucifer is Theosophy militant Path the Star of Peace the one is combative Manas

the other shining Buddhi There now follow tributes to William Quan Judge by his Students and Friends While we reverence the Adept let us not lose sight of the Man for even in his simplest life he was great To the children and the humble and lowly in the society he was a revelation His devotion never wavered his anchorage was sure and steadfast and herein lay his strength His skill in the performance of actions was marvellous his executive ability of the highest order He was never narrow never selfish never conceited He would drop his own plan in a moment if a better were suggested and was delighted if someone would carry on the work he had devised and immediately inaugurate other lines of work His demeanour was uniformly the same kindly considerate and self restrained not merely in such measure of polite self control as might be expected of a gentleman but as if inspired by much higher regards than mere respect for the covenances of good society Careful deliberation upon things was one of his strongest characteristics His mind was very active quick and resourceful in suggestion but I do not recall having ever known of his trusting its impulses until he had thoroughly weighed and considered them I trusted him then as all those whom he trusted to me it seems that trust is the bond that binds that makes the strength of the Movement for it is of the heart Judge was humble unassuming modest strong patient meek courageous an organizer beyond comparison with powers similar to those possessed by Madame Blavatsky and never using them in any way but to smooth the path for those who desired to follow the road to knowledge There was no difficulty he would not take infinite pains to unravel no sore spot in the heart he did not sense and strive to heal We mourn the tenderest of friends the wisest of counsellors the bravest and noblest of leaders William Q Judge was the nearest approach to my ideal of a man that I have known His most lovable trait was his exquisite sympathy and gentleness No one ever touched a sore spot with such infinite tenderness and I know many that would rather have been scolded and corrected by Mr Judge than praised by anyone else I thank the gods that I was privileged to know him It was a benediction to call him friend He was the best of friends for he held you firmly yet apart He realized the beautiful description Emerson gives of the ideal friend in whom meet the two most essential elements of friendship tenderness and truth It is necessary that just those souls in whom we have felt most of reality should disappear from us into the darkness in order that we may learn that not seeing but inwardly touching is the true proof that our friend is there As I think of what those missed who persecuted him of the loss in their lives of the great jewel so near to them which they passed by I turn sick with a sense of their loss In him his foes lost their truest friend His heart was set upon the promise of the future and the song of his soul echoed the music of cycles yet to come We think of him not as of a man departed from our midst but as a soul set free to work its mighty mission rejoicing in that freedom and resplendent with compassion and power Close up the ranks and let Fidelity be the agent of heavenly powers Judge's head evidenced a high and uniform development of all the faculties a tremendous will power combined with gentleness a thorough practicability and adaptability conjoined to a highly idealistic nature and a gigantic intellect hand in hand with selflessness and modesty Those who have heard him speak know the singular directness with which his mind went to the marrow of a subject the simplicity

of his words the unaffected selflessness that radiated from the man His sentences were short and plain his manner cool and quiet but what he said was remembered for his words appealed to the sense of truth they seemed to soak in like the showers which the farmers prize while a torrent of eloquence would have run off leaving dry ground Judge was an Occultist He had the power of self control and could subdue the turbulent wanderings of the mind sit still in the midst of his own nature supported by his ideal and view any and every situation dispassionately He was the soul of unselfishness honour generosity and all the other virtues that men hold so dear in other men He seemed never to rest for work was his rest He swore no one to allegiance he asked for no one s love or loyalty but his disciples came to him of their own free will and accord and then he never deserted them but gave more freely than they asked and often in greater measure than they could or would use A good homely face and unpretentious manner a loving disposition full of kindness and honest friendship went with such strong common sense and knowledge of affairs that his coming was always a pleasure and his stay a delight In other bodies and known under other names Judge has played an important part in the world s history sometimes as a conspicuous visible figure At other times he worked quietly behind the scenes or as in his last life as a leader in a philanthropical and philosophical movement
