*Spa, Salon & Health Club Selling Skills* Gerard Assey, If you could drastically increase the value of each customer's visit to your Spa Salon or Health Club by 60% or more. Yes, certainly more. How would that impact your business's profitability? To be brutally honest, sadly, most spas, salons, or health clubs LOSE that amount every time a customer walks out of their door. Salon Marketing has changed considerably over the last few years, and so businesses need to embrace these changes to improve the way they sell to their clients without being in fear of doing so. Besides the regular services, and when successfully done, the profit from retail sales can even pay for the rent of your premises and part of the consumables. This book, *Spa Salon Health Club Selling Skills*, is therefore a must-have for anyone in the spa beauty salon health club similar businesses on how to take the business further by Selling 1 Yourself 2 Customers go by what they see in you first the way you carry conduct yourself 3 Your Services 4 Retailing your Products 5 Projecting the Right Salon Image.
