Luke New International Biblical Commentary:

New International Biblical Commentary--Luke Evans Craig A.,1990 **Biblical Greek Exegesis** George H. Guthrie,J. Scott Duvall,1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach **Luke** Craig A. Evans,W. Ward Gasque,1990 Plenty of important questions vie for attention in contemporary Lucan scholarship In this NIBC volume Craig Evans not only demonstrates a firm grasp of them but makes them perfectly comprehensible to laypeople His clear writing and logical explanations lay open both difficult Lucan passages and scholarly arguments about them This commentary is probably the best popular level one on Lukes gospel The New International Biblical Commentary is an important new series which happily strikes the balance between the detailed technical commentary and the popular level commentary Craig Evans volume on Luke is a model of the series The writer is as aware of the main questions which dominate Lucan scholarship today as he is of its methods and useful findings Max Turner London Bible College *Grasping God's Word* J. Scott Duvall,J. Daniel Hays,2012-05-08 Grasping God s Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves The third edition revised based on feedback from professors will continue to serve college level students and lay learners well in their quest to gain a firm grasp on the rock of God s word Old Testament scholar J Daniel Hays and New Testament expert J Scott Duvall provide practical hands on exercises to guide students through the interpretive process To emphasize the Bible s redemptive arc and encourage correlation across the biblical canon the authors have included a call to Consult the biblical map How does a theological principle fit with the rest of the Bible as an additional step in the Interpretive Journey This edition has also been rearranged for clarity and includes updated illustrations appendices bibliography and assignments A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies These include a workbook video lectures for each chapter featuring the authors and a laminated quick study sheet with key concepts from the book The Atonement in Lukan Theology John Kimbell,2014-10-02 In the past century of critical scholarship on Luke Acts it has become commonplace to affirm that Luke attaches no direct soteriological value to the death of Jesus More specifically the scholarly consensus affirms that Luke Acts does not present Jesus death as an atonement for sin Rather Luke s soteriology is understood to center upon Jesus resurrection and exaltation as Lord In this careful thematic study of atonement theology in Luke s double work John Kimbell demonstrates that the value Luke attributes to the death of Christ has been underestimated When all the data is considered the death of Christ is given greater direct soteriological significance in the Lukan writings than scholarship has generally acknowledged Specifically the death of Jesus is portrayed by Luke as an atoning death that brings about the forgiveness of sins This book does not deny the presence of other soteriological emphases Nevertheless it convincingly shows that atonement theology plays a fundamental role in Luke s soteriology such that when this aspect is rejected or minimized Luke s

presentation of the cross and salvation is significantly distorted Kimbell carefully interacts with the scholarly secondary literature on this subject ensuring that any serious Christian reader will find this work stimulating and useful Detailed exegesis is paired with careful attention to Luke's overall theological purposes The result is that the reader will come away with a clearer understanding of Luke's writings and a deeper appreciation for the meaning of Christ's death

The Character and Purpose of Luke's Christology Douglas Buckwalter, 1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they

too are now imaging some of his servant like character in their witness of him
