LOVE. LOSS AND FATHERHOOD

JONATHAN SELF

"A harrowing, hilarious, headlong book. Mr. Self writes at all times as if he were launching himself off a cliff. By ruthlessly exposing his own failings he paints a wrenching and unforgettable picture of the terrible predicaments all modern fathers face."

Psychoanalytic Reflections on Parenting Teens and Young Adults Anne J. Adelman, 2018-03-08 Psychoanalytic Reflections on Parenting Teens and Young Adults explores the rich multi layered parent child interactions that unfold during the period of separation and launching While this is a necessary transitional time parents inevitably experience feelings of loss and longing for the past as well as hope for the future With honesty humor and originality the book brings together the voices of psychoanalysts speaking frankly and not just as professionals but also as parents grappling with raising young adults in today s fast paced world The contributors reflect on the joys regrets and surprises as well as the challenges and triumphs they experience as their children reach the threshold of young adulthood They address a wide range of topics relevant to parents and practitioners alike indeed to all those who are closely involved with the growth and maturation of today s youth Offering both a broad perspective and an intimate look at present day parenting dilemmas the chapters focus on five main areas of interest raising youth in the digital age developmental difficulties evolving gender norms social concerns and finally the building of resiliency Psychoanalytic Reflections on Parenting Teens and Young Adults offers an alternative lens to consider the complex challenges parents face in raising today s teens and young adults replacing the customary notion of failure to launch with the concept of holding on with open arms The explorations in this book advance the idea that in the end these struggles are essential for growth buoyancy and wisdom It will appeal greatly to psychoanalysts and psychoanalytic psychotherapists as well as family therapists
