Selections From Les Amours Jannes:

Les amours Pierre de Ronsard, 1918 *Le Theatre Francais au XVI et au XVII Siecle* , **Copeia** , 1934 , Second catalogue, including the additions made since 1882 Baltimore Peabody inst, libr, 1896 *Second Catalogue of the Library of the Peabody Institute of the City of Baltimore, Including the Additions Made Since 1882* George Peabody Library, 1897

Murder, Justice, and Harmony in an Eighteenth-Century French Village Nancy Locklin, 2019-10-08 In 1718 a young woman named Moricette Nayl fought with her brother's mother in law and accidentally killed her. Ruled a homicide the incident set in motion an investigation a trial Moricette's flight from justice an execution in effigy and ultimately the pardon of the killer and her reintegration into the community. Based on the detailed records of the court dossier this microhistory reveals the social networks of a small town the history of interpersonal violence the complex criminal justice system at work and the power of restoring harmony after a tragedy of this magnitude. An enduring mystery is the reluctance of those closest to the crime to participate in the legal process. An explanation for their silence sheds light on the turmoil of the criminal justice system in France in the decades leading up to the French Revolution. Neither independent feudal lords nor an elite tamed by an Absolutist king the gentlemen overseeing justice in this place maintained a delicate balance between their personal power and the rule of law. The incident and its aftermath also reveal the bonds that make community possible even in the face of senseless violence. Catalogue des livres rares et précieux provenant de la collection de M. G. G. ... de Br.....

G. Gancia, 1860 Catalogue des livres imprimés et manuscrits de la bibliothèque de la ville de Chateauroux Bibliothèque de la ville de Châteauroux (France), Joseph Patureau, 1883 **Catalogue of the Library of the Boston Athenæum** Boston Athenaeum, 1878

Three Ronsard Studies Isidore Silver, 1978 *Space and Fates of International Law* Ekaterina Yahyaoui Krivenko, 2020-09-17 The book offers the first analysis of the influence exercised by the concept of space on the emergence and continuing operation of international law. By adopting a historical perspective and analysing work of two central early modern thinkers Leibniz and Hobbes it offers a significant addition to a limited range of resources on early modern history of international law. The book traces links between concepts of space universality human cognition law and international law in these two early modern thinkers in a comparative fashion. Through this analysis the book demonstrates the dependency of the contemporary international law on the Hobbesian concept of space. Although some Leibnizian elements continue to operate they are distorted. This continuing operation of Leibnizian elements is explained by the inability of international law which is based on the Hobbesian concept of space to ensure universality of its normative foundation.

Sinnott,2017-07-05 This book examines the personification of Wisdom as a female figure a central motif in Proverbs Job Sirach Wisdom and Baruch Alice M Sinnott identifies how and why the complex character of Wisdom was introduced into the Israelite tradition and created and developed by Israelite Jewish wisdom teachers and writers Arguing that by personifying Wisdom the authors of Proverbs responded to Israel s defeat by Babylon and the loss of Davidic monarchy and by retrieving and transforming the Wisdom figure the authors of Sirach Baruch and Wisdom responded to the spread of Hellenism and the potential loss of identity for Jews Sinnott concludes that personified Wisdom functioned to reinterpret and transform the Israelite Jewish tradition *Catalogue de livres composant la bibliothèque de feu M. le baron James de Rothschild: 3.*

Supplément. Table alphabétique générale (p. [201]-681) James baron de Rothschild,1920 **Bentley's Miscellany** ,1842
