Create Molly Suzanne McGlennen, 2005 *Jewish Hymnography* Leon J. Weinberger, 1997-12-01 Leon Weinberger draws on a wealth of material much of it previously available only in Hebrew to trace the history of Jewish hymnography from its origins in the eastern Mediterranean to its subsequent development in western Europe Spain Italy France Germany and England and Balkan Byzantium on the Grecian periphery under the Ottomans and among the Karaites Focusing on each region in turn he provides a general background to the role of the synagogue poets in the society of the time characterizes the principal poets and describes their contribution examines the principal genres and forms and considers their distinctive language style and themes The copious excerpts from the liturgy are presented in transliterated Hebrew and in English translation and their salient characteristics are fully discussed to bring out the historical development of ideas and regional themes as well as literary forms Professor Weinberger's study is a particularly valuable source book for students of synagogue liturgy Jewish worship and medieval Hebrew poetry It provides new perspectives for students of religious poetry and forms of worship more generally while enabling the general reader to acquire a much enriched appreciation of the synagogue services

The Incomparable Monsignor J. L. Heilbron, 2022-05-26 Through Francesco Bianchini the greatest Italian of his time this book explores the exciting meeting of science history and politics in early modern Europe Born in a time where entry into the church granted power privilege and access to the most exciting ideas of his time the magnificent Monsignor Francesco Bianchini was an accomplished player in the political scientific and historical arenas of early modern Europe Among his accomplishments were writing a universal history from the creation to the fall of Assyria discovering excavating and interpreting ancient buildings and designing a papal collection of antiquities that was later partially realized in the Vatican museums He was also responsible for confirming and publicizing Newton's theories of light and color discovering several comets and building the most beautiful and exact heliometer in the world in the basilica of Santa Maria degli Angeli in Rome Bianchini's international reputation earned him election to the Académie royale des sciences of Paris and the Royal Society of London As a trusted servant of Pope Clement XI he helped to execute the difficult balancing act the papacy practiced during the War of the Spanish Succession which pitted Britain the Dutch Republic and the Habsburg Empire against France and Spain One of his assignments also resulted in attachment to the cause and person of the Old Pretender James III the Stuart claimant to the thrones of England Scotland and Ireland Through the career of this eminent and adept diplomat astronomer archaeologist and historian J L Heilbron introduces a world of learning and discovery Church and State and politics and power
