**Whose Sacrifice is the Eucharist?** Stephen B Sours,2024-07-26 This book explores what Catholics and Methodists believe about eucharistic sacrifice Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord s Supper It is therefore both a Christian doctrine and a church practice The sacrificial dimension of the sacrament comes both from Christ s sacrifice on the cross and from his self offering at the Last Supper in which Christ gives himself to the Father on behalf of his people This is my body which is given for you Luke 22 19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26 28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine

**The Law of the Offerings** Andrew Jukes,1929 Mr Jukes books throw more light upon the teaching of Scripture with regard to the mysterious subjects of which they treat than any with which we are acquainted His strain of writing is eminently devout and edifying especially in the views which he advocates of particular rites and usages The notion of the pre millennial reign of Christ vitiates in our judgment many of the most pious and devout passages which abound in this volume

Levitical Sacrifice and Heavenly Cult in Hebrews Benjamin J. Ribbens,2016-06-06 This monograph examines Hebrews understanding of the relationship between old covenant sacrifices and Christ s new covenant sacrifice especially as it relates to the question of efficacy Most scholars think the author of Hebrews strips the levitical sacrifices of most if not all efficacy

but this work affirms a more positive depiction of the levitical sacrifices A mystical apocalyptic tradition stands behind Hebrews description of the heavenly cult which establishes the framework for relating the levitical sacrifice to Christ s sacrifice The earthly levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ Still the author of Hebrews develops the notion of the heavenly cult in unique ways as Christ s sacrifice both validates the earthly practice but also due to his new covenant theology calls for its end Ribbens bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult

Crowdfunding Opportunities and Challenges Jim Verdonik,2016-01-06 Crowdfunding Opportunities and Challenges answers three basic questions about the many securities law changes created by the JOBS Act of 2012 that people loosely call Crowdfunding Is Crowdfunding the best thing to happen to young and growing businesses since the Internet was invented Or is Crowdfunding more like a poorly built fire cracker that will blow up in the faces of both investors and businesses If Crowdfunding is both an opportunity and a challenge how do you end up a winner instead of a loser Crowdfunding Opportunities and Challenges gives you the information you need to answer these questions whether you are an entrepreneur planning a capital raising offering or an attorney advising clients about their offerings
