Break-Up 1970-2001 Keith Badman,2009-10-28 From 1970 onwards the disbanded Beatles were at last free to follow their individual interests From that point on there were four separate stories but they were stories that would form a complex overlapping history of quarrels and reconciliations personal projects and sporadic collaborations For the first time ever a noted Beatles expert has meticulously documented the entire period of The Beatles after the break up *George Harrison: Behind The Locked Door* Graeme Thomson,2013-09-17 Behind The Locked Door is Graeme Thomson s rich insightful account of George Harrison s extraordinary life and career This Omnibus Enhanced digital edition includes Spotify sections detailing

Harrison's early influences his contributions within The Beatles and the best of his solo career. Additionally, an interactive Digital Timeline leads you through a collage of music videos and images displaying live performances, interviews, memorabilia, and more. As a Beatle, Harrison underwent a bewilderingly compressed early adulthood buffeted by unprecedented levels of fame and success from schoolboy to global superstar. Beatlemania offered remarkable experiences and opportunities, and yet dissatisfaction still gnawed within. His life became a quest for meaning and truth which travelled far beyond the parameters of his former band and his former self. This elegant in-depth biography tracks these changes and conflicts, marking the struggle of walking a spiritual path lined with temptation. Drawing on scores of interviews with close friends and collaborators, rigorous research, and critical insight, *Behind The Locked Door* is a fascinating account of an often misunderstood man. As well as an intimate character study, it offers a full analysis of Harrison's music from his earliest songs for the Beatles to his landmark solo album *All Things Must Pass*, his work with The Traveling Wilburys, and the posthumous *Brainwashed*. *Behind The Locked Door* provides the definitive account of a compelling, contradictory, and enlightening life.

Ringo Michael Seth Starr, 2016-09-01. *Ringo With a Little Help* is the first in-depth biography of Beatles drummer Ringo Starr, who kept the beat for an entire generation and who remains a rock icon over fifty years since the Beatles took the world by storm. *With a Little Help* traces the entire arc of Ringo's remarkable life and career from his sickly childhood to his life as The World's Most Famous drummer to his triumphs, addictions, and emotional battles following the breakup of the Beatles as he comes to terms with his legacy. Born in 1940 as Richard Starkey in the Dingle, one of Liverpool's most gritty, rough and tumble neighborhoods, he rose from a hardscrabble childhood marked by serious illnesses, long hospital stays, and little schooling to emerge against all odds as a locally renowned drummer. Taking the stage name Ringo Starr, his big break with the Beatles rocketed him to the pinnacle of worldwide acclaim in a remarkably short time. He was the last member of the Beatles to join the group but also the most vulnerable, and his post-Beatles career was marked by chart-topping successes, a jet-setting life of excess and alcohol abuse, and ultimately his rebirth as one of rock's revered elder statesmen. **We Shook Up the World** Tracy Daugherty, 2024-04-30. George Harrison met Muhammad Ali in 1964 when both men were on the cusp of worldwide fame. Ten years later, the two men simultaneously staged comebacks demonstrating just how much they embodied the promises and perils of their era. In doing so, Tracy Daugherty suggests they revealed the scope and the limits of political courage and commitment to faith in the modern world. *We Shook Up the World* is the story of these two larger-than-life figures at a momentous time. A unique blend of biography and cultural history, this book goes to the very heart of the zeitgeist that each man inhabited and reinvented in profound and enduring ways. In 1974, deep in the Pennsylvania woods, thirty-two-year-old Muhammad Ali was seeking renewal, training to regain his heavyweight boxing title in a fight with George Foreman, and exploring questions about his politics, his career, and his life. Meanwhile, George Harrison was thirty-one years old. With the Beatles disbanded, his marriage ending, and the loss of his mother still fresh, he traveled to India to revitalize his

faith energy and musical spirit seeking renewal at the Hindu holy city of Varanasi In contemplating how these two complex figures managed to carry the cultural rebelliousness and spiritual yearning of the 1960s into a new era of cataclysmic political economic and social change *We Shook Up the World* offers an intimate perspective on two outsize figures in the nation s and the world s cultural history and a new understanding of their unique contributions to the consciousness of their time and ours
