the last asylum in North America and the largest facility of its kind in the British Commonwealth A decade later the Canadian Committee for Mental Hygiene cited it as one of the worst facilities in the country largely due to extreme overcrowding In the 1950s the Saskatchewan Mental Hospital again attracted international attention for engaging in controversial therapeutic interventions including treatments using LSD In the 1960s sweeping healthcare reforms took hold in the province and mental health institutions underwent dramatic changes as they began transferring patients into communities As the patient and staff population shrunk the once palatial building fell into disrepair the asylum's expansive farmland went out of cultivation and mental health services folded into a complicated web of social and correctional services Erika Dyck's *Managing Madness* examines an institution that housed people we struggle to understand help or even try to change West-words Moira Jean Day, 2011 *West-words* gives the reader a bird's eye view of the contemporary theatre scene across the prairies Animal Farm II - The Machine Crystal-Dawn, 2022-08-07 In 2022 a solar flare set global events into effect that would bring about the positive change sought by all A Canadian Parole intent on writing *Animal Farm Part II* stumbles upon 1984 in her research of George Orwell It is believed George's failing health to be cause for the thin veil that existed between our worlds as he tapped into knowledge of the future from the universe She compares current society with that predicted to create wildlife characters for *Animal Farm Part II* Surely with so many decades past the Farm Animals had all diversified to a wide range of species globally Ever since the Pigs and Men had met that fateful night on Manor Farm a terrifying doom faced the Planet as The Machine drained the resources Could the Machine be stopped George Orwell gave us the secret in 1984 and in 2022 knowledge from the Akashic Records was ready to be released to the World **Geographic Profiling** D.
