This doesn't take a genius to figure out, but you have to know what to add and what to subtract in order to arrive at the perfect selling equation. This knowledge comes from experience. You may not have the experience, but you will find everything you need in this small book. You will find it laid out in simple language that you won't need a real estate license to understand. *Super Agent* Joseph Callaway, JoAnn Callaway, 2014-03-25.
