Love and Women in Early Chinese Fiction Daniel Hsieh, 2009-03-02. In traditional China, upper-class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings. It was not until the mid-Tang, a generation or two after the An Lushan rebellion, that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of *zhiguai* and *chuanqi* fiction. The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization. This book examines the repertoire of *chuanqi* and *zhiguai* written during the Six Dynasties and Tang periods and analyzes the key themes, topics, and approaches found in these tales, which range from expressions of male fantasy, sympathy, fear, and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society. Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen, for example, in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these

divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as *The Peony Pavilion* and *Dream of the Red Chamber*

illustrations **Enchanted Love** Marianne Williamson, 2013-12-17 Three of Marianne Williamson's previous bestsellers *A Return to Love*, *A Woman's Worth* and *Illuminata* explored the issue of relationships. Now in this deeply personal collection of essays, prayers and self-reflection, she turns to romantic love. In *Illuminata*, Williamson wrote that we experience God to the extent to which we love, forgive and focus on the good in others and ourselves. Now in *Enchanted Love*, she writes that enchanted partnership begins with the conscious understanding on the part of two people that the purpose of their relationship is not so much material as spiritual and the internal skills demanded by it are prodigious. High romance, she says, is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become while still on earth, the angels who reside within us. **Why We Love Them So** Father Paul A. Keenan, 2009-08-12 When a beloved pet dies, the grief that often follows can be overwhelming. *Why We Love Them So: Surviving the Loss of an Animal Friend* offers profound guidance on how to understand deep sorrow and eventually use its power to transform our lives.
